PENSION DEPARTMENT.

22nd September 1881, No. 957.

Pension.

Read the following papers:—

From the Examiner of Public Works Accounts, dated 12th June 1880, No. 191-P., and 1st February 1881, No. 894-X.
From the Accountant-General, dated 30th June 1880, No. A.D.J.-783.
To the Secretary to the Government of India, Department of Finance and Commerce, dated 1st December 1880, No. 1155.

From E. J. SINKINSON, Esq., Under Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to Government, Pension Department, dated Fort William, 12th March 1881, No. 1099.

I am directed to acknowledge the receipt of your letter, No. 1155, dated 1st December 1880, asking—

- (1) that Suliman Beg, Channel Superintendent, who, in the year 1878, was discharged upon the revision of the conservancy and navigation establishments connected with the canals in the Kistna District, but who has no claim to compensation pension, because no saving was effected by the revision, may be admitted to pension on the ground that he was subsequently, viz., two years after his discharge, declared to be physically unfit for further service;
 - (2) that the Government of Madras may be authorised to grant invalid pensions to the other Channel Superintendents similarly discharged, who may now be declared to be physically unfit for further service.
2. In reply, I am to refer to Rule 1, Section 61, Civil Pension Code, and to say that the submission of medical certificates of incapacity cannot be admitted as a ground for the grant of pension to Suliman Beg and the other Channel Superintendents who were discharged not in consequence of physical or mental incapacity for further service, but upon revision of establishments in which they were employed.
3. Nor is the Governor-General in Council disposed to relax the conditions under which compensation pensions can be granted only when the revision of establishment causing an officer's discharge produces a saving sufficient to cover the cost of his pension (Rule 6, Section 59, Civil Pension Code).
4. The Government of Madras may perhaps be able to reduce the conservancy and navigation establishments connected with the canals in the Kistna District, and if this can be done with the result of effecting savings enough to provide pensions for the discharged officers of the establishments, retiring allowances can be granted to Suliman Beg and the other Channel Superintendents referred to.
5. The original papers received with your letter are herewith returned.

Copy forwarded to the Accountant-General, Madras, for information.

No. 476.

The foregoing letter will be referred to the Public Works Department for inquiry and report as to whether the course indicated in paragraph 4 can be carried out.

With reference to your letter No. 1497
dated 2^d November 1880 and the enclosures
therewith forwarded, regarding the
verification of the Service of Silamau Beg
in this factory, I beg to report that the
records in this office show that Silamau
Beg served in this Factory as per drawing
No. 6 per enclosure from 18th October 1864 to 12th
October 1865. Previous correspondence was
washed away by the cyclone of 1st November
1864, and so I am unable to give any
information whatever, whether he served
in this Factory from 1st January to
30th September 1864 but from the facts
of China Gangam Salt Superintendents
letter, it appears true.

During his stay here, he
was leave on substitute from 16th May
to 12th October 1865 after which date he
resigned his service in this Factory.

I beg to return herewith the
enclosures forwarded to me with the
~~letter~~ ^{letter} in question.

Copy.

Copy of letter from the Salt Supt.
China Gangam to the Supt. Com-
missioner of Salt Revenue No. 275-
dated 30th October 1880.

Referring to your Memo No. 1488
dated 26th October 1880, and the enclosures
therewith forwarded, I respectfully
beg to report that I have verified
the Service of Silamau Beg and the
result is as subjoined below.

1. Silamau Beg was as Dhalayet in the
late Guntoor Collector's Catchment and he
was appointed a Duffadar of this
Factory on the 24th January 1859. There
have been no means of knowing from
the records of this office his former
service before that date.
2. He was attached to this Factory
as Duffadar on 9th Feb a month from
24th January 1859 to 31st December 1863
when his post was abolished under
No.

Mr. Pelly's arrangement His entire service in this Factory was 4 Years, 11 Months and 8 days.

3. Leaves during the period of his service in this Factory are as below.

Leave on half pay for 20 days from 18th February to 8th March 1860. Days. 20.

Leave on top of full pay from 3rd March to 10th April 1863. 1 Month and 8 days.

4. He has not been borne on the Establishment of this Factory from January 1864 and I suppose he had been appointed a peon in Mangana-pudy Factory from January 1864 since his pay in arrears for December 1863 was ordered to Mangana-pudy and I can not say this for certain.

2. I beg to retransmit the enclosures received with your memo under reply.
