M. K. Nagalingum Pillay, at present holding the post of head Estimator, Superintending Engineer's Office & Do. since 12 May 1855. He has held various posts in the D.P. & is a good executive agent as well as, office man during the time he was under my orders as Overseer of the Meylar Taluk. He is acted as overseer and given satisfaction - 14/3/68. 1870 H. L. Prudergast Capt. P. S. Sup. Sup. & Co. Kagalingum Pillay has been appointed in the office of the District Officer, and has been in charge of the office since the 1st of January 1870. He has been in the post of overseer in the Moyoor Talook, and as in order to put an end to the bad work & fraudulent transactions then existing in the Talook, it was necessary to nominate to the vacancy a man of integrity & respectability. Accordingly nominated Kagalingum Pillay to that post. The conduct of the duties of overseer has been remarkably successful. - With his co-operation I managed at once to reduce rates by about 25 per cent, & to let better work than the old rates. And I have had the satisfaction to find that the Govt. has, on my recommendation, approved his services by promoting him to the rank of 1st class overseer. I wish him every success in his new position.	1870 H. L. Prudergast Capt. P. S. Sup. Sup. & Co.			1870 H. L. Prudergast Capt. P. S. Sup. Sup. & Co.

Sir, With reference to your letter no 2140 of 15th Instant, I have the honor to point out that Rule 5, Section 105 of Civil Pension Code applies only to cases in which a gratuity is applied for; whereas the application in this instance is for a Pension, to which I am informed the applicant is entitled. His application is based upon a regular certificate of unfitness for further service granted by the Civil Surgeon.

I have no objection to certify confidentially or otherwise, if required, that the applicant's prospect of life is over age, but I am unable to see the necessity for such a certificate under present circumstances.

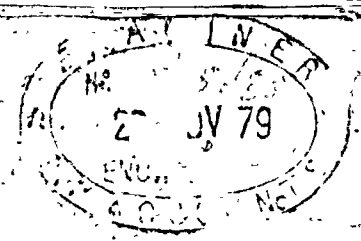

I have to

Engrs & Civil dated 25th November 1899.

With reference to your letter No. 231 of
the 22nd July last, I have the honor to forward
herewith a revised application for gratuity on behalf
of U. Nagalingam Pillay late Owner of the
1st grade Madra.

2. It would now appear that the applicant
was dismissed the service by the late District
Engrs Madra on the 19th April 1869 in connection
with the late Sub. Engrs Chembur's case, and
was only re-employed in a permanent footing
from the 16th December 1865, hence he has forfeited
all his previous service, and I consider therefore
that it is unnecessary to go into the details of
verifying the applicant's services prior to the date
on which he was employed as estimator in the
Superintending Engrs' Office of the late 1st Division,
viz. 16th December 1865.

3. Referring to para 6 of your letter, I have
the honor to inform you that the applicant
has drawn his pay from 1st to 25th November 1896

that Division for March and June 1897. His claims

address of the applicant stating that the Deputy
Division Officer has been requested to adjust the
claim.

1. The Service Book has been completed
with my signature in the places provided for
the same as required in para 7.

5. In regard to para 8 of your letter under
reference I have the honor to forward herewith
copy of letter from the Zillah Surgeon to the
Assistant Engineer, Madras No. 209 dated 22nd Oct
1879, and with reference to para 1 thereof I have
to point out that the Zillah Surgeon bases
his opinion on the former application submitted
for Pension and I consider that para 2 of his letter
may be considered as the certificate referred
to under rule 5 Sec. 105 of the Civil Pension
