As he was promoted to Sub Surveyor in the month of October 1855 & as he was doing duty in the Office, he was drawing Rs 12 per mensem -

When he was sent to field he drew less pay than in Office as he was drawing allowance ~~then~~ for field work - This is the cause of difference of pay when he was in Office & ⁱⁿ field -

Verified that I have carefully examined C. M. Panguarny Baidos, son of C. M. Panguarny Baidos, a Deputy Surveyor No 1 Revenue Survey Party (Civil Division) whose age is by his own statement 47 years and by a reference almost 55 years. I consider C. M. Panguarny Baidos to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs on account of his mental condition. His incapacity does not appear to have been caused by irregular or intemperate habits.
