## GOVERNMENT OF MADRAS.

## PENSION DEPARTMENT.

Read—the following papers:—

From the Acting Collector of Cuddapah, dated 28th April 1881.

Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 18th July 1881, No. A.D.J.-161.

Certified that service in inferior grades has been duly proved for thirty-one years nine months and twenty-eight days; but that, under the strict letter of the rules of the Civil Pension Code, no retiring allowance is admissible, as the applicant would seem to have resigned his appointment on the 31st August 1877 in favor of his son without expecting for pension or gratuity for his past services. Further, there is nothing to prove that the Collector had recorded his opinion at the time regarding the applicant's incapacity for further service owing to age or infirmity.

2. Should Government, however, be pleased to consider that it would be a great hardship to refuse the grant of any retiring allowance to a person who had served for a period of upwards of thirty-one years, but who, through their ignorance of the rules, failed to attempt to put in an application for pension, they may then grant him an invalid pension not exceeding Rs. 3 per mensem, equal to half-pay, under sections 62 and 76 (*b*) of the Civil Pension Code; but that such grant, it is respectfully pointed out, would need to be reported to Government of India, since it would be an indulgence opposed to the ordinary rules of the Civil Pension Code.

3. The long delay in submitting the application is owing to the applicant not having applied for any pension till the end of May 1880. In the event of granting him a pension, it would rest with Government with reference to rule 1, section 95 of the Code to fix the date of commencement of the pension.

4. The applicant's absence without leave from 12th to 31st August 1876 will need to be commuted into leave without allowances under rule 6, section 52 of the Civil Pension Code.

Order—dated 19th September 1881, No. 938, Pension.

Under sections 102 and 117 (*b*) of the Civil Pension Code (5th edition), the Right Honorable the Governor in Council is pleased to grant to Muhammad Akbar Sahib, late peon, Proddutur taluk, Cuddapah district, an invalid pension of Rs. Sir,

In returning the pension application received with your letter No [illegible]/37 dated 21st May last, I have the honor to state that the class of records from which the applicants services were verified has been entered in the appropriate column of the pension application.

2. Herewith send the original application of the petitioner presented to this office praying for pension for his past services.

3. The applicants services had to be verified from the records of the Taluk and Huzur offices and hence the delay in [illegible].

4. Translation of the applicant's petition to the Tahsildar applying to be permitted to retire from the service from old age, of the rep of the Tahsildar to the Divisional Officer recommending the same and of the Divisional Officer's orders thereon are here

contain the opinion of the Tahsildar and of the Divisional Officer regarding the incapacity of the applicant. There was no opinion of the Collector recorded at the time regarding the incapacity of the applicant.

5. The applicant's name being shown as Akbar Khan instead of Akbar Saib in the annual return for 1st April 1869 may be a clerical error.

6. No application for gratuity appears to have been submitted in 1861. The circumstances under which application was not made is not ascertainable at this distance of time.

Vide translation of arzi herewith sent.

7. The total leave enjoyed by the applicant both sick and private affairs amounts to 2 years 3 months and 6 days during the whole period of his service. The rules in the Civil Leave Code (5th Edition) contained in Chapter X allow the grant of 2 years leave private or furlough vide Sections 129 and 131. Besides the above indulgence a servant of Government is also entitled to sick leave vide Section 127.

8. In these circumstances I am of opinion that the time spent by the applicant on leave is not in excess of what is allowed by the rules in the Code.

Translation of a petition presented to the Tahsildar of Proddatur by Mahomed Akbar Sahib a Revenue peon attached to that taluk.

I have always discharged my duty without a fault in me since the commencement of my service. As I was lately taken ill I had my son appointed to act for me. During these four months he has acted without a fault and you are well aware of his conduct. I am now old and unable to do further duty and I therefore beg that you will be good enough to confirm my son Madar Sahib in my post.

## CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No. 181/161 Certified that service in Inferior Grades has been duly proved for 31 years [illegible] months and [illegible] days but that under the strict letter of the rules of the Civil Pension Code no retiring allowance is admissible. The applicant would seem to have resigned his appointment on the 31 August 1877 in favor of his son without applying for Pension or Gratuity for his past services. Further there is nothing to prove that the Collector had recorded his opinion at the time regarding the applicant's incapacity for further service owing to age or infirmity.

Should Government however be pleased to consider that it would be a great hardship to refuse the grant of any retiring allowance to a person who had served for a period of upwards of 31 years but who through sheer ignorance of the rules failed to attempt to put in an application for Pension they may then grant him an Invalid pension not exceeding Rs 3 - per mensem equal to ½ pay under sections 62 and 76(b) of the Civil Pension Code, but that such grants it is respectfully pointed out would need to be reported to Government of India, since it would be an indulgence opposed to the ordinary rules of the Civil Pension Code.

The long delay in submitting the application is owing to the applicant not having applied for any Pension till the end of May 1880. In the event of granting him a pension it would rest with Government with reference to rule 1 section 95 of the Code to fix the date of commencement of the Pension.

The applicant's absence without leave from 12 to 31 August 1876 will need to be commuted into leave without allowances under rule 6 Section 52 of the Civil Pension Code.
