Certified that I, Donald F. Dymott, Surgeon, have carefully examined Agathahan son of Hoemawhkan, a person of the Hottentot Sea Customs. His age is by his own statement 55 years, and by appearance about 50 years. I consider Agathahan to be completely and permanently incapacitated for further service of any kind, in consequence of defective vision. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
