I have the honor to forward herewith for Special orders the pending applications of (1) Puttann Sannurava Rao, (2) Kumarayugada Krishnaiah and (3) Simha-^{res.} dri Reddi Late. Channel Superintendent's Conservancy Establishment, Krishna District.

2. The *Nisina Delta Conservancy* and Navigation Establishment was revised last January and the revision approved of in G. O. No 36. D. dated 14th January 1878. From para 2 of this G. O. it will be observed that the revision necessitated an annual increase of Rs 577 over the cost of the original establishment, though resulting in the dismissal of 19 Channel Superintendents.

3 In G. O. No. 426. Dated 20th
May 1878. Government ordered that the

pension applications of those who could not be re-employed and who were entitled to pension should be promptly dealt with under the rules. In accordance with these instructions the District Engineer has submitted the application under reference.

4. In Section 50 rule 5 of the Civil Pension Code, it is laid down that the saving effected by reorganization should always exceed the cost of the pension or gratuity, but in the present instance the revision of Establishment actually caused an additional cost of Rs. 57 annually to the State.

5. Special attention has lately been drawn by the Government of India in the Financial Department,

- No. 50. From the Examiner of Public Works Accounts, dated 23rd October 1878, No. 325 W.
No. 50-A. From do. do. do. dated 4th August 1879, No. 104 W.
No. 50-B. From the Superintending Engineer, First Circle, dated 6th September 1879, No. 932 K.S.

No. 51. ORDER THEREON, 24th October 1879, No. 2,687 W.

THESE papers have reference to the claims to pension or gratuity of certain men employed as Channel Superintendents, &c., on the Conservancy Establishments of the Kistna District, who were thrown out of employ in the revision of establishments sanctioned in G.O., No. 36 L., dated 14th January 1878. In Proceedings No. 426 L., dated 20th May 1878, the Government resolved that the pension, &c., applications of such of the disestablished men as could not be re-employed and were entitled to

Muttum Sreenivasa Row.
Kumarayuguda Krishniah.
Simhuhri Reddi.

pension should be dealt with under the rules. Pension applications have accordingly been submitted for the three Channel Superintendents marginally noted.

2. With reference to these applications the Examiner, Public Works Accounts, brings* to notice that under Section 59, Rule 6 of the 4th edition of the Civil Pension Code, the claims to pension are

inadmissible, inasmuch as the revision of the establishment resulted in no saving to Government, but actually caused an additional cost of Rupees 57 annually to the State.

3. But His Grace the Governor in Council agrees with the Superintending Engineer in considering this rule inapplicable to the men in question, inasmuch as they have been declared by medical authority to be physically unfit for further service, and would therefore have been entitled to pension independently of the revision of establishment.

4. Under these circumstances the Examiner is authorised to deal with these applications in the ordinary course, provided that they are all supported by the requisite medical certificates.

5. The cases of the other thirteen men who were thrown out of employ, and whom the Superintending Engineer describes as unfit for further service of any kind, should be similarly dealt with, and a pension or gratuity granted them according to each man's service in the department.
