GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

5th December 1881, No. 1315.

Retiring Allowance.

Read the following papers:—

From the Collector of Chingleput, dated 19th July 1881.

No. A.D.J.-231.

Certificate and Report of Accountant-General.

Certified that service rendered has been proved for sixteen years, eight months, and seven days, but that no pension would seem to be admissible as the entire service was rendered in the appointment of Military Pension Clerk, which is declared to be a non-pensionable one—*vide* paragraph 8 of the Proceedings of Government, No. 452, dated 6th February 1862, Military Department, embodied in G.O., No. 291, dated the 12th idem, Revenue Department; *vide* also G.O., No. 1907, dated 19th September 1879.

2. In their Order, No. 84, dated the 23rd January 1880, Government have observed that services of the Military Pension Clerks would be considered at the time of their retirement. But the case does not seem to be one deserving of such special consideration since the applicant had earned no service in superior grade prior to his entertainment as Military Pension Clerk in March 1863.

3. Government have ruled in their Order, No. 715, dated 23rd September 1872, Pension, that the existence of leprosy is a sufficient disqualification for the public service. The applicant's removal is due to the same cause; and hence the submission of a medical certificate to prove his disqualification has not been insisted upon.

The delay in the submission of the application is explained by the Collector in his remarks opposite to No. 5 on the third page thereof.

FORT ST. GEORGE,
6th September 1881.

(Signed) M. HLA OUNG,
Asst. Accountant-General,
for Accountant-General.

To the Under Secretary to Government, Pension Department.

From J. F. PRICE, Esq., Collector of the Chingleput District, to the Chief Secretary to Government, dated Saidapet, 22nd August 1881, No. 348 [Current No. 1721].

Adverting to G.O., No. 567, dated 17th August 1881, I have the honor to submit that the petition of K. Chengalroya Naidu, late Military Pension Clerk, Collector's Office, was, as directed in Government endorsement, No. 1830, dated 25th November 1880, disposed of with reference to the instructions contained in G.O., No. 479, Public Department, dated 3rd September 1877, and that the pension application on behalf of this individual is now in the hands of the Accountant-General (sent 7th July 1881).

2. The delay in the submission of the application was, as explained opposite to column 5, page 3 of the same, owing to the difficulty of procuring from the information, required to compile the Petitioner's Service Register, which was not maintained

in this office, as he did not belong to the Regular Establishment—*vide* G.O., Military Department, No. 452, dated 6th February 1862, and to prolonged search for an order in regard to Military Pension Clerks reference, in regard to which I had at last to obtain from the Government Office.

3. The petition having been transferred to me for "disposal," no report to Government excepting the submission of the pension application through the Accountant-General on the subject was thought necessary.

4. I have disposed of the petition, received with the Government Order now under reply, by giving an endorsement to the party intimating that his claim to pension is before the Accountant-General, and that the orders of Government will be communicated to him in due course.

No. 90.

OFFICIAL MEMORANDUM.

The Accountant-General is requested to state with reference to his report, dated 6th September 1881, No. A.D.J.-231, on the pension application of K. Chengalroya Naidu, how the clerks, employed in the Collectors' Offices in connection with the payment of Military pensions, are paid, it being understood that they are no longer paid from a contract allowance,

(By Order.)

FORT ST. GEORGE,
10th October 1881.

(Signed) J. A. DAVIES,
Acting Under Secretary.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 25th November 1881, No. J.A.E.-402.

With reference to your Official Memorandum, No. 90, dated the 10th of October 1881, I have the honor to forward, herewith, copy of this office reference to the Collector of Chingleput and to the Controller of Military Accounts and of their replies, from which you will observe that there appears to be no Order of Government under which the practice of paying Military Pension Clerks from a contract allowance is to be discontinued.

2. It would appear from the Collector's letter that the salary of these clerks is disbursed by the Deputy Collector, who submits monthly an abstract bill to the Military Pay Examiner, and that officer, it is understood, debits the amounts in his accounts to Contingencies.

