9 A reference about his services was made
to the Sub-collector and his reply was only
received on the 22nd February last.

16 He was put to act on 1st February 1880
in a place, the permanent incumbent of
which went on leave on forfeiture of full
pay and as he did not return on the
expiry of his leave thus Venoba Row
was confirmed in it.

24 He was drawing Rs. 40 as stipend
on Family Relief Duty from 1st January to
20th August 1877 and the average emoluments

than Rs. 25 which is the prescribed pay
of the post which he held.

THE COLLECTOR OF

BELLARY.

To,

The Accountant General
Madras.

SIR

I have the honor to forward an application for pension on the part of Subdappa Moolah Row, late 2nd class Revenue Inspector of the Subdary Taluk, Bellary District.

2. He was put to act for a post in the inferior grade on 1st January 1852 and he served in that grade for 4 years. He was then out of employ for one year before

before obtaining the post
in which he was subsequently
confirmed. Exclusive of this
4 years' service, his total
service qualifying for pension
is years 24-5-19 which is in-
sufficient to qualify for
half pension. So qualified for
that, he would have had to
serve for 6 months and 11 days
more. But, having completed
his 60th year, he was under
the recent rulings of Government
compelled to retire from the
service.

3. From his temporary
service of 4 years therefore, this
deficiency of 6 months & 11 days
has been made up under clause
2 of Section 78 of Civil Pension
Code

Brings to notice, that he was, on 26th July, 1880, compelled to apply for pension, on the ground of his having completed his 60th year; but that he wants a service of six months more to entitle him to a pension, equal to half of his salary of Rs 25 a month; for which period, the late Dy Collector allowed the pet to continue in the service; but that the Collector, on the first report of the Dy Sub-Collector to the effect, that pet is inefficient, which was inferred from a misapprehension of facts, forced him to retire, & took no notice of the Sub-Collector's subsequent ^{favourable} endorsement on pet's representation that he is not inefficient; that the Board of Revenue on appeal declined to interfere in the matter; that pet has a total service of more than 37 years.

Prays, therefore, that

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

Certified that (subject to the remarks below recorded) qualifying service in ^{inferior} grades has been duly proved for 24 years 05 months 24 days; and that a ^{superior} ~~superior~~ *superior* ^{grade} ~~grade~~ *grade* ^{of} ~~of~~ *of* ^{not exceeding Rs. 3500 per annum} ~~not exceeding Rs. 3500 per annum~~ *not exceeding Rs. 3500 per annum* is admissible under Section 45 (6) of the Civil Pension Code. The calculations have been duly verified. *This delop in the application is explained by the fact that the collector in his report to the office's objection, names, Mr. [Name] dated 10th Dec 1881.*

In accordance with Rule 3.4, under Section 87, the attention of Government is respectfully solicited to Section 22 of the Code.

John [Name]
20 Dec 81 SIGNED.

In consideration of the fact that the applicant had originally acted in an appointment in superior grade for 4 years the inclusion of which invalidates his claim for a pension with the total period of qualifying service falls short of 25 years by 6 months and 22 days, the collector in his letter No. 1167 dated the 27th March 1881 accompanying a recommendation that the defunct in the applicant's service should be included in the list of this period named above. But this recommendation should not be accepted as the period in question is in excess of 3 months the maximum period which a Local Government can condone under the provisions of Section 78A of the Code.

The amount of Rs. 26-14-8 the average monthly pay received by the collector opposite to Rs. 10 on the 1st page of the application would seem to have included but by including in the calculation of average emoluments, the additional allowances shown by the applicant in his employment in service during the last 5 years of his service. The inclusion being opposed to the provisions of Rule 1 under Section 80 of the Code, has been rejected from the calculation worked by this office.
