From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 18th November 1881, No. 4543.

Pension Department.

With reference to your endorsement, No. 92, dated the 12th of October 1881, referring to me for report a letter from the Government of India, No. 3331, dated the 30th September last, calling for explanation in connection with their remarks on certain entries in the Statements of Pensions and Gratuities for the quarter ended 31st March 1881, I have the honor to state that the amounts of pensions and gratuities shown in the statements are those which were sanctioned by Government in their

G.O., No. 144, dated 10th February 1881.

Orders specified in the margin after consideration of each case. When reporting upon applications for pensions and gratuities this office and the Examiner of Public Works Accounts generally state what retiring allowances each applicant is entitled to under the rules, leaving Government to decide whether such allowance should be sanctioned in full or

whether any reduction should be made therein under the powers conferred on Government by the Civil Pension Code. I am unable therefore to explain precisely the causes of reduction except in the cases of Nos. 37 and 48, in both of which the reduction is due, it is presumed, to the deficiency of service to the extent of 2 months, 25 days, and 11 days respectively having had to be condoned so as to entitle to pension, and except also in the case of Mr. Jones, the entry opposite whose name of Rs. 115-5-4 is a clerical error for Rs. 115-10-8.

2. With reference to the inquiry made in paragraph 2, I beg to forward herewith copy of an application which accompanied the G.O., No. 173, dated the 14th February 1881, from which it will be seen that the Government Agent, Godavari, proposed the grant to N. Subbarayudu of a pension not more than Rs. 2 a-month, which was accordingly sanctioned by Government in the above order.

3. In reply to the inquiry made in paragraph 3, I beg to forward herewith copy of a letter received from the Controller of Military Accounts, No. 2523, dated the 3rd instant.

4. The Government of India letter under reference is herewith returned.

No 1310—

To
The Secretary to the Govt
of India F.C.

Sir,

In reply to your official
letter of the 30th September
1881 No 3331, communicating
on certain entries in
the Statements of pensions

and gratuitous for the quarter
ended the 31st March 1881
I am directed to forward
the annexed Proceedings
of this Government to
of this date and to explain
with reference to Paragraph 1 of
your letter that the reduction
therein proposed to be made
made either because
a deficiency or a break
in the service had to
be condoned, as was the
case with entries No 3747
Statement I and entry
No 45 Statement VII, or
because the service was
not wholly satisfactory
as in entry 49 Statement
I; or as in the rest of
the cases noticed by the
Government of India
for both these reasons
combined; excepting
however the case of No 7
Statement IV where the
entry of Rs 115-5-4 instead
of Rs 115-10-8 was due
to a clerical error.

2. As regards the objection
made in para 2 of your
letter, I am to inform
you that the Extraordinary
pension referred to should
have been granted under
Section 130 and
not 135 as the case was
not one of a Government
Officer, but of an individ-
ual temporarily employ-
ed as an informant
in the Rampa Disturbances.

3. In reply to para 3 of
your letter I am to state
that such pensions will
be shown in future in
Returns. They appear
to have been erroneously
omitted by the Controller
of Military Accounts.
