My Lord

With humble Submission I respectfully request that your Lordship will grant me permission to address your Lordship these few lines and graciously excuse me the liberty of thus intruding on your Lordships most valuable moments.

About 35 years ago I was entertained as church las at Jalnah when Revd Rodges was the Chaplain of that Station and ever since served under several Chap with the greatest diligence and fidelity to their entire Satisfaction. In reply to copy of letter, ~~from~~ A.D.K. 642, from the Offg. Assistt. Accountant General, received by me from you on the 1st of last month I beg to forward you the following for transmission for the information of the Accountant General.

I should have replied before, but I have been very busy. I have had some difficulty in arranging a meeting with the applicant for pension, who has been ill and is infirm, and I have been hoping to get some further information to facilitate my reply to the numerous and lengthy questions forwarded to me for information.

To refer to the questions for which answers are required for the final disposal of the application for

pension as requested in letter
referred to on other side

To this I have added all that I can
give further. Question 2
No service book was maintained;
I have never heard of one being " 8
maintained for church porters;
the applicant received no last pay
Certificate.
He was dismissed by the Lay Trustee " 9
when there was no Chaplain at
this station - the Chaplain ap-
pointed afterwards was only
here for a short time, but when
the Lord Bishop came, the appli-
-cant doubtless thought it was
a good time to make an appli-
cation - and did so.
I forward the affidavit of the
applicant. I send another certifi- " 18.

ready submitted.
I have added a few more " 19.
personal remarks.
During the years referred to
the applicant did receive only " 23.
Rs 5.4. per mensem, as stated to
be on record at the Accountant
General's office

Question 24 Affidavit forward as mentioned
on other side. In reply to-
15-a The applicant was in permanent
employ.
b. There was no break in the con-
-tinuity of his service nor was
he ever absent on leave
21. The nature of my investigation
has been, the examination of
applicant's testimonials,
conversation with those who
knew him during his period
of service - which cannot be
verified because there are no
office records in existence
respecting the applicant.

Question 25 The applicant's removal was due
to inefficiency owing to old age
and infirmity - No medical certifi-
-cate was given at the time of his
removal, but he has been exa-
-mined by a medical officer here
and I send a certificate with this.
I am unable to say why the re-
26 turns referred to in the question
were not forwarded, as I was not
chaplain of this station during
such period.
Trusting this additional information will meet
all that is required I am Sir

Sir

I should have replied before to your letter No ADR (42) (from the Accountant General) but I have been very busy and those from whom I thought it possible I might get further information, have been away from the Station -

I can add but little to the particulars already given. I however append the following, part of which I have also added under the headings in the form now returned,

2/8 "I regret to say that I find no History of service in the Records of this Chaplaincy and not having been Chaplain here during the Applicant's service, cannot give explanation respecting it"

9 I am informed that the applicant did apply at the time of his dismissal on account of ill health, but then Lay Trustee told him, he believed that as a non-combatant servant he was not entitled to a pension -

18 "I have only further to state that I consider the applicant deserving of pension and

clear to admit of its being granted"

Thin emaciated appearance, Grey hair, Grey eyes, brown Skin. 19

I am unable to state why the applicant's pay from 1861-65 was Rs 5-4-" since then its has been Rs 7-" ". 23

I send all the certificates I have 24

(a) In reply to this note I have every reason to believe from verbal information received from person here that the applicant was in permanent employ of Government 15

(b) In reply to this note I believe, that (1) there were no breaks in the continuity of his service.

2 That he never went on leave.

In reply to this I have made careful enquiries here respecting the applicant & feel justified in recommending him strongly for pension - The reason why all the information required cannot be given from Official records is, that such records do not exist. 21

He was removed owing to incapacity 25

He received no Medl Certificate at the time, but I enclose one relating to his present condition from the medical officer here. I have also stated opposite Nos on 3rd page of application that the man was too old for further employment, as well as diseased.

26 Not being Chaplain here during the period I cannot answer this question there being no records.

My dear Archdeacon

I have been so worried and so busy since I came to this station, that I fear some-things that ought to have had my attention, have been neglected, here is one at any rate.

I gave the enclosed petition to the Lord Bishop when he was here, and he wrote upon it the two questions you see thereon in pencil.

The first I am unable to answer; My reply to the second is, that he has no relatives, but a son who is married in an Infantry Regiment away from here and his pay does not enable him to support his father.

The Bishop desired me to lay the matter before you, and at last I now do so and I much regret that it has escaped my attention so long.

I send you copies of three testimonials and a letter in the original about the man from the C.M.S missionary here kindly return this when you ~~make~~ write me on this subject.

CERTIFIED that subject to the remarks ~~below recorded~~ recorded in the last column of the 2nd page, qualifying service in the Ecclesiastical Department is stated to have been proved for 35 years but under section 8 & 9 of the Civil Pension Code 3rd Edition the provisions of which were in force at the time of the applicant's retirement from the service in 1878 he would seem to be entitled to no retiring allowance.

Should Government however for the reasons stated in the accompanying papers be pleased to consider the case as one deserving of special consideration they may grant to the applicant an Invalid Pension not exceeding Rs 3-8-0 per mensem in the same manner as they have done in respect of certain Church Servants whose cases were disposed of in Government Order No 139 dated the 8th February 1881 Pension Department.

The great delay of nearly 2 years in the submission of the application is explained in the reply to this Office No. A.D.V./142 dated the 6th December 1880 accompanying.

In accordance with rule 3 of under section 87 the attention of Government is respectfully invited to Section 22 of the Code.
