Final answer
6th August 1881.

Statement made by Gangubai Rameswami.

There are no papers with me to show where and when I served from the year 1843 in which year I was entertained in Government service. When I was entertained in service and transferred from one Taluk to another, no separate orders were issued to me but to the different Tahasildars on the subject. Some of the officers have granted testimonials to me but they were lost when my house took fire. I have no papers with me now regarding my service. There are no peons or any other officers now alive who can speak to the fact that I served in August 1843, the Pay Abstract of which is not forthcoming in the Penugonda Muttah of the late Penugonda Taluk when the former was under attachment or that I served in September, October, November and December 1844, the Pay Abstracts of which are also not forthcoming. I can therefore show nothing in support of any service during the said months.

That I served in the Tanuku Taluk as a peon from 1857 to 1868 can be proved by Hassanbeg Sahib who served with me for some time as a peon in that Taluk and who is now a peon in this Taluk and

and by Jallamraju Venkatarayudu garu
and Hanubiga Venkatramanayya Pantulu
garu who are still Gunastas in the Tanuku
Taluk. I therefore request that they may
be examined. Chopuri Swamy of Tanuku
and Harri Narisimulu of Kondayapalem
have also served with me as peons in
Tanuku. They were old at the time when
they served with me. I do not know whether
or not they are now alive.

Venukonda Subbarayudu, Mutyala
Venkanna and Abala Moolayya all
of Cocanada who also served with me
as peons in the Sea Custom office at
Cocanada and who are still alive, know
that I served in that office in October
and December 1869 and in June 1870, the
Pay Abstracts of which are not forthcoming.
I therefore request that they may be ex-
amined.

Of the period of my service in the
Amulapur Taluk the Pay Abstracts for
the 5 months of December 1870, and May,
September, November and December 1871,
are not forthcoming. Yerramilli Subba-
rayudu garu, Goteti Veerrazu garu and
some of the other Gunastas, as also Mani-
gappa garu, the Tahsildar, bear testimony
to the fact that I was in service in
that Taluk during those months.

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it.

Certified that should Government be pleased to accept the portions of service not verifiable from office records but proved by affidavit and evidence of contemporary employees and be pleased also to commute the periods of absence without leave as detailed in the foregoing Vide Collector's letter 24/6 1849 August 1870 } dated the 24th September 1881 into leave without allowances as required by rule 7 section 93 of 23rd & 28th January 1874 } the Civil Pension Code, qualifying service in Superior Grades may be stated to have been 30th April 1874-1st July 1881. 1879 } proved for 35 years 4 months and 9 days, entitling the applicant to an Invalid Pension not exceeding Rs. 23-0-0 per annum equal to 1/2 pay under section 103 and 117(1) of the Code 5th Edition.

Besides the periods particularized above the applicant is shown by the note at foot of this page of the Service book to have been absent without leave on the 1st August and again from the 6th Idem to the end of the month in 1880. But this is not borne out by the last entry in the 6 page of the same book from which it appears that the applicant was absent on leave without pay on the 1st and again from the 5th August 1880 to 29th May 1881. The Collector moreover in his reply to this Office of 1881 dated the 18th October last states that all periods of absence without permission have been detailed in his letter which accompanied the application. Correspondence regarding the discrepancy has been considered unnecessary as it would involve delay in the disposal of the case & as the result of such correspondence would not in any way affect the amount of pension which the applicant would otherwise be entitled to.

The character and past conduct of the applicant, although reported to be good, still from the entry opposite to No. 2 on the 3rd page of the application does not appear to have been thoroughly satisfactory. It puts things with Government to make such deduction in the amount of any pension that may be sanctioned to him as it may seem proper with reference to rule 1 Section 65 of the Code.

The delay in the submission of this application is explained by the Collector in his reply to this office reference quoted above.
