From the Collector of Godávari, dated 8th July 1881, No. 335.
From the Accountant-General, dated 19th August and 3rd September 1881, Nos. A.D.J.-201 and I.A.E.-270.

ORDER THEREON, 19th September 1881, No. 902.

Under Sections 102 and 117 (c) of the Civil Pension Code (5th Edition), the Honorable the Governor in Council is pleased to grant to Gurrala Narasimulu, late Taluk Peon, Rajahmundry, an invalid pension of Rs. (3) three per mensem, payable at Rajahmundry, from 9th March 1881, in consideration of his qualifying inferior service of thirty-four years and four months.

2. With reference to the 4th paragraph of the Accountant-General's report as regards the difference in the Medical Officer's opinion, the case has been settled by G.O., dated 20th August 1881, No. 1521, Financial. Had the proper course of the medical examination being made prior to the applicant's removal from the service been followed, this difficulty would not have arisen.

Pension.—Granting an invalid pension of Rs. 3 per mensem to G. Narasimulu, late Taluk Peon, Godávari District.

Receipt taken from Gurala Narasimulu, peon, who applied for pension.

I have applied for pension — being unable to serve at present. During the Rampa disturbance, I was sent to Chodavaram, Maredumilli and other stations and then I was taken ill and I am not yet recovered. I cannot walk because there is some disorder in my leg. This renders me quite unfit for service hereafter.

I was first entertained in service as a peon on Rs4 in the Rajavaram Taluk. I was afterwards transferred from that Taluk to that of Rajahmundry. I applied for pension on 6th March 1881. Previous to this date, I was never suspended nor dismissed.

In 1879 I went to Rampa and was taken ill and I was on leave on forfeiture of full pay from 24th July of that year to 19th July 1880 and from 23rd July

July 1880 to 26th January 1881.

I can neither say nor recollect whether or not I obtained leaves of any kind before this. I shall prove by Mahammad Ameen Sahib, peon in this Taluk and Manisam, Daffadar, that I have been in continuous service ever since the date of my first entertainment.

I have heard this Kaifiat and it is correct.

I have my ~~horroscope~~ horoscope and it shows that I was born on the 11th day of the increasing moon of the month of Kartika Year Tarana. From this it would appear that I am 56 years old. No kuttums or tahuds have been issued by any authority either at the time of my first entertainment in service or at the time of my transfer.

I have heard this Kaifiat and it is correct.

SIR,

With reference to your letter No. 336 dated the 8th July 1881, forwarding an application for pension on behalf of G. Narasihulu, late a Peon of the Rajahmundry Taluk, I have the honour to state that it is clear from the two Medical Certificates forwarded therewith, that the Medical officers at Rajahmundry and Cocanada, differ in opinion regarding the applicant's permanent incapacity for further service, the one considering the applicant to be fit for further service of a less laborious character than that which he has been doing, while the other declares him

him to be permanently incapacitated for further service of any kind. I request therefore that you will be good enough to cause him to be examined by a Medical Board to be held at a Station nearest to that in which the applicant may reside, and to forward their opinion which will be considered as final in disposing of the application under acknowledgment.

4 The applicant was removed from the service on the 8th March 81 before his incapacity was duly established by a Medical Certificate as required by Section 62. But subsequently he appears to have been sent for Medical Examination to the Zillah Surgeon Rajahmundry, who on 27th April 81 certified him to be fit for further service of a less laborious character than the one from which he was removed. For reasons not known, the applicant was again directed to appear before the Acting Civil Surgeon, Cocanada who on the 5th July 81 declared him to be completely and permanently incapacited for further Service. Since there was a difference of Medical opinion, this office in letter No 1 A dt dated the 28th July last requested the Collector to cause the applicant to be examined by a Medical Board to be convened at a convenient station, in view to the opinion of that Board being considered as final. In reply that officer states that there are no Medical Officers available in the District and that he is powerless to do so. Under these circumstances, this office has no alternative but to submit the case leaving it to Government to decide whether any pension can be granted and if so from what date such pension should commence.

5 The Collector in his letter No 335 dated 8th July 1881 states that an appointment of a less laborious character is not procurable in his District.

Read the following letter from the Collector of Godaveri District, dated 6th August 1881, No. 35.

I have the honor to State that I forwarded an application for Pension on behalf of Gurrala Narasimulu, a peon of Rajahmandry Taluk - His age according to his Service Register being 55 Years. I have obtained the opinion of two Medical officers. The Zillah Surgeon of Rajahmundry certifies that he is fit for further Service of a less laborious Character than that of a Peon. The Civil Surgeon of Cocanada certifies that he is permanently incapacitated for further Service. In forwarding the application for Pension I enclosed the two Certificates. The Accountant General now objects and requests me to Cause him to be examined by a Medical Board.

2. I beg to say that in this District, there are two Surgeons, one at Rajahmundry and the other at Cocanada. They have already examined him

and I have no one else in the District to form a Medical Board. Moreover I cannot conveniently ask them to assemble at one place without detriment to their duties, nor do I think I have power to do so.

3. I therefore request that under Clause (2) to Section 103 of the Civil Pension Code, the Govt will be pleased to accept the Medical Certificate given by the Civil Surgeon at Cocanada. There is no post to which the peon can be posted which is of a less laborious Character than that of a peon.

Order thereon 20th August 1881 No 1521

As both the Certificates show that the man is unfit to be a peon any longer, and no lighter work can be found for him, the Certificate of the Cocanada Civil Surgeon may under the circumstances be accepted by the Accountant General.
