FROM THE ACCOUNTANT GENERAL, MADRAS,

TO THE

their pay in order that their position may be secured and their services made eligible for pension as it is natural to suppose that the present Rangers and Foresters will not like to continue in it and lose all their services rendered in the Imperial Forests.

6. Referring to the Civil Pension Code 4th Edition, it would appear that the Local Government may allow "the Trustees, Committees, or Managers" of the Local Fund in which the Jungle Conservancy Fund is incorporated, to treat service paid therefrom as qualifying under the amended section 39, in which case the Pension Charges will have to be borne by the Jungle Conservancy Fund, itself; or if the transfer from the Imperial to the Jungle Conservancy Department is made on public grounds and not in the private interests of the officer transferred, and if the officer is transferred with the consent of the Local Government (vide section 45), the officer so transferred will have to pay to Government, under section 46, a contribution of one

one-fifth of his pay and acting allowance if he is a Superior officer, or one anna in the Rupee if he is an inferior servant to entitle him to count his services for pension, in which case the Pension Charges will have to be borne by Government.

7. In the former case (i.e. under section 39) the position of all officers whether newly appointed to the Jungle Conservancy Establishment or transferred from other Departments will be secured, and in the latter case, that of the officers transferred from other Departments only.

8. To secure a pension under section 46, it will be necessary to cut down the present salary of all officers on the Jungle Conservancy Establishment by 20 per cent or else to raise their salaries by 25 per cent.

9. I have the honor, under these circumstances, to request that the Board will be pleased to move Government to pass definite orders in the matter
