## CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

No $\frac{\text{Adj}}{105}$ Certified that Service in Inferior Grades has been duly proved for 37 years 10 months and 12 days; but that no retiring allowance would seem to be admissible under the strict letter of the rules of the Civil Pension Code, as the applicants incapacity for further service was not established at the time of retirement and as he resigned his appointment in favor of his Son, giving up his claim for pension for Service under Government - Vide papers accompanying.

Should Government however in consideration of his long services extending over a period of 37 years be pleased to overlook the omission on the part of the District Authorities in not having their recorded the usual Certificates of incapacity, notwithstanding that the applicant resigned the public service, and to admit the Medical Certificate post dated to the extent of 1 year 11 months and 3 days, he having retired on the 6th October 78 while the Medical Certificate is dated the 8th Sept/80, they may grant him an Invalid pension not exceeding Rs 3-0-0 per mensem under the provisions of Sections 62 and 76 (b) of the Civil Pension Code. But that such Grant, it is respectfully pointed out, will need the confirmation of the Government of India in the Financial Department.

The delay in the Submission of the application is explained by the Collector in his letter No 1578 dated the 6th April 1881 accompanying.

In accordance with Rule 3 A, under Section 87, the attention of Government is respectfully solicited to Section 22 of the Code.
