CERTIFIED that I have carefully examined *Syed Omar*
Pen in Office of District Collector of Madras
 son of *Syed Jacob* -

His age is, by his own statement, *Sixty five* years, and by appearance
 about *Sixty five*

I consider *Syed Omar*
 to be completely and permanently incapacitated for further service of any
 kind in the Department to which he belongs, in consequence of *old*
age and debility

His incapacity does not appear to me to have been caused by irregular or
 intemperate habits.

FOR ORDERS.

Submitted for orders.

Applicant's total
Service amounts to 30 years
11 months & 10 days, of which
10 years was passed as a
Peon in the Madras Collec-
tor's office, Huzur Depar-
tment, there is then a break
of 4 days after which he
was employed as a Peon
in the Stamping Dept.
of the Deputy Collector's
office, Madras. His
Service in that Dept.
amounted

amounted to 20 years
5 months and 19 days.
The Accountant General
reports that no retiring
allowance would seem
to be admissible to
him, as the Government
decided that that service
on the Establishment
for stamping weights
and measures should
not be regarded as
pensionable.

The case however
seems to be a hard
one - It is possible
that the man when
he entered the Stamp
ing Department was not
aware that his service
in it would be non
qualifying and if so,
the principle affirmed
in GO No 781 dated
13 December 1876 (which
is

GO 8 July 1878 No 277.

31
is put up) would seem to
apply. Attention is
requested to Memo drawn
up by Mr Campbell regard
ing establishments cater
tained in the several
Districts for stamping
weights and measures,
according to this, service
after 1861 only is to be
non-qualifying, but in
the case under reference,
the transfer was effected
prior to 1861.

If Government do
not wish to recognize the
latter part of the appli
cant's service he may at
least be granted a gra
tuity of Rupees 28 equal
to 4 months pay for
the 1st part of his
service.

EWB
The applicant was
reappointed as a peon
on 22 May 1860 on the
organization of the

WMS

Madras Dy Collector's Office.

The Memo pro order
with G.O. 8 July 1878 No
277 speaks of 1861
as the year in which
Establishments were
formed for stamping
weights & measures.

It was not until
1878 that service in
such establishments
was declared non-
pensionable. *but that had
also been declared*

In the circumstan-
ces it is submitted
that the grant of
a pension should
be solicited - if a
reference & necess.
vary to India - es.
pecially as 10 years
of the service were
in the regular line.
