The Secretary to Government  
I have the honor to acknowledge the receipt of your letter of the 11th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. I am employed in the establishment of the Imperial P.W. Dept. but was compelled to resign my appointment and to take up Pension and Bonus under the terms of Resolution of the Government of India No. 2079 dated 31st July 1879. I was relieved of my duties on the 28th February 1880. I have been allowed to draw Compensation Pension at Rs. 22 per month in addition to the Special Bonus of 12 months pay (Rs. 720) vide G.O. No. 117 dated 5th February 1881. While my case was pending before Government I took up the present appointment as Clerk in the temporary establishment on a salary of Rs. 30 (an amount equal to half of that I was formerly drawing) under the orders of Captain Murray R.E. the Superintendent of the Bangalore Canal and that officer has deposited a sum of Rs. 400 in my name. The final orders of Government are received on my application for Pension and Bonus. I am, Sir, very respectfully,  
Your obedient servant,  
G. M.

Local Fund Dept. have no objection to their salaries. Rays that orders may be passed for the payment of his Pension & Bonus, & if necessary for that purpose, he may be allowed to resign his present post.

Bringo to notice that he was compelled to resign his former appointment of Labuk Overseer under the terms of the Resolution of Govt of India N 2079 of 31<sup>st</sup> July 1879, and was granted a Pension of Rs 22 a month & a special Bonus of Rs 720 vide G.O. N 117 of 5<sup>th</sup> Feb 1881; that while his <sup>pension</sup> case was pending before Govt, he took up his present appointment as Clerk in the Temporary Toll Establishment on the Buckingham Canal on a salary of Rs 20, (which is only one-half of his salary as Overseer); that the said Toll establishment is now considered permanent & the payment of the said Pension & Bonus has been withheld; that as he had no means of maintenance he was obliged to accept the appointment which he understood a temporary one; it will be very hard if he should remain in his present post forfeiting his Pension & Bonus, while several of his servants employed in the Local Fund Dept have been drawing their Pension in addition to their salaries. Prays that orders may be passed for the payment of his Pension & Bonus, & if necessary for that purpose, he may be allowed to resign his present post.

deposited the amount and got the Temporary appointment. I had no means of support. I was therefore obliged to accept it. By holding the present appointment I am forborne my Pension and Bonus, I would respectfully request that Government may be pleased to direct me to resign the post with the benefit of my Pension and Bonus to which I am legally eligible.

I further beg to state that I have already forwarded to the present Executive Engineer, Buckingham Canal, the Government orders which I received from the Superintending Engineer to. All my contemporaries are drawing their Pension in addition to their pay while I am not only without Pension but also deprived of the benefit of the Local Fund Department of I was not made to understand that it was a temporary one, which is now proved to be a permanent one. It will be a very hard case for me if I am to remain in the post losing my Pension & Bonus. I beg therefore to solicit Your Honor will be graciously pleased to order the payment of my Pension and Bonus which is withheld owing to my re-employment on the Buckingham Canal. I am which act of kindness, I as in duty bound shall ever pray.

However, I want

is also reported to state  
that the applicant's present

Is it the case

1. What was meant by "of a  
permanent nature" <sup>with reference to temporary</sup>  
<sup>was exactly as</sup> ~~employment~~ <sup>employment</sup>  
<sup>which</sup> had no fixed termination,  
but which could be terminated at  
any time, or on the other hand might  
never be terminated. However, the  
man's exact position will now be  
ascertained from the Ex & R. W. G. G.  
by means of his reply put up.
2. The Buckingham Canal Establishment  
is not paid from Local Funds. Phases

I have the honor to forward  
the enclosed letter which I have  
received from P. Ramaswamy  
Mudaliar on the subject of the Pension  
and bonus granted <sup>him</sup> in G. O. No 117  
of the 5<sup>th</sup> Ultimo.

2. The employment he has  
at the Toll Establishment is  
Temporary, and does not entitle  
him to any further Pension or  
Bonus.

3. The very terms on which  
these Toll Establishments are sanctioned  
show that Government contemplate  
the eligibility of Pensioners to hold  
the appointments, the object being  
to procure the services of men at  
low rates of pay on whom they

have <sup>some</sup> hold for the posts which involve considerable pecuniary responsibility.

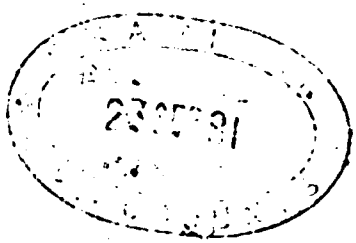

4. From the first paragraph of L.O. No. 1809.W. of the 29<sup>th</sup> July 1880 it is also clear the P. Ramaswamy Mudaliar is entitled to his Pension in addition to his pay, for his pension and pay together only amount to Rupees 52 while his former pay was Rupees 60.

5. I trust <sup>that</sup> you will order the immediate disbursement of the pension and bonus due to P. Ramaswamy Mudaliar as it is already a very long time since his retirement.

FROM THE ACCOUNTANT GENERAL  
TO THE GOVERNMENT OF MADRAS,  
To ALL COLLECTORS, PRESIDENTS OF LOCAL  
FUND BOARDS, AND TREASURY OFFICERS.

