Owing to reports now and then being received in this office regarding leave of absence for a very short period to Nolkars (Peons) and such other menials the work, by issue of orders thereon, is very much increased and in many emergent cases the orders are delayed and the bulk of the records both in the Huzur and out-stations is also very much increased, you are therefore invested with the following powers with a hope that you will exercise them with discretion, otherwise you will be held personally responsible.

1. You are authorized to grant leave of absence not exceeding one month to such Dafedars or Nolkars as are in need of it without making reports on the matter. When the leave granted exceeds one week and the work cannot conveniently be carried on without a substitute being appointed, you will appoint an eligible one on $\frac{2}{3}$ of the salary.

2. You need not report every such case, but at the end of each month, submit a statement showing the names of persons to whom leave may have been granted, the period of leave granted, the date of return to duty, the grounds for overstaying leave, if any, and whether the leave granted was on substitute or otherwise.

3. When such servants commit minor offences

A monthly statement showing the amount of fine imposed and the grounds for the same will be submitted. On receipt of such statements in this office, they will be reviewed and final orders passed. On receipt of these orders the fines will be deducted from the pay of such servants. Servants will in the first instance be warned and reprimanded and not be fined before this is done and without sufficient cause.

Ushari Mania, Kothar Sheikh Boodan and two others were put upon their trial before Criminal Court as they were suspected to have been implicated in the case of unlawful possession of new Salt found with certain Salt traders, and new men were appointed in their stead. It appears from the copy of the English judgment dated 4th July passed by the Principal Sudder Amin produced by these men that they have been honorably acquitted as they were not found guilty. These men are ordered to go and appear before Mutsadi. It does not appear objectionable to reinstate these men. But the Deputy Collector thinks it desirable to tra

Approved by the Joint Secretary to Government. Secretary to the Government.

It will be seen from the history of service that the applicant was granted leave on private affairs with absolute allowance on several occasions. These have been greatly in excess of the amount admissible under Chapter 2 of the Civil Service Code. Can not be reported as "leave" as Contingent leave is not admissible under the Civil Service Code. Under the Civil Service Code it is not the Government's duty to decide whether or not periods of absence spent on private affairs should or should not be converted into leave without a Government order. It is determined on the application of the Government whether or not the period of absence should be converted into leave without a Government order. In the absence of any Government order, the period of absence will in many cases be converted into leave. In the absence of any Government order, the period of absence will in many cases be converted into leave. In the absence of any Government order, the period of absence will in many cases be converted into leave.

1. *penal 4* days; and that an *unpaid* pension of *Rs. 3 per mensem equal to 1/2 pay* not exceeding Rs. 3 per mensem equal to 1/2 pay is admissible under Section 813 of the Civil Pension Code of 1912.

It will be seen from the history of Service that the applicant was granted leave on Private affairs with alternate allowances on several occasions. These being greatly in breach of the aforesaid admissible. Under Chapter I of the Civil Service Code cannot be regarded as "other duty" because as contemplated in Section 94 of the Civil Service Code. Under these Government Rules it rests with Government to decide whether the several periods of absence spent on plea of leave on Private affairs should or should not be converted into leave without allowances. If it be determined in the affirmative, Orders of Government will be necessary for the recovery of the overpayment of the leave allowance from the arrears of any pension that may be sanctioned to him. 9/11/11
