Read the following papers :—

From the Collector of Chingleput, dated 29th September 1881.

No. A.D.J.-365.

Certificate and Report of Accountant-General.

Certified that service, after deducting leaves and interruptions, amounts to sixteen years, ten months, and eight days ; but that no pension would seem to be admissible as the entire service was rendered in the appointment of Military Pension Clerk, which is declared to be a non-pensionable one—*vide* paragraph 8 of the Proceedings of Government, No. 452, dated 6th February 1862, Military, embodied in G.O., No. 291, dated the 12th idem, Revenue, and G.O., No. 1907, dated the 19th September 1879.

2. In their Order, No. 84, dated the 23rd January 1880, Government have observed that service of the Military Pension Clerks would be considered at the time of their retirement. But the case does not seem to be one deserving of such special consideration since it has not been proved that the applicant had earned any pensionable service prior to his entertainment as Military Pension Clerk in January 1862.

3. In the third page of the application the applicant's removal is stated to be due to dismissal on grounds of general negligence and incompetence, and his character and past conduct reported to be "indifferent." These points have not been discussed, on the presumption that no retiring allowance would be granted to him.

4. The delay in the submission of the case is explained by the Collector in his remarks opposite to No. 5 on the third page of the application, and the further delay in its disposal by this office is due to the expectation of the result of the reference made to the Collector of Chingleput in connection with the memorandum from the Under Secretary to Government, No. 90, dated the 10th ultimo (*vide* this office letter, No. J.A.E.-404, dated the 25th November 1881).

Persons.—Declining to grant any retiring allowances to Peernadiah Seelraj a Madalian, late Military Pension Clerk, Collector's Office, Coimbatore.

CURRENT No. 2630.

To

The Right Honourable Mount Stuart,
Elphinstone. Grand Duff. Governor of
Madras.

The humble petition of P. Soobbaroy
nuzely, late military pension clerk
Chingleput Collector's Office, Chingleput
District.

Most humbly Sheweth.

That your humble petitioner was employed in the
Public Service for a period upwards of 27 years and was on
dismissed from the Service a year ago. I was thrown
out of employ on the plea that I am inefficient,
and aged. Our (Military Pension Dept. Clerk's) service was not
counted for pension since it is stated that our own
establishment was temporary. I have applied to the
late Governor, requesting him to grant me either
gratuity or pension. The endorsement given to
me was that I should appeal through the Sd.
I have herein submitted for your Lordship's
perusal and favourable consideration the whole
correspondence, regarding my dismissal from the
Public Service, & crave your honor will be
pleased to do me justice to the poor & helpless
man like myself who have to protect a large
family consisting of about 12 members. If your

Lordship do not take into ^{your} kind consideration the petitioner's
 grievances, the whole family will be obliged to give their
 life up, being unable to pass any further. The sole
 object of the Collector was to destroy me and not
 to do justice which is generally the case in him.
 After my dismissal from the service, I requested
 the Collector to favor my son at least with
 any place to enable me to live there by. As the
 Collector issued orders to the Treasury or Collector
 Mr. Bennett to look after my son. The said T.S.C.
 wanted my son to be as a volunteer. Accordingly
 he volunteered for a period of two years and held several
 acting appointments. At last when he (my son)
 was holding an acting appointment in the English
 Record Room for a period of six months, the permanent
 incumbent who was acting for Mr. Shroff's place in the
 Treasury, was made to act for the said Shroff's place,
 as the permanent Shroff breathed his last in the
 month of October 1887. The said vacancy without
 giving it to him, & entrusting to some other man overlooking
 his services for the last two years through the mis-
 interpretation of the Mr. Hoozoor Sheristadar
 & the permanent English Head Clerk, on the
 plea that he did not use to go to him (the clerk)
 during private hours and work there. I have herein
 Submitted

Submitted the several applications given by
 my son to the collector at intervals when vacancies
 occurred, & the orders issued on them for your
 Lordship's perusal and favourable consideration.
 The said vacancy was not as yet permanently filled.
 I therefore most humbly & respectfully crave your
 gracious honor to offer my son the last vacancy
 that may fall in the arrangement either in
 the Local Fund branch or in the Imperial service.
 For this act of kindness and charity I shall
 as in duty bound ever pray to God for your
 honors long life and prosperity.