SIR,

With reference to this Office Telegram, dated the 10th June 1880, directing the stoppage of payment of pensions to all those Officers of the Public Works Department, who had retired from the service under the terms of the Resolution of the Government of India, Department of Finance and Commerce, No. 2,079, dated 31st July 1879, and obtained re-employment under Local Fund Boards, I have the honor to state that the Government of India, in their Telegram, dated the 17th August 1881, embodied in Proceedings of this Government, No. 1,503, dated the 18th idem, have decided that Local Fund Salaries of the above-mentioned class of Officers may be received by them without reference to pension or bonus, and that deductions already made should be refunded with interest at 4 per cent. per annum. I request, therefore, that you will be good enough to disburse all pensions that have been withheld, and refund all sums that have been deducted on account of interest on bonus under the authority of this Office Telegram, dated the 10th of June 1880, together with interest thereon at 4 per cent. per annum. In doing so, the following instructions should be strictly attended to:—

- (a) Interest on sums recovered on account of interest on bonus will be allowed from the date of such recovery.
- (b) Interest from the 10th June 1880 will be allowed on all pensions, due on that date. Interest on pensions thereafter falling due, will be allowed from the date on which each pension fell due.

- (c) Interest on pension and on bonus deductions will be allowed up to the date of communication of this Circular to each Officer concerned, or up to the 31st instant, whichever date is earlier.
- (d) The refund of any Interest deducted under instructions contained in this Office Circular No. XLII, dated the 14th December 1880, should be debited to "3. Refunds and Drawbacks, Sub-head Miscellaneous Refunds—Superannuation," and the 4 per cent. Interest to "2. Interest on Service Funds, &c., Interest on Miscellaneous Account."

To

Sir,

With reference to Mr. Under Secretary  
Dames' memo no. 6 dated the 30th August 1881,  
requesting me to give a reference to the order  
denying to the man who retired from the service  
under the terms of Government of India  
Resolution no. 2079 dated the 31st July 1879  
Financial, the concession of drawing pension

do not exceed the pay of the former appoint-  
ment. I have the honor to refer you to para 3  
of the Order of the Government of India no. 22620-  
2641 E. G. dated the 21st November 1879  
Works Department and the Resolution of that  
Government in the Department of Finance and  
Commerce no. 1707 dated the 15th July 1880, in  
which you will observe it is laid down that  
if any of the Officers who retired under the  
terms of Resolution of July 1879 obtained

re-employment under a Native State, Municipality or Guaranteed Railways or other public bodies connected with Government, whether such re-employment was in qualifying or non-qualifying grades, his pension or bonus should not be paid, until he finally abandoned all public employ in India. In conformity with these instructions the payment of the pension and bonus of P. Ramaswami Mudali, the person alluded to in the Memo under acknowledgment was stopped.

The Salary Bills of the Establishment of the Buckingham Canal are not audited by this office, I am unable therefore to state precisely what the exact position of Ramaswami Mudali is in the above Establishment.

In conclusion I beg to add that in supersession of all previous instructions, the Government of India in their Telegram dated the 17<sup>th</sup> August 1881, embodied in Proceedings of this Government N<sup>o</sup> 1503 dated the 18<sup>th</sup> Idem, Financial, have authorized the payment of Pensions and Bonuses due to those Officers who obtained re-employment under Local Fund Boards in arrears from date of stoppage. Accordingly all the

Collectors have been requested to arrange for the immediate disbursement of such pensions & under this Office Circular N<sup>o</sup> XXXIV dated 25<sup>th</sup> August 1881 accompanying. This Office will not however be prepared to adjust Ramaswami Mudali's claim for Pension & as the cost of the Establishment of the Buckingham Canal, in which, he is employed, is debitable to Public Works Department Provincial Services and not to Local Funds.

2. Note

This seems to me  
a particularly hard  
case.

The man has been  
granted a compen-  
sation pension of  
Rs 22 (and a bonus)  
under the Resolution  
of the Govt of India  
of 31 July 1879 No  
2079 but is not  
allowed the bene-  
fit of it because  
he has accepted  
temporary employ-  
ment as a Toll  
Superintendent  
on the Buckingham  
canal.

His former pay  
was Rs 60. He draws  
now Rs 30 so that  
with his pension  
his total emolu-  
ments w<sup>d</sup> be less  
than he drew

before his retirement.

If he had retired under the ordinary rules for competent pensioners he would be entitled to 19 on re-employment to draw so much of his pension as would raise his new salary together with pension to a sum not exceeding his former salary.

Thus by being forced to retire on a special pension he is in a worse position than if he had retired on an ordinary pension.

Is it any use asking the Govt of India to modify their Resolutions

vide Accountant General's letter d/12 April 1887 No J.A.R. 19  
Section 177 Civil Pension Code 5th Edition

Tranaph Andrews  
22 March 1887  
No 3428

59/ of 21<sup>st</sup> November 1879 so as to allow Section 177 Civil Pension Code to have effect in such cases? or to allow a pension calculated on the ordinary rates?

The man's present employment is temporary, not entitling him to any further pension or bonus. In this respect he is no better off than Local Fund employees who under the recent ruling are allowed the benefit of pension as granted in compensation on retirement.
