Affidant presented by Ivaru Lobha-

Taluk.

When the Pittapur Estate was under
management, I was entertained as a peon
of the Estate in 1842. I do not know the
month and the date. The very year the ma-
nagement came to a close and I was re-
duced. I was out of employ for 5 months.
I entered the service as a peon on Rs 4 in the
Kotta Ramachandrapur Taluk on the 6th
November 1846. I was transferred to the Bee-
Kavale Taluk on equal pay in September
1849. When I was in that post, the Bee Kavale
Taluk was arranged and I got into the Ra-
machandrapur Taluk on Rupees 5 on the
29th April 1862. In the arrangement of that
Taluk my pay was raised to Rupees 6 on
the 31st October 1863. My first appointment
was a temporary one. I have been in the
Government service since 1846. I have
not been at fault. I shall prove this

Further, as I under public orders brought force to bear on coolies engaged in the Aicut work so that they might not escape and as I did it strictly lest I might lose my appointment, the coolies bore a grudge against me and one of them brought a false charge against me before Mr. Pendergast to say that I received a bribe of 6 dubs and proved it by 3 or 4 of the coolies themselves. I was then suspended for 6 months in October 1880. Then it was also complained that I beat them but the authorities did not believe it. It was vexatiously complained that I took a bribe of 60 dubs; it was not a fact.

Sir,

I have the honor to forward an application for Invalid Pension on behalf of Sivari Sobaram, peon of the Ramachandrapur Taluk drawing a salary of Rupees 6. " " per mensem.

2. The applicant's service extends over a period of 27. m. 2

33. 1. 3, all of which is inferior. Of this a period of 27. m. 2 of 31. 3. 6 is borne out by the records of this office and the remaining portion of 1. 9. 27 by the testimony of the applicant's contemporary employes.

3. The applicant was employed as a peon in the Pittapur Taluk from 26th June 1843 to 30th June 1844, during the time the Estate was under management of the Court of Wards but the Estate having been made over to the Zemindar, the applicant was out of employ for a period of more than 2 years.

4. While the Godavari Aqueduct was under construction.

construction at Dowlaisheeran, the applicant who was then a peon in the old Beccavole Taluk (portion of the present Ramachandrapur Taluk) was employed at the same for collecting coolies and was suspended for 6 months on a charge of bribery but he overstayed the term of suspension by 6 days.

5. It will be observed that under section 76, clause (b) the applicant is entitled to a pension of Rspees 3 per mensem in consideration of his inferior qualifying service of 33 years and odd.

6. The Service Register of the applicant, the 3 English translations of the affidavits of the applicant himself and his contemporary employees and the Medical and Last Pay Certificates are forwarded.

7. The applicant retired from service on the 1st August last but the Sub-collector's last letter giving information reached this office only on the 28th Ultimo. The delay in submitting this application is apparently owing to references having to be made from the Sub-collector's Office to that of the Tahsildar in respect of the discrepancies existing between the Service Register and the Verification Memorandum furnished by the Vernacular Record Keeper.

8. The Medical Certificate is dated the 22nd July last, but the man was not allowed to retire till the 1st August.

9. I have issued instructions to Taluk officers, that they are to act at once on the production of a certificate and not to await the orders of their Divisional Officers.

Sir,

With reference to your letter No. J. A. G. of the 23-July last, I have the honor to inform you that on being questioned Krishna Row states that as he is a native of Conjivaram he gave his name as C. Krishna Row in 1862, but that since he has changed his country into house name, which is Perumbalai, and called himself P. Krishna Row.

2. An examination of the acquittance Roll for 1863 clearly establishes that from 21st February of that year, Krishna Row was permanent D. Gurnastah and drew the full salary of that appointment. The entry in the annual return

AP 1379

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Should Government be placed to consider the applicant's application for a pension? In a pension case, the applicant is required to furnish a statement of his service, and the Head of the Office is required to certify that the service is established and should be admitted or not. (See Rule 8 under Section 84.)

CERTIFIED that (subject to the remarks below reported) qualifying service in {superior} grades has been duly proved for not amounting to 21 years 7 months 15 days; and that a Superior grade of {pension} not exceeding Rs. 7 11 1/2 per annum is admissible under Sections 45 to 47 of the Civil Pension Code. The calculations have been duly verified.

The delay in the submission of this application is explained by the District Judge in his letter to this Office No 178 dated 11. October 1880.

In accordance with Rule 30 under Section 87 the attention of Government is respectfully solicited to Section 22 of the Code. In calculating the applicant's average service for Pension the District Judge has apparently taken into account the additional Deductions allowance drawn by the former while holding the appointment of 2d Clerk Sub. Postern from 1st to 30 November 1879 on the ground that no body saw the applicant's service in it during that period. But from the appropriate entry in the Service book it is clear that while employed as above the applicant performed his own and credited service for Pension in his

substantive appointment as 3d Clerk. Hence it follows that the additional allowance referred to above should be awarded rather as a temporary than as a permanent increase to the applicant's pay, and accordingly the allowance has been excluded by this Office from the calculation of average service.

Brings to notice, that he retired on the 11th June 1880, on account of his having attained the age of 55 years; but that his services in his present situation do not entitle him for a pension of one-half of his salary, under the Pension Code now in force; that he was first employed as a writer in the Collector's office in 1843, and subsequently obtained a promotion in the Postal Dept in 1846, in which he continued till Nov 1855; when the Postal Dept was separated from the Revenue Dept, and he was posted to Malabar H^q; but that as he was not able to proceed to that place, his services were dispensed with; that he re-entered the Collector's establishment on 1st Nov 1858, and served continuously until the 10th June 1880; that his total service amounts to nearly 35 years; and that he invariably discharged his duties to the satisfaction of his superiors, as may be seen from his testimonials. Prays, therefore, that his service in the Postal Dept, may be taken into account and he may be granted a pension of one-half of his ^{last} salary.

2. From the above papers you will see that the
individual in question has a break of over one year in
the continuity of his total Service extending over a period
of more than 36 years. This break occurred in the
Postal Department but it cannot be ascertained
from the records of that Department what was the
cause of the break in question as the Postmaster General
to whom a reference was made on the subject informs
me that no records previous to 1878 are available in his
Office. He merely reports on the statement of the
individual in question that he was relieved of his duty
of Deputy Postmaster Cuddapah on the 12th March 1879
as he did not wish to join his new appointment at Bellary
to which place he had been transferred.

3. As it cannot be ascertained from the records
available whatever the real cause of the break in
the continuity of the applicant's service. I think it
right

right that he should have the benefit of the doubt.
In consideration of his long service of over 36 years.
From the remarks in his service register of the Officers
under whom he has served he appears to have borne
a good character.

4. Under these circumstances I recommend
that his case may be submitted for the consideration
of Government under section 56 & clause (b) of section
57 of the Civil Pension Code and their sanction
obtained for the grant to him of $\frac{1}{2}$ pension.

I have the honor to be,

Sir,
Your Most Obedient Servant