ENCLOSURE No. 1.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Collector of Chingleput, dated Fort St. George, 13th October 1881, No. J.A.E.-339.

On submission of the application for pension of K. Chengalroya Naidu, Government in their Memorandum, No. 90, dated the 10th October 1881, inquires how the clerks employed in the Collector's Office in connection with the payment of Military pensions are paid, it being understood that they are no longer paid from a contract allowance, I have the honor to request that I may be furnished with the necessary information and with a copy of the Government Order, if any, under which the practice of paying the above clerks from a contract allowance was stopped.

No. J.A.E.-340.

The same to the Controller of Military Accounts.

(Signed) M. HLA OUNG,
Asst. Accountant-General,
for Accountant-General.

From Lieut.-Colonel M. C. PERREAU, Officiating Controller of Military Accounts, to the Accountant-General, dated Fort St. George, 27th October 1881, No. 2451.

With reference to your letter of the 13th October 1881, No. J.A.E.-340, I have the honor to inform you that there appears to be no Order of Government under which the practice of paying the clerks employed in the Collector's Office for the payment of Military pensions from a contract allowance was stopped. Clerks of the above description are not eligible for pension under the provisions of Proceedings of Government, dated 6th February 1862, No. 452, and Government have repeatedly declined to entertain similar claims for pensions.

From J. F. PRICE, Esq., Collector of the Chingleput District, to the Officiating Accountant-General, dated Saidapet, 16th November 1881, No. 4773.

In reply to your letter, No. J.A.E.-339, dated 13th ultimo, and the subsequent reminders Nos. J.A.E.-366, dated 28th October 1881, and J.A.E.-372, noted in the margin, I have the honor to state that, after causing a close search to be made in the records of my office and inquiries in that of the Military Pay Examiner, I am unable to furnish you with any copies of orders directing the discontinuance of the practice of paying Military Pension Clerks from a contract allowance.

2. The salary of these servants is disbursed by the Deputy Collector in charge of Pensioners, and he submits monthly an Abstract Bill similar to a Miscellaneous Contingent Bill to the Military Pay Examiner, who, it is understood, debits the amount in his accounts to Contingencies.

ORDER THEREON, 5th December 1881, No. 1315.

Though it is not quite clear whether R. Chengalroya Naidu was paid from contract allowances or not, it appears that his pay was charged to Contingencies, and that he was not on the regular establishment. A retiring allowance is therefore altogether inadmissible, and he must be so informed, though the fact was in all probability well known to him during his service.

Sir,

Adverting to G. O. No. 567 dated

that the Petition of K. Chengabroya Naider,
late Military Pension Clerk, Collector's
Office, was, as directed in Government
Endorsement, No. 1830, dated 25 November
1880, disposed of with reference to the in-
structions, contained in G. O. No. 479, Public

that the Pension Application on behalf
of this individual is now in the hands

of the Accountant General (sent 7 July 1881).

2. The delay in the submission of the application was, as explained opposite to column 5 page 3 of the same, owing to the difficulty of procuring from the information, required to compile the Petitioners Service Register, which was not maintained in this office, as he did not belong to the Regular Establishment Vide G. 3. The Petition having been transferred to me for 'disposal,' no report to Government excepting the submission of the Pension application through the Accountant General on the subject, was thought necessary.

4. I have disposed of the Petition, received with the G. O. now under reply, by giving an Endorsement to the party - intimating that his claim to Pension is before the Accountant General, and that the orders of Government will be communicated to him in due course.

His Excellency the Right Honorable
 the Governor in Council Madras

 Fort Saint George.

The Humble petition of S. Chongulappa
 Naidu late Clerk Military
 Pension Dept^t Collector's Office
 Chingleput District.

Most Humbly and Respectfully Sheweth.

