Certified that I have carefully examined
Vengadu Son of Venkatarasu late Mas halar
in the Kalwa Dy. Sahsildar's office. His age
is by his own statement 40 years and by app-
earance about 40 years. I consider ~~that~~ ^{that} Vengadu
to be completely and permanently incapacitated
for further service of any kind in the Dep-
artment to which he belongs in consequence
of Leprosy. His incapacity does not appear
me to have been caused by irregular or
intemperate habits.

Civil Surgeon

My reasons for arriving at the above con-
clusion are that the disease having affected
his feet and hands, he is incapable of pursuing
his calling which requires the active use of both
the upper and lower extremities. In view of
this, I disqualify the fact of his being a Lep-
er disqualifies him under an order of Government
from further public employment.

Explanation under Section 59 Rule 1, so far as the Head of the Office can. Nil
I do hereby certify that Chakala Vengadu late sweeper of the District Jail Officer's Office Katim was employed for public service owing to lameness. The medical certificate of lameness granted by the District Surgeon of Putnool under Section 63 contained every detail necessary for his opinion. A certificate which opinion cannot be obtained is required in Rule 2 under the above section, as the District Surgeon is the only medical officer in Putnool who can grant such certificates - the Service Register having been kept by the applicant - a good deal of difficulty was experienced in getting his services verified, and the Service list received from the Taluk having differed from the day abstracts kept in the Putnool, a fresh list has now to be prepared from the information available in the Office and it has to be sent to the Taluk for preparation and submission of the Service Book in the printed form and for explanation with regard to certain breaks in the applicant's service. The delay in the submission of this application is partly due to the above facts and partly to the failure of the applicant to appear before the District Surgeon till recently to produce the required Medical Certificate.
