Copy of letter from the Superintending Engineer in Charge, to the Examiner Public Works Accounts, Madras, No 333 dated 5th November 1881

With reference to your letter No 11884 dated 21st October 1881, I have the honor to return the gratuity application of late Cascar Ramudis after duly supplying the required information against entry 4 on the 5th page of the application.

2. The services of the Cascar were dispensed with on the 3rd May 1880 under G. O. No 1008 H dated 23rd April 1881 directing to discharge at once the messenger in excess of the sanctioned scale.

3. As regards the delay in the submission of the application the Divisional Officer reports that it is due to want of statements of contemporary servants which with much difficulty have been procured from only two men although none of these statements appear to give definite information as to the date of appointment of the individual to the Department. Still there is no doubt that the man had been in the continuous employment of Government from 1860 the month and date not being known. The Service register is not definite in this point and it appears there are no records to verify it. The Cascar has however been required to produce an affidavit

affidavit for the periods for which there are no records, as well as for those for which no statements of contemporary servants are forthcoming. The affidavit shows that 1st April 1860 was the date of the Lascar's appointment to the Department.

I have the honor to return herewith the gratuity application of retired lascar Ramudu received with your endorsement No. 314 dated 8th October 1881 and to request that the same may be retransmitted to this office on as early a date as practicable with the particulars and the amount of saving accrued to Government by the applicant's retirement duly noted against entry No. 14 under "Remarks by the Head Office" on the 5th page.

2. According to the entries in the Lascars Service Book, it would appear that the applicant's pay was reduced from Rs 7/- to Rs 6/- per mensem on the 1st April 1880 in consequence of the revision of the scale of establishments ordered by Government. * In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates, and the evidence of contemporary employers, and the service claimed has been established and should be admitted or not. Section 84, Rule 6.

Section 81, June 9, 1938, of the Internal Revenue Code. The affidavit of the applicant and evidence of contemporary employees should contain information on the following points:—

- (a) whether the applicant was in *permanent* employ of Government.
- (b) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible, be specified.

be spent, until the applicant is finally relieved, when it should be accompanied by the last day's certificate of freedom from infection.

Remarks by Head of Office.

1. As to character and past conduct of applicant.
2. Explanation of any suspension or degradation.
3. Regarding any gratuity or pension already received by applicant, See Chapter XX
4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it

services dispensed with on account of reduction of establishment. It has been found possible to provide him with a suitable employment, but he has been reported by a medical officer^{as} unfit for further service on account of his unfairness, from extract of both eyes. His pay R. 6 plus R. 1 the personal allowance which would be allowed to him has been a real saving to Government.

Services claimed have been established and can be admitted. -

2. Attention is solicited to Section 22. *Certified that should Government be pleased to accept the applicants' affidavits as forwarded in support of his services which cannot be verified from Office records, qualifying service in inferior grades will amount to about 20 years 1 month and 3 days and a compensation gratuity not exceeding Rs 36/- equal to six months pay at Rs 6/- per mensem will be admissible under Section 100 and 117 (a) of the Civil Pension Code. As however the applicants' pay was reduced from Rs 76 to Rs 6/- for the same person (reduction of Establishment) for which he received a month and three days subsequently dispensed with, and as he would have, had he remained in service, received back with retrospective effect, the one paise as personal allowance, it is thought that at the discretion of Government he may be allowed a gratuity not exceeding Rs 42/- equal to six months pay at Rs 7/- per mensem. The Compensation gratuity if sanctioned is chargeable to General Revenues.*
