GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

24th October 1879, No. 2,687 W.

General.
Establishment.

Read the following papers:—

No. 50. From the Examiner of Public Works Accounts, dated 23rd October 1878, No. 325 W.

No. 50-A. From do. do. dated 4th August 1879, No. 104 W.

No. 50-B. From the Superintending Engineer, First Circle, dated 6th September 1879, No. 932 K.S.

No. 51. Order thereon, 24th October 1879, No. 2,687 W.

These papers have reference to the claims to pension or gratuity of certain men employed as Channel Superintendents, &c., on the Conservancy Establishments of the Kistna District, who were thrown out of employ in the revision of establishments sanctioned in G.O., No. 36 I., dated 14th January 1878. In Proceedings No. 426 I., dated 20th May 1878, the Government resolved that the pension, &c., applications of such of the disestablished men as could not be re-employed and were entitled to pension should be dealt with under the rules. Pension applications have accordingly been submitted for the three Channel Superintendents marginally noted.

Muttum Sreenivasa Row.
Kumarayugada Krishniah.
Simhadri Reddi.

2. With reference to these applications the Examiner, Public Works Accounts, brings* to notice that under Section 59, Rule 6 of the 4th edition of the Civil Pension Code, the claims to pension are inadmissible, inasmuch as the revision of the establishment resulted in no saving to Government, but actually caused an additional cost of Rupees 57 annually to the State.

* *Vide* his letter No. 325 W. of 23rd October 1878.

3. But His Grace the Governor in Council agrees with the Superintending Engineer in considering this rule inapplicable to the men in question, inasmuch as they have been declared by medical authority to be physically unfit for further service, and would therefore have been entitled to pension independently of the revision of establishment.

4. Under these circumstances the Examiner is authorised to deal with these applications in the ordinary course, provided that they are all supported by the requisite medical certificates.

5. The cases of the other thirteen men who were thrown out of employ, and whom the Superintending Engineer describes as unfit for further service of any kind, should be similarly dealt with, and a pension or gratuity granted them according to each man's service in the department.

The applicant was pronounced unfit for further service only on the 19th December 1879 while he was relieved of his duties on retirement so far back as 31st March 1878. The circumstances that led to the Medical Certificate submitted on behalf of the applicant bearing a later date are as follows -

Government in their order P W D No 2061 dated 20th May 1878 (copy attached) directed the revision of the Conservancy Establishment of the Kistna District in which the services of the applicant, along with others, were dispensed with on reduction of Establishment. As the revision of the Establishment resulted in an annual increase of Rs 87 over the original cost of the Conservancy Establishment, this office in letter No 325 W dated 23d October 1878 (copy attached) pointed out that under the ruling contained in Section 50 Rules (now Section 59 Rule 6, 2d Edition) of the Civil Pension Code, no Compensation could be granted to retiring incumbents

In their order No 2687 W dated 24th October 1879 (copy attached) Government ruled that the Applicants case, as also those of others similarly situated should be dealt with under the ordinary rules of the Civil Pension Code, provided a Medical Certificate is submitted in support of each application

Hence the delay in the submission of the application.

No. 1253

Copy of letter from the Examiner P.W. Accounts Madras to the Secretary to Government P.W. Dept. No. 326 M. dated 23d October 1870

I have the honor to forward herewith for special orders the pension applications of (1) Muttum Dreemivasa Rau, (2) Kumaraguguda Kaistriah and (3) Simhadri Reddi late Channel Superintendents, Conservancy Establishment, Kistna District.

2. The Kistna Delta Conservancy and Navigation Establishment was revised last January and the revision approved of in G.O. No. 582 dated 14th January 1870 from para 2 of this G.O. it will be observed that the revision necessitated an annual increase of Rs 6-7 over the cost of the original Establishment, though resulting in the dismissal of 19 Channel Superintendents.

3 In G.O. No. 1261 dated 20th May 1870, Government ordered that the pension applications of those who could not be re-employed and who were entitled to pension should be promptly dealt with under the rules. In accordance with these instructions the District Engineer has submitted the applications under reference.

4. In Section 60 rule 8 of the Civil Pension Code it is laid down that the saving effected by a reorganization should always exceed the cost of the pension or gratuity, but in the present instance the revision of establishment actually caused an additional cost of Rs 67 annually to the state.

5. Special attention has lately been drawn by the Government of India in the Financial Department P.W.D. No 3506, vide proceedings of the Madras Government P.W.D, noted in the dated 6 Sept. 1878. P.W-60. No 3546. dated 6 Sept. 1878. margin, and the Government of India have in strong terms deprecated the submission of applications for pension of persons discharged from the Public Service on reduction of Establishment when the discharge does not result in any saving to Government

6. Under these circumstances I shall be Obliged if you will favor me with Government orders as to how the applications are to be disposed of.