I beg to remain, most respectfully,
 Your most obedient & humble
 servant

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Indifferent. Lazy and disposed to be insubordinate.
2. Explanation of any suspension or degradation. Was suspended for 2 months and 14 days for disrespectful conduct towards his superior the Deputy Collector. Copies of orders will follow.
3. Regarding any gratuity or pension already received by Applicant. See Chapter XIII. None.
4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it. None.

5. Any other Remarks.

The applicant was dismissed on the 13th August 1880 for general negligence and incompetence. He is, therefore, under Section 51 C.S. entitled to no pension. Moreover, it has been more than once ruled that the appointment from which he was removed is non-pensionable vide G.O. Military Department No. 452 dated 6th February 1862 and G.O. Financial Department No. 1907 dated 19th September 1879. But as the Government have directed in their orderment No. 1830 dated 25th November 1880 that he claim to pension should be submitted for their orders, this application has been prepared and sent up.

2. The Service Register herein enclosed has been compiled with reference to the information available from the Records of the Pay Examiner's Office at Madras. A copy of a letter addressed to that Officer on the subject accompanies.

3. Soobray on Mudley states that prior to his entertainment in 1862 in the office as Military Pension Clerk, he held a similar post at Ponnammallee under the Commandant of that Station. He has documentary evidence to prove this. To satisfy the requirements of Section 127, Act 4 C.S.C. a reference was made to that officer and letter No. 1878 dated 8th September 1881 from the Controller Military Accounts which forms an enclosure to this application was thereby borne out by the Records; and even if it was he is debarred by Section 67 C.S.C. from counting that portion of the service as qualifying. No affidavit under Note 5 of the same Section, had therefore be taken.

4. The applicant was paid from the Major Treasury, his salary Bill having been signed by the Deputy Collector in charge of Seniors. These Bills were finally audited by the Military Pay Examiner. His salary, which was treated as a contingent charge, and which was of fluctuating character, was debited in the Treasury Account of the District to the Military Department. His last Pay certificate is herewith forwarded.

5. Copies of such orders touching the creation of the appointments of Military Pension clerks as are forthcoming in this office have already been furnished to the Accountant General with a reply No. 3433 dated 20th August 1881.

6. The cause of delay in the submission of this application

is the same as that given in Collector's No 2731 dated 19th July 1881, para 2 Col: 5 page 3. The specific opinion of the Head of Office whether the service claimed is established and should be admitted or not. (See Rule 6 under Section 127) Service claimed has been established by records, but cannot be admitted as basis of it until for review.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

SIGNATURE.

No 365 Certified that service after deducting leaves and interruptions amounts to 16 years 10 months and 8 days; but that no pension would stem to the applicant as the entire service was rendered in the appointment of Military Pension Clerk which is declared to be a non-pensionable one. Article para 8 of the Proceedings of Government No 452 dated 6th February 1862, Military embodied in G.O. No 291 dated the 12th June 1862 and G.O. No 1907 dated the 19th September 1879.

In their order No 84 dated the 23rd January 1880, Government have observed that service of the Military Pension Clerk would be considered at the time of their retirement. But the case does not seem to be one deserving of such special consideration since it has not been proved that the applicant had earned any pensionable service prior to his entertainment as Military Pension Clerk in January 1862.

In the 3rd para of the application the applicant's removal is stated to be due to dismissal on the ground of General negligence and incompetency, and his character and past conduct reported to be "different". These points have not been discussed, on the presumption that no retiring allowance would be granted to him.

The delay in the submission of the case is explained by the Collector in his remarks opposite to para 5 on the 3rd para of the application, and the further delay in its disposal by this office is due to the expectation of the result of the reference made to the Collector of Chingleput in connection with the Memo from the Under Secretary to Government No 90 dated the 10th October 1880.
