Finance & Comptroller.

Sir,

In reply to your office
letter of the 19th September 1881
No. 3111 I am directed to
explain the circumstances
~~connected with the application~~
~~which took place in connection~~
with the grant of a Compen-
sation pension to Subachari
late Shrivastava
and Nagar Sub. Court
Oudhore.

2. It will be seen
that Subachari was thrown
out of employ on the 31st March
1879 when the Nagar Sub-
Court of which he was Shriv-
astava was abolished on the
beginning of 1879-80. Finding

Remained

however he had only 6 months to serve to qualify for $\frac{1}{2}$ pension the High Court recommended his retention apparently in view to his completing the extra service. The Govt. however sanctioned his retention in general terms and Subhachari was appointed temporarily on the 5th September 1879 to be Sheristadar and Nazir of the Cuddalore Sub. Court drawing half pay, in which post he was confirmed on the 13th Nov^r following on No 100 per mensem on the understanding that he should vacate office on the completion of 25 years service.

3. The High Court on 1st Sept^r 1880 (letter No. 1604) pointed out to Govt. that they

Memo 201751 J. 6. Sept 80

they considered "the time had now arrived when P. Subhachari should be called on to retire," and they submitted a letter from the District Judge at whose instance they had addressed Govt. in which detailed the circumstances of the case and from which it was evident Subhachari's retirement was sought not because he was physically or otherwise unfit but because it was understood his re-employment had been sanctioned merely in order that the half pay pension might be earned. On this an official memo was sent to the Dist. Judge of Cuddalore pointing out that unless Subhachari was incapable of performing the

the duties of his office it was
against the Rules of the Pension
Code to require his retirement
merely because he had com-
pleted qualifying service. To
this the District Judge replied
(11th Sept. 1880 N^o 8) that
Subhachari was still fit
for duty but that his case
was in reality the case of a
thrown out officer given six
months' grace.

4. The Accountant Genl.
to whom the District Judge's
letter was referred replied
(5th Oct. 1880 N^o 12358) that
while there was nothing
in the G. O. of 9th May 1879
limiting retention to six
months it rested with
Govt. to decide whether
Subhachari should be re-
tained longer or not. The
Govt. in the Judicial Dept.
thereupon

GO. 18th Oct. 1880 No 2491

11.13. 1880
thereupon directed Subhachari's
retirement.
5. The question of the
retiring allowance to be
granted to Subhachari
then came to be considered
in the Pension Dept. on a
full consideration of all
the circumstances of his
case the Govt. considered
him entitled to the retiring
allowance he had earned
and accordingly sanctioned
the grant to him of a
compensation half pay
pension. I am now however
to inform you that this Govt.
having ordered Subhachari's
reinstatement in the service
upon a consideration of the
difficulty raised regarding
his pension and upon a
recent Memorial from
him, addressed to the Govt.
of

of India through this Govt.
submitting his claim to
restoration; they have ^{further} in the
annexed copy of their Pros.
in the Pension Dept. cancelled
their former order granting
him a half pay pension, the
subject of the present reference,
and granted him in lieu
thereof a compensation in
pension of Rs 30 equal to
one-third of his pay to which
he was entitled when thrown
out of employ on the 31st
March 1879 - so that he may
draw the same for the two
periods he has been un-
employed since that date.
