The applicant's services for the period from 1st October 1856 to 31st March 1878 have been duly verified from the Audit registers on record in this office with the exception of his services from 1st June 1862 to 30 June 1863 during which period the pay of the Conservancy Establishment does not appear to have been audited in the P. W. Department and from 1st April 1864 to 31st March 1865 during which period the pay of the Establishment is shown to have been passed in lump sums. They have, however, been verified from the records in the Divisional office and consequently classed as qualifying.

The applicant was pronounced unfit for further service by the Zillah Surgeon Masulipatam on the 11 February 1880 while he was finally relieved of his duties on retirement on the 31st March 1878. The circumstances that led to the medical certificate bearing a later date are as follows:—

Government in their order P.W.D. No 4263 dated 20 May 1878 directed the revision of the conservancy Establishment of the Kistna District in which the services of the applicant along with others were dispensed with on reduction of Establishment. As the revision of the Establishment resulted in an annual increase of Rs 57 over the original cost of the Conservancy Establishment, this office pointed out that under the ruling continued in section 57 Rule 6 of the Civil Pension Code, no compensation could be granted to retiring incumbents. In their order No 2657 W dated 24 October 1879, Government ruled that the applicant's case as also those of others similarly situated should be dealt with under the ordinary rules of the Civil Pension Code provided a medical certificate of unfitness is submitted in support of each application. Copies of correspondence referred to in this paragraph have already been furnished with this office letter No 191 P dated 12 June 1880 forwarding the papers of Sikunna Beg late Channel Superintendent Kistna.