That your Excellency's humble
 Petitioner submitted an appeal on 5th October 1880
 and 15th July 1881 and solicited the Government
 for the sanction of either Pension or Gratuity
 for the services rendered by him for about 18
 years as a Clerk in the Military Pension Dept^t
 Collector's Office, Chingleput District, and that his
 case was referred to the Collector for report
 regarding his dismissal from the Service
 without pension, but he the Collector who came
 recently to this District delayed this case for
 about 10 months without reporting agreeably
 to G.O. dated 23^d January 1880 No 257 (Revenue
 Dept^t, Miscellaneous) and at last submitted
 a report to the Accountant General for
 Submission to Government unfavorably as

a

a support to his former endorsement made on the petition enclosed in the above appeal dated 5th October 1880. The truth of the Pensioners case regarding his claim for Pension will be known to the mercy of your Excellency if the following lines be kindly perused.

That your Excellency's humble petitioner was entertained first as an attender on Rs 10 per month in the Collector's Office, Chingleput District on 5th July 1862 and was subsequently transferred by Honorable Ellis (the then Collector) to the post of a Clerk on Rs 20 per month in the Military Pension Dept^y of the same office on 27th March 1863 without the pensioners' consent or previous warnings that he would get no pension, finding that the predecessor of your Excellency's humble Petitioner was detained here for more than 3 or 4 months from the promotion offered to him in the Pay Examiner's Office, Madras and that no one either in the office or from Inopusib applied for or consented to take up the post on account of the work then being new by its transfer from Military to Civil Department a few months ago and one Shroff having been punished in so short a time to 7 years rigorous imprisonment for a charge preferred against him in the payment of pensions.

That your Excellency's humble
petitioner

19
petitioner was forced thereupon to take up the above post and since his entertainment, he discharged his duties carefully & diligently and detected several frauds committed by the pensioners and got them punished by order of Government and also held several acting appointments in the Collector's permanent Establishment almost on full pay from Rupees 25 to Rs 35 per month and did these duties together with his own and labored much during the famine in preparation of famine accounts without availing himself of any leave whatever since his entertainment in the Office from 1862. At last he was dismissed by the Collector from the service without any fault but mere for the cursed disease called leprosy lingering in his body which now plays on him more severely by starvation than before.

That your Excellency's humble petitioner therefore submits himself most humbly & respectfully and prays to your Excellency's prerogative of mercy to consider his past 18 years service in the Government agreeably to G. O. dated 23rd January 1880 No 257 (Rev. Sept^y, Mis:) and also his pitiful circumstances suffering from the horrors of the cursed disease called leprosy and from the want of means for his existence in

in this world by his dismissal and kindly
favor him either with the grant of Pension
or gratuity though as a charity as your
Excellency's mercy may deem and thus
relieve this poor miserable creature from
the horrors of the above so as to continue
for some time ^{more} in this world in peace
and contentment by your Excellency's

States that after a long delay of 10 months, the Collector has sent Peter's pension application to the Accountant General for submission to Govt. with unfavorable remarks; but that it will be seen that he was not aware when he was appointed Clerk in the Military Pension Dept. in the Collector's Office that it was temporary as it is now alleged; that he has been removed from the Service on account of leprosy, which he says is owing to starvation since his discharge.

No 39. Read the following letter from
Lieutenant-Colonel T. Mc Ginn, Controller
Military Finance, to W. Huddleston Esquire,
Secretary to the Board of Revenue,
Madras, dated Fort Saint George, 22nd
February 1862 No 2128:—

1. With reference to paragraph 2 of
the Order of Government, No 452 of 6th
February 1862, I have the honor to offer
the following observations on the ap-
plications from Collectors for extra office
aid, to enable them to carry on the
orders of Government regarding the pay-
ment of pensions, &c.

2. The Acting Collector of Madras
applies for one Manager on Rupees 50,
and two Clerks on Rupees 15 each per
mensem; total Rupees 80 per mensem.

3. The salary proposed for the Ma-
nager appears to me too high; Rupees 30
per mensem would, I consider, be suf-
ficient; it is to be borne in mind
that Government do not authorize
separate Establishments, but extra
aid to the permanent Establishments

of Collectors, &c. - I shall be prepared to allow Rupees 60 per annum as extra aid to the Collector of Madras.

