GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Acting Under Secretary to Government, dated 28th October 1881.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 16th November 1881, No. A.D.J.-344.

Certified that qualifying service in superior grades has been duly proved for twelve years, one month, and twenty-seven days, and that, subject to the remarks below recorded, an invalid gratuity not exceeding Rs. 360, equal to twelve months' pay, is admissible under Sections 102 and 109 (a) of the Civil Pension Code (5th Edition). The calculations have been duly verified. It will be seen from the history of service that the applicant had served in a superior grade for a period of ten years, one month, and six days, viz., from 1st February 1857 to 6th March 1867, on which latter date he resigned his appointment, and was, in consequence, without employ for a period of six months. On the 6th September 1867 he re-entered the service and continued to be employed until retirement. During the interim between 6th September 1867 and 8th December 1868, he was paid under the Piece-work system, and his monthly earnings amounted to less than Rs. 10, except in the month of October 1868 when they amounted to Rs. 10-5-1. Should Government, however, be pleased to consider the above period of service not as an interruption entailing forfeiture of past services but simply as of a nature not susceptible of admission for pension, they may condone the break of six months under the provisions of Section 98 (b) of the Civil Pension Code. In which case the applicant's pensionable service in superior grades will amount to twenty-two years, three months, and three days, entitling him to an invalid pension not exceeding Rs. 10 per mensem, equal to one-third average emoluments, under Sections 102 and 109 (b) of the Code.

2. If, however, Government are pleased to sanction a gratuity only, it is requested that the Officer in charge of the Government Press may be instructed to cause the applicant to be examined by a Medical Officer in view to ascertaining the stage of the applicant's normal prospects of life as required by Rule 3, Section 99, of the Code, and to submit his report to Government.

3. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.
