Certified that I have carefully examined Kote Son of Tim-mappa Peon in the Sea Customs Office Mangalore. His age is by his own statement 50 years & by appearance about 45 years. I consider Kote to be completely & permanently incapacitated for further service of any kind in the department to which he belongs in consequence of Paralysis. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

called upon to submit an explanation of the delay in his office, on receipt of which due notice will be taken of any servants to blame.

12. The applicant was absent on sick leave at Panmangalore, and although he was ordered on the 31st July 1880, through the Bantval Deputy Sahsildar, to appear before the Civil Surgeon at Mangalore, he could not do so, as he was unable to walk. Hence the delay.

23. Like other servants of his class the applicant's name was not given in the detailed list of sanctioned establishment for 1870-71, but he is one of the two who have been shown in it as "2 Measurers x x x at 6 Rs: each", under the salt Revenue establishment attached to the Panmangalore salt Depot with which the Bantval Salt Kotār was connected. It may be as well to state that the salt Depot at Panmangalore consisted of two separate Kotārs one of which was located

on the Northern Bank of the Netravathi river
at Bantval, while the other was placed on
the Southern bank, viz. at Panemangalore.
