11. Explanation why the applicant was removed from the service before his incapacity for further service was duly established by a certificate.

12. Explanation why the medical certificate is post-dated to the extent of days / months, the applicant having ceased to do duty on

13. Information as to whether the applicant applied for his pension / gratuity during his life time; if so, when he applied and when he died.

14. Information as to the name of the applicant's heir entitled to receive the gratuity or the amount of arrears of pension due to him.

15. Revision of the affidavit and contemporary evidence. The evidence should contain information on the following points:—

(*a.*) Whether the applicant was in *permanent* employ of Government.

(*b.*) Whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible, be specified.

16. Information as to whether the appointment of to in which the applicant is stated to have been acting from to was *fully vacant*, and whether any person, save the applicant, counted service in it during that period.

17. Information as to whether any endeavours were taken to provide a suitable appointment for the applicant. The amount of saving effected to Government by the abolition of his appointment in the Revision of Establishment should be stated.

24. Information as to whether the appointment held by the Applicant in the Tobacco Godown from 9th August 1850 to 31st October 1854 as detailed in the accompanying application was a permanent one under Government entitling the holder of it to pension under the Civil Pension Code.

25. Transmission of the order of Govt., if any, under which the applicant was reinstated to his post in July 80. It would appear that at the time of the applicant's removal on account of unfitness in 1879, his service amounted to only 29 years and his age was more than 60 years. This office is not aware of the existence of any authority under which a period of non-employment can be treated as service reckoning for pension. Deducting therefore the period of non-employment from the total period of qualifying service, there will be a balance of 29-9-17 entitling the applicant to a gratuity equal to 6 months pay only.

Reply to Query No. 2. Insertion of the class of records from which the applicant's Services have been verified has been made in the Column of the application referred to as required.

Do. to Do. No. 15. Revised affidavit and contemporary evidence containing the required information are forwarded herewith.

Do. to Do. No. 21. The portion of Service not verifiable from office Records was proved by the affidavit of the applicant and the testimony of two available contemporary Servants both of whom are now employed the one as an Attender and the other as a Deloyet in this office. Their Statements were taken on oath before the acting Treasury Deputy Collector. In the absence of anything on record to the Contrary the Service claimed should be admitted on the Strength of the applicant's affidavit and the testimony of his Contemporary Servants.

Do. to Do. No. 23. The Services of the applicant having been as stated against the heading 5 Any other remarks on the 3rd page of the application, dispensed with on the 31st December 1879 by the Division officer without the knowledge of this office, and as the applicant was

reinstated only on 22nd July 1880, his name could not possibly have appeared in the Returns for April 1880.

The appointment held by the applicant from 9th August 1850 to 31st October 1854, though he was doing duty in the Tobacco Godown, was on the Shikarry Establishment, and appointments on both the Shikkary and Tobacco Establishments should be regarded as permanent under Government and the Service of the applicant in the one held by him should be allowed to reckon towards pension as it has been previously in similar cases vide G.O. Pension Deptt., No. 290 of 11th June 1877. Answer to Query No. 24.

There is no specific order of Govt. reinstating the applicant, but with reference to Rule 5 under Section 76 of the C.P.C and to the orders of Govt. noted in the margin as the applicant on receipt of his Service Book in this office from the Division officer was found to have been more than 29 years in the Service and wanting some months to complete the period required for entitling him to pension, he was reinstated. Do. & Do. No. 25. G.O. No. 551 of 15th July 1872 Pension Deptt. & G.O. No. 654 of 30th June 1880.

As under Section 53 of the Civil Pension Code all 'authorized leave', whether with or without

650

pay, could in the case of inferior servants be treated as Service counting towards pension and as in the instance in question the applicant was formally granted leave of absence without pay by a competent authority with retrospective effect and as under such circumstances the man who stood appointed in the applicant's place from 1st January to 21st July 1880 could at best be regarded as only acting on full pay and could not count the period as Service, that period was regarded as coming under 'authorized leave' so far as the applicant was concerned and accordingly included in the amount of his qualifying Service for pension. It is clear that even deducting this period of absence the applicant was 29 years, 9 Months and 17 days in the Service or in other words, would appear to be wanting only 2 Months and 13 days.

As it would be very hard on a Servant of long Service like the applicant to deprive him of his claim to pension and as it is not advisable to disturb the arrangements made consequent on his retirement especially when it is remembered that the arrangements once made on his retirement were cancelled by the applicant's reinstatement, it is recommended that the period of the so called 'non-employment' which however was as above stated converted into leave

of absence without pay, may be regarded as 'Authorized leave' and recognized as part of the applicant's qualifying Service.—

Question.

