Certified that I have carefully examined
Thoddappa Son of Tagappa 2nd Class Revenue
Inspector Sirmul Taluq. His age is by his
own statement 52 years and by appearance
about 52. I consider ~~that~~ Thoddappa to be
completely and permanently incapacitated for
further service of any kind in the Department
to which he belongs, in consequence of General
Debility. His incapacity does not appear
to have been caused by irregular or intem-
perate habits.

My reasons for granting the above certificate
are as follows:—

The man's general appearance is decrepid
and weakly. His muscular system has degenerated
so that he is incapable of undergoing the exertions
necessary for his calling. The action of his
heart is feeble; his respiration is shallow. His
eyesight is fast failing. His memory is imperfect.
The above conditions appear to me to have
been brought about by attacks of Malar
fever and exposure to duty.

(2) Pay abstracts from July 1859 to June 1860
are available in the records, but they
do not exhibit the names of servants
in detail.

At the period in question the appli-
cant is said to have been a *munshi* in
the *Gudur Taluk* and all the information
to be gleaned from the Pay abstracts for
that period is, under *Taluk Establishment*
against *Gudur Taluk*, the total amount
sanctioned and the total amount passed
by the then Civil Auditor are entered. The
annual detail statements for 1859 and 1860
however show the name of the applicant.
This fact supports the reasonable
inference that the applicant was em-
ployed as *munshi* during the period
in question. In addition to this an affidavit
(enclosed) taken from the applicant
under para 5 section 127 of the Civil
Pension Code, serves to establish the
point.

(8) Copies of the correspondence relative
to the suspension of the applicant
are enclosed (vide documents marked
A and B).

Done before me
at *Calcutta* on *11-11-81*

(1) The leave statement for April 1862 makes it appear at first sight that the applicant was granted private leave on half pay for 40 days beginning from 9th April 1862. But subsequent researches into the records disclose that he enjoyed the leave only for 22 days. He seems to have drawn full pay from the 1st May 1862, as evidenced by the entries made in the English Cash Chittah of the Account Department. Thus there is no room to doubt that he enjoyed only 22 days leave and rejoined his appointment on the 1st May 1862. The affidavit which also confirms the aforesaid fact. The necessary corrections have been made throughout.

(11) He was found unfit for the duty he had to perform and consequently he first resigned his post and then appeared before the medical Officer.

(12) The applicant was suspended from the 16th December 1880 vide true translation (enclosed) of the acting

Marked A Head Asst Collector Taked N^o 1104 for the reasons therein stated. Thereupon the applicant resigned his appointment on the 9th January 1881, and preferred an appeal to the Collector requesting to cancel the order of suspension. Final orders^{*} cancelling suspension were passed on the 25th of January 1881, and this order seems to have reached the applicant about the middle of February 1881. He then had to travel about 85 miles from Chagluwarri to Kurnool to appear before the medical Officer. Hence the delay.

(24) He has drawn full salary for the period mentioned (from 16th December 1880 to 8th January 1881)

(25) The copies of the correspondence referred to are herewith forwarded.

(26) The necessary alterations have accordingly been made in Columns 10 & 11.

your order No 1006 dated 6th October 1880

that if the Revenue Inspector should
be willing to retire on a third pension,
the Revenue Inspector might do so, or
if the Revenue Inspector should express
willingness to continue in the service
to make up the period requisite for
half pension, the Revenue Inspector
would be reduced to a 15 Rs. Gunastai

It is the honor to forward herewith for
the Acting Collector's perusal and return
Serial 2. C. C. Revenue Inspector
Doddappa's diary for June last. It will
be observed from it that from the 17th
to the end of that month the Revenue
Inspector has done nothing beyond
examining the fields under a tank and
reporting the breach of another. He
has already been fined for neglect of
duty and incompetency. His April Diary
was found like the present one, to be
simply a narrative of information
about the demand collection and arrears
of villages, got from the villagers but
showing no real and useful work.

whatsoever. Although repeatedly warned
he seems still to rely upon the size of his
diary, whatever its substance may be. He did
his duty in connection with the Emigration under
the Canal in season 1879-80, so satisfactorily
and carefully, that he was found unable
to give any information whatever when
called upon to do so at the 1st & 2nd Crop
Settlements conducted by the undersigned.

The undersigned, therefore, begs
to recommend that he be called on to
resign, as utterly unfit for his post.
The statement submitted with this
Office Docket No. 473 of 31.7.80 will
show that he has been previously
-fined. He has also warned by the

The calculations have been duly verified.

It is observed from the remarks in the Service Book & from the enclosed correspondence connected with the applicants suspension and retirement that the character and past conduct of the applicant has not been thoroughly satisfactory. It is to be noted with Government to make such reduction in the amount of pension that may be sanctioned to him as it may deem proper with reference to Rule 1, Section 105 of the Code.

The delay in the submission of this application is explained by the Collector in his remarks opposite to Nos 5 on the 3rd page of the application.
