Certified that I, Peter Anderson, Ag. Zilla & Surgeon Rajahmundry have carefully examined Moudily Appalamaraswami (son of Moudily Atchiah Delta Superintendent of Western Delta. His age is by his own statement 53 years, and by appearance about 58 years, I consider Mr. Appalamaraswami to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs, on account of old age, and natural infirmity. - Has the ring of old age formed in his eyes. - His incapacity does not appear to me to have been caused by irregular or intemperate habits.

From *A. Flogston Esq.*
OFF ACCOUNTANT GENERAL

To THE Acting Under Secretary

Fort Saint George.
SIR,

With reference to your memorandum
N. 117 dated the 2nd December 1881 calling for an
expression of my opinion whether the service
of Modily Appalanarsayya as Petty Master
and Quarry Superintendent from 24th September
1867 to 31st July 1868 should count as qualify-
ing for pension or otherwise with reference
to rule 1 section 71 of the Civil Pension Code
I have the honor to observe that the pay
of Appalanarsayya for the period is
reported to have been charged to "works"
and that there is no documentary evidence
to support the statements that the temporary
appointment conferred upon him was
solely in the interests of Government. The
Executive Engineer, who considers it as
certain that it was not intended that
the

the applicant should suffer by the transfer from an appointment on a pensionable grade to one in a non-pensionable grade however states that when the employment of quarry Superintendent was taken by Appalanarsayya he did not secure a lien on his permanent appointment, in which doubtless, his successor, would have counted service for pension. To allow two officers simultaneously to count service for pension in one office is objectionable. Vide Section 55 of the Civil Pension Code. Under these circumstances the period of service rendered in the Temporary Appointment stated above cannot count for pension.

In the period was charged with the estimate of work on which he was employed; the period has been closed on an equality with reference to the 1/4 of the Civil Service Code and also for the reason explained above.

Notified from the Audit Report of this Office but verified from the records of the Divisional Office and remarks in Column "has verified" on page 2 of the application; the period has however been closed as non-qualifying with reference to Section 97, Civil Service Code, in consequence of the applicant's resignation on the 31 October 1965, vide Section 97 of the Civil Service Code.

The applicant reports that he was continuously in the employ of Government from 2 October 1965 and his pay charged to work, but there are no records to support his statement; the period has been entered as out of employ.

Verified from the Audit Report of the Office and found correct. Not notified from either the Audit Report of this Office or the records of the Divisional Office. The applicant's pay for the period appears to have been charged back. There is nothing to show that the applicant secured a leave or his substitution appointment or Channel Superintendent while accepting the place of Treasury and Security Superintendent. The applicant in his petition dated 23 September 1966 states that his transfer from the permanent of the 2nd Seat, 1965, Selection was made by the then Executive Engineer for site on emergency. date the entries in his service register are unfavourable. With this indifferent character of late, & the reasons for his resignation not being known, there does not appear to be a good case to go to the Govt. of India upon.

The gratuity strictly admissible is Rs 440. for service of 11y. 1 m. & 15 days — the gratuity that is said to be admissible by counting 10 m. & 7 days that in the Act. General's opinion shld. be rejected & by endorsing a deficiency of 8 days, is Rs 480.

The pension admissible if the Govt. of India were to endorse the break is Rs 13. 5. 4 per mensem for service of 17y. 11 m. & 28 d.