It appears from an order of appointment & the available Pay abstracts that you were appointed a peon in the Shikary Cutchery on the 9th August 1850 & continued in the same post up to September 1854 and it is learnt from the Native Record keeper that the Pay Abstracts for the following 33 months in that period are not forthcoming in the Records.—

What appointment did you hold during the

above months ? & whether that was on the Permanent establishment or not. Whether there were any breaks in the continuity of your service & whether you were at any time absent on other than privilege leave during the said months.

About 25 years ago I was appointed a peon in the Shikary establishment then a permanent establishment of Government and was doing duty uninterruptedly for about 4 years in the Tobacco ~~cutchery~~ office. And subsequently I was a Kundachar peon in the Talug of Coimbatore Continuously. From the date of my entertainment on the Shikary establishment to the date of my appointment as a Talug Kundachar peon there was no break in my service such as suspension, dismissal, &c, nor was I ever absent on leave other than privilege. All these particulars are known to the Hazur Attender Ramsingh & Deloyet Dhurmsingh.

Question.

Do you know any thing about Ananthia Rao late peon in the Coimbatore Town Deputy Tahsildar's office and who is here now having been employed in the Shikary establishment

Answer

This peon Ananthia Rao and myself were about 25 years ago doing duty as Peons in the Tobacco Godown office then a permanent establishment. Some 10 men on the Shikary establishment were doing duty in the Tobacco Godown office. & Ananthia Rao was one of them. The Shikary establishment on which he was entertained was then a permanent establishment under Government. After an uninterrupted service of 4 years he went

over to the Taluq cutcherry. Previous to his going to the Taluq there occurred no break such as suspension dismissal, &c, in his service as Peon while doing duty in the Tobacco Godown office nor was he ever absent on leave other than privilege during the period. I have stated all these from my memory.-

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Nothing on record against the applicant: his past conduct and character appear to have been such as to entitle him to Pension.

2. Explanation of any suspension or degradation. The applicant was suspended as he was reported by the Sub Master of Coimbatore Town as being unfit to look after any work entrusted to him such as the supply of articles, as absenting himself on grounds of sickness and as being careless, vide Enclosure 8 but at the request of the Sub Master the applicant was subsequently reinstated vide Enclosure 5.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it. The applicant's Service Book and last pay certificate are herewith sent: it will be seen from the Service Book that his services were dispensed with on the 31st December 1879 as being unfit for duty from old age, but on the receipt of an application for reckoning allowance on his behalf as he was found to have been recommended for a pension of Rs. 36 for his service of upwards of 29 years and to have been waiting only some months to complete the period of service required to enable him to earn a pension he was reinstated on the 22nd July 1880 by the then Acting Collector Mr. J. A. Nicholson and was granted leave of absence without pay retrospectively from 1st January to 21st July 1880.

5. Any other remarks.

6. Specific opinion of Head of Office whether the service claimed is established by records or not—See Rule 6 under Sec. 54. The Service claimed has been established and should be admitted.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

No. ADV/54 CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior / superior} grades has been duly proved for 29 years 1 months and 8 days; and that an Invalid {pension / gratuity} not exceeding Rs. 36 equal to 6 months pay, is admissible under Sections 61 and 76(a) of the Civil Pension Code. The calculations have been duly verified. On the 1st January 1880 the applicant's services were dispensed with on the ground of inefficiency his age at the time being more than 60 years. Finding after verification that the applicant had earned more than 29 years service and that the retention for a few months more would entitle him to a pension instead of a Gratuity, the Collector under instructions conveyed by Government in their Orders Nos. 551 and 654 dated the 15th July 1872 and 30th June '80 respectively, would seem to have directed that he be restored to his appointment accordingly the applicant served for a second time for a period of 8 months and 9 days viz. from 22nd July 1880 to 31st March 1881 and on the latter date his services were again dispensed with.

His service of 29 years 1 month and 8 days added to that of 8 months and 9 days referred to above amounts to less than 30 years entitling the applicant still to a gratuity in lieu of a Pension. But the Collector proposes that the period ~~between~~ between 31st December 1879 and 22nd July 1880 during which the applicant remained unemployed should be regarded as leave with [illegible] as service qualifying for pension, a proposition not covered by the rules of the Civil Pension Code. Under these circumstances it rests with Government to decide whether or not the proposal should be sanctioned. If it be decided in the affirmative the applicant's qualifying service will amount to 30 years 4 months and 8 days entitling him to an Invalid pension not exceeding Rs. 3-0-0 per mensem under sections 61 and 76(b) of the Code.

In accordance with Rule 3 A under section 87, the attention of Government is respectfully solicited to section 22 of the Code.