4. The Collector of North Arcot considers that the Establishments of disbursing Officers in the District should be strengthened, but he does not state what extra aid will be required. I am not acquainted with the strength of the existing permanent Establishments, nor with the work they are required to perform, and am unable therefore to form any idea as to the allowance which would be necessary in this District.

5. The Collector of Vizafapatam applied for:-

2 Clerks at Vizafapatam at 30 Rs. each
25 Rupees — } 55-0-0

1 Clerk at Vizianapuram — 40-0-0

1 Clerk at Paleondah — 40-0-0

2 consider that for Vizafapatam, 135-0-0

1 Clerk on Rupees 30-0-0 and

1 Clerk on Rupees 15-0-0 per annum would be sufficient.

1 Clerk on Rupees 30-0-0 should suffice for Vizianapuram.

1 Clerk on Rupees 15-0-0 for Paleondah

Total Rupees 90-0-0

51
6. There are only 140 pensioners, ~~for~~
at Palcondah, and the allowance hitherto
drawn amounted to Rupees 16 only, yet the
Collector proposes to give the same salary
at that station as at Vizianagaram
where there are 1500 pensioners.

7. A Clerk on Rupees 25 per mensem
might be allowed for Chicacole as pro-
posed by Mr. Pelly.

8. In the Proceedings of Government,
Revenue Department, No 191 of 4th February
1862, the application of the Collector
of Madura was referred to the Military
Department.

9. The Collector proposes the enter-
= tainment of 2 Clerks.

One on Rupees 35 and

One on Rupees 15

Total 50.

10. In accordance with preceding
remarks, I would suggest Rupees 30 and
Rupees 15 per mensem as sufficient; total
Rupees 45. It is incorrectly assumed
that, a saving of Rupees 600 per annum
would be effected by the transfer to the
Civil Authorities of the duty of paying

pensioners in his District; the Staff allowance of Rupees 10 per mensem should not have been taken into account as it is paid to the Staff Officer of the Station and will be continued without reference to the charge of pensioners &c.

11. The Collector of South Arcot, in his letter recorded in Proceedings of Government Revenue Department, 17th February 1862, No 342, applies for two clerks, one on Rupees 20 and one on Rupees 15 per mensem; there appears no objection to the allowance of Rupees 35 per mensem being authorized.

12. If the Revenue Board concur in the above remarks, I shall at once issue authority for the sums sanctioned for extra aid being included in the military disbursements of Paymasters.

13. With reference to paragraph 3 of the Order of Government, No 454 of 16th February 1862, it will be necessary that abstracts for the allowance should be supported by a statement of the number of Pensions and Family Certificates paid monthly.

39
No 40. Order thereon, 3rd March 1862 No 1432.

1. The Board feel themselves scarcely competent to express any opinion at present on a matter which is so purely tentative, but they resolve to request Colonel MacGoun to be so good as to issue the necessary orders to give effect to the proposals in paragraph 12 of his letter, as a temporary and experimental arrangement.

2. His letter and the Board's remarks will be communicated to the Collector concerned, with instructions to avail themselves at once of the additional aid thus placed at their disposal. The Collector of North Arcot will be requested to submit to the Board distinct proposals for such extent of aid to his present Establishment as he considers indispensable to enable him to carry out the orders of Government, and will support his proposals with statements to show the amount of the work to be performed.

In their Order of 1884 dated the 23rd September 1899 Pension Clerks would be considered at the time of their retirement. But the case does not seem to be one of deserving of such special consideration since the applicant had earned no service in superior grade prior to being appointed as Military Pensions Clerk in March 1863. Government have ruled in their Order of 1884 dated 23rd September 1892 Pension: that the existence of Leprosy is a sufficient disqualification for the public service. The applicant's removal is due to this and hence the same.

The delay in the submission of the application as explained by the Collector in his remarks should be for 3d page thereof.
