A pension application was received on behalf of A. Dharmarayulu Mudali. It showed that he entered the service of Government on 1st June 1846, served in various temporary posts with frequent intervening periods of non-employment until 30th June 1853. On the 1st July he was taken on the permanent establishment as Huzur third class Maistry on Rs 17½. After 2 years, 2 m. and 12 days served as 3rd class Maistry and 1 yr. 3 m. & 18 days service as 2nd class Maistry on

on Rs 25, he was on the 1st January 1857 made a first class Sub-Overseer on Rs 50 in which post he served for 6yrs and 3 months until he was thrown out in the reorganization of the Department on the 31st March 1863. He was immediately provided with a Taluq Inaidty's place but at the end of 3 months was again thrown out in the reduction of Establishment. His subsequent service was only in acting appointments which does not qualify for pension, and it ceased altogether on 4th June 1866. There were several very unfavourable remarks entered in the register of services against his name as to his competency and his honesty & thereupon by G.O (Pension Department) No. 784 dated 29th August last, Govt. refused to

owing to the extreme delay in application for pension

9c.

to grant him a gratuity.

2. He has now put in a petition transferred from the P.W. Department and the subject of the present reference asking for papers connected with his case in which he incidentally refers to a P.W. Department G.O. which was in favour of his claim.

3. It appears that he put in a petition dated 3rd April 1879 (13 years after his retirement) praying that his claims for compensation pension may be considered. The petition was referred to the Examiner of Public Works Accounts and on his report disposed of in the P.W. Department in G.O. No. 2952 dated 22nd November 1879, the Govt. resolving to adopt the course recommended in para 3

384 of the Examiner's letter
i.e. to grant him on the
submission of an applica-
tion in due form the
gratuity he may be found
entitled to.

4. The above G. C.
however was not commun-
icated to the Pension
Department and it was
not referred to when the
application for his gratuity
came to be disposed of—
in this Department.

5. From the original
papers received from the
P. W. Department now
put up it seems that
the fact of the applicants'
indifferent character was
not noticed at the time
when the G. C. in the P. W.
Department was passed
and orders are now
solicited as to which order
the

the Government will
reconsider, whether the
one in the P. W. Depart-
ment or the one in the
Pension Department. The
Petitioner's assertion that
he might have been taken
for another man of the
same name is clearly
not sustainable

6. It is submitted
that his application for
copies of reports should
not be granted, but his
service register may be
returned to him.

Note by the Chief Engineer

WDept

Pensions Department Office

Note № 119 of 8th Decr/

In the "for Orders"

Sheet in the Pension Dept.

it is pointed out that

when G.O. in the Public

Works Department № 2952 W

dated 22nd November 1879 sup-

porting the Applicants claim

was passed, this Department

had not before them the

unfavorable Comments which

had been recorded on the

man's character. This is

admitted.

2. It thus remains to

Consider whether these remarks are sufficient to justify the withholding of the gratuity which the Petitioner would otherwise be entitled to.

3. The remarks, it is observed, amount to nothing more than an expression of opinion. Had there been any substantial foundation for the charges involved, the man should have been dismissed at the time. If however his services were still retained it may be reasonably assumed that no guilt could be brought home to him.

4. It is therefore considered that the order in the

W. Dept. No. 2952 W dated
22nd November 879 should be
upheld as suggested by
the Honorable Member.
