Remarks by Examiner Public Works Accounts.

The applicant's services from 1st April 1857 to 31st March 1878 have been duly verified from the records of this office with the exception of the following pe viz (a) 1st June 1862 to 30th June 1863 during which period the Conservancy Establishment charges do not appear to have been audited by the Public Works Department, (b) 1st April 18 to 31st March 1865 during which pe the pay of the said Establishment is shown to have been passed in lump sums. They have however been verified from the records of the Divisional office vide enclosure to Superintending Engineer late Kistna District No 33 dated 11 January 18 (Copy attached).

Under G. O. No 426 I dated 2 May 1878 (copy attached) Government in the Public Works Department dispensed with the applicant's services (as well as those of others) with effect from 31st March 1878 on revision of the Conservancy Establishment of the Kistna District and directed that applications for pensions or gratuities submitted on behalf of those entitled to either should be dealt with under the ordinary rules. But this office in letter No 3237 dated 23rd October 1878 (copy attached) pointed out to Government that the pensions in question necessitated an annual increase of Rs 57 over the original cost of the Conservancy Establishment and that therefore no compensation gratuity or pension could be granted to retiring members upon the ruling contained in Section 50, rule 5 (now Section 59 rule 7) Civil Pension Code and solicited further orders on the subject on this, Government in G. O. No 2687 W dated 24th October 1879 (copy attached) ruled that the applicant's case (as well as those of others) should be dealt with under the ordinary rules of the Civil Pension Code provided a Medical Certificate is submitted in support of each application.

A Medical Certificate is he-
rewith submitted in support of the
incapacity of the applicant dated
4 June 18[illegible] after a lapse of a year
from the applicants relief on retirement.
This is owing to the Correspondence
which took place between this Office
the Superintending Engineer late Kistna
District and Government on the
subject.

Certified that I have carefully examined Simhadri Reddiah son of Simhadri Venkataswamy, Channel Superintendent, Kistna District, first Range. His age is by his own statement 56 years and by appearance about 60 years. I consider Simhadri Reddiah to be completely and permanently incapacitated for further service of any kind, in the Engineers Department, to which he belongs, in consequence of old age and natural infirmity. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Copy of letter No. 525 W dated 23rd October 1878-
from the Examiner Pub. Works Accounts Madras
to the Secretary to Government P.W.D. Madras.

I have the honor to forward herewith for special orders the Pension Applications of (1) Muttam Sreenrappa Row (2) Kumarazugada Krishniah and (3) Sunkadu Reddi, late Channel Superintendents Conservancy Establishment Kistna District.

2. The Kistna Delta Conservancy and Navigation Estimate was revised last January and the revision approved of in G.O. No. 236 I dated 14th Jany 1878. From para 2 of this G.O. it will be observed that the revision anticipated an annual increase of Rs 95 over the cost of the original Establishment though resulting in the dismissal of 19 Channel Superintendents.

3. In G.O. No. 426 I dated 20th May 1878, Government ordered that the Pension Applications of those who could not be re employed and who were entitled to Pension should be promptly dealt with under the rules. In accordance with these instructions the District Engineer has submitted the application under reference.

4. In Section 54 Rule 5 of the Civil Pension Code it is laid down that the saving effected by a reorganization should always exceed the cost of the pensions or gratuity

but

but in the present instance, the revision of estimate actually caused an additional cost of Rs 5/ annually to the State.

5. Special attention has lately been drawn by the Government of India in the Financial Department, vide Proceedings of the Madras Government P.W.D. noted in the margin, and the Government of India have in strong terms deprecated the submission of applications for pension for persons discharged from the Public Service on reduction of Establishment when the discharge does not result in any saving to Government.

6. Under these circumstances, I shall feel obliged if you will favor me with Government Orders as to how these applications are to be disposed of.

Read the following papers :—

No. 93. Read again G.O., No. 309 I, dated 9th April 1878.

No. 93-A. From Major J. O. HASTED, R.E., Superintending Engineer, Kistna, to the Chief Engineer for Irrigation, dated Masulipatam, 24th April 1878, No. 13.

WITH reference to G.O., No. 309 I, dated 9th April 1878, I have the honor to forward, herewith, a list of the Channel Superintendents thrown out of employ on the 1st of this month.

2. Of the whole number 19, 9 are entitled by length of service to pension of one-third of their pay, the others are entitled to no pension, and the last two having been appointed with the understanding that Channel Superintendents were shortly to be done away with, have no claim whatever.

3. Before reducing these men I called for reports on their qualifications from Divisional Officers, and discussed personally with those officers the claims of each Channel Superintendent. Of the whole number* only eight† were considered fitted for such employment as I could offer them, and these men were made Maistries, Lock Superintendents, Head Lascars, and Assistant Clerk. Only three of those on the list know any English, but the younger men would do as temporary Gumastahs on works, and I have requested Divisional Officers thus to employ them.

4. I think it is not advisable to re-employ the older hands among those reduced, and would pension those who are, by length of service, entitled to pension. Among the younger men who may be employed in temporary situations, some may become qualified for permanent situations, as maistries, &c., and if so, can be provided for.

5. It is certainly hard on the men reduced to lose pay at a time when the necessaries of life are so expensive; but they have all been aware for a long time that a revision of the Conservancy Establishment was to be introduced, which would cause their reduction, and therefore the hardship is not so great as would at first sight appear. Rather than continue to employ a class of men considered to be unfit for the work entrusted to them till easier times come, I would propose to give a special compensation, say 3 months' pay, to each man who would not be re-employed in addition to the pension or gratuity that he may be entitled to, or else to allow the claim of each man to the next higher class of pension than that his service would entitle him to.

List of Channel Superintendents in Kistna District abolished consequent on the appointments of Delta Superintendents.

Read the following papers:—

No 50 From the Examiner of Public Works Accounts dated 23rd October 1878 No 595 W.

No 50.A From Do Do dated 4th August 1879, No 104 W.

No 50.B From the Superintending Engineer 1st Circle, dated 6th September 1879, No 932 K.S.

No 51 Order thereon, 24th October 1879, No 2687 W.

These papers have reference to the claims to pension or gratuity of certain men employed as Channel Superintendents, &c, in the Conservancy Establishments of the Kistna District, who were thrown out of employ in the revision of establishments sanctioned in G.O., No 36 I, dated 14th January 1878. In Proceedings No 426 I, dated 20th May 1878, the Government resolved that the pension, &c, applications of such of the disestablished men as could not be re-employed and were entitled to pension should be dealt with under the rules. Pension applications have accordingly been submitted for the three Channel Superintendents marginally noted.

* * *

* * *

Simhadri Naidu

2 With reference to these applications the Examiner

Examiner Public Works Accounts brings* to notice that under Section 59. Rules 6 of the 4th edition of the Civil Pension Code, the claims to pension are inadmissible, inasmuch as the revision of the establishment resulted in no saving to Government, but actually caused an additional cost of Rupees 87 annually to the State

*Vide his letter No 325 W of 23rd October 1875.

3. But His Grace the Governor in Council agrees with the Superintending Engineer in considering this rule inapplicable to the men in question, inasmuch as they have been declared by medical authority to be physically unfit for further service, and would therefore have been entitled to pension independently of the revision of establishment.

4. Under these circumstances the Examiner is authorised to deal with these applications in the ordinary course, provided that they are all supported by the requisite medical certificates.

5. The case of the other thirteen men who were thrown out of employ, and whom the Superintending Engineer describes as unfit for further service of any kind, should be similarly dealt with, and a pension or gratuity granted them according to each man's service in the department.
