No. 88.

FROM

THE SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am desired to forward the accompanying case of M. Srinivasa Charry, late Record-keeper in the office of the Commissioner of Salt Revenue, Madras, for the favorable consideration of the Government of India.

2. This man was invalided on the 18th September 1879, at the early age of thirty-six, on account of leprosy. His service in superior grades amounted to fifteen years, three months, and fourteen days, but of this one year, four months, and fourteen days were non-qualifying, being service before the age of twenty-two, and five months and twenty-five days because passed on sick leave.

3. Had he completed fifteen years qualifying service he would have been entitled to a pension of Rs. 12-14-4, being one-third of his average emoluments, and for his actual qualifying service he would ordinarily be entitled to a gratuity of Rs. 600; but the Medical officer being of opinion that he has not the normal prospects of life, a pension of only Rs. 4-2-5—being the value of the gratuity calculated in accordance with Table A in Appendix E of the Civil Pension Code—is all that is admissible.

4. In view of the fact that so large a portion of the service of M. Srinivasa Charry is disallowed simply on account of the age at which he was first employed, and that with this his service fell short by only three months of the fifteen years that would have given him a pension of Rs. 12-14-4, the Right Honorable the Governor in Council would recommend his being granted a pension of at least Rs. 12, and would point out that, if the view of his prospects of life is correct, the pension, of whatever amount it may be, is not likely to be long enjoyed by him.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
31st January 1881.

Secretary to Government.
