Read the following papers :—

From the Commissioner of Salt Revenue, dated 23rd March 1881, No. 2589.
Do. Accountant-General, dated 19th May 1881, No. A.D.J.-60.

ORDER THEREON, 20th September 1881, No. 940.

Kamal-ud-Deen, late an Assistant Salt Superintendent of Yelur Sub-Station, Harnad Factory, South Canara, served in superior grades for a period of seventeen years, seven months, and eleven days up to the 15th July 1869. He was then drawing a salary of Rs. 15 per mensem, but for some want of efficiency he was ordered to be punished by acting in a post of Rs. 7, which is inferior; but he never took up the appointment, and was allowed leave without pay for one year and four months, a substitute being appointed. At the end of that time, on the 16th November 1870, he was appointed to a post on Rs. 20: in other words, was promoted to a higher post than that which he held before he took leave. This salary he continued to draw for nine years, three months, and twenty-nine days, till the 28th April 1880, the date of his retirement.

2. Under the circumstances above set forth, the Governor in Council is not disposed to view the period from 16th July 1869 to 15th November 1870 as such an interruption of service as requires condonation to enable the applicant's previous superior service of seventeen years, seven months, and eleven days to count for pension; and accordingly sanctions the grant to him of a pension of Rs. 10 per mensem, in consideration of his total qualifying superior service of twenty-six years, eleven months, and ten days, payable at Mangalore, with effect from 29th April 1880.

3. The amount of privilege leave allowance from the 1st to 15th March 1873, viz., Rs. 9-10-10, drawn by the applicant when he was not entitled to it will be recovered from the pension now granted.

4. Copy of these Proceedings will be forwarded to the Government of India for information.

You by neglect of your duties failed to give satisfaction to the late Collector Mr. Edell and now to me. For the above reason I have thought it expedient to send late Virtual en Shaik Hoossain Sahib to detect the wreck property Stolen by the Islanders proceeding your inability to do so. The property has since been detected

From a consideration of all the above circumstances, it is apparent that you do not take that interest in the public service which you do in your own concerns and therefore think it necessary to remove you from your present post. You will therefore hand over charge to Shaik Hoossain and return to Chanpelee where you will be provided with a post of Rs. 15

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. ~~Fair~~

2. Explanation of any suspension or degradation. ~~The applicant was degraded on two occasions: 1st for not having given satisfaction in the discharge of his duties & for not having detected the theft of the furniture belonging to a ship wrecked off the Amini division & was degraded to a clerkship on Rs 15 in the Taluk Kacheri, Kasargod. 2d again degraded to the post of Daftaribund on Rs 7 in the Taluk Kacheri Mangalore. The reasons for the latter degradation do not appear to have been recorded~~ (Vide Extract from Gt gazette marked C), but according to the applicants statement, it appears that he was ~~disqualified~~ to be inefficient to discharge the duties of the place to which he was appointed (Vide Enclosure marked D)

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. Nil.

4. Explanation under Section ~~47~~ 59. Rule I, so far as the Head of the Office can give it. Nil.

5. Any other remarks.

6. The specific opinion of Head of office whether the Service claimed is established and claimed be admitted or not. (See Rule 6 under Sec: 84)

The applicant is inefficient owing to age.
The service claimed is established and should therefore be admitted.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

No 197/50 Certified that although the applicants total period of service in superior Grades amounts to 26 years 11 months and 10 days only a service of 9 years 3 months and 29 days should for the reasons given below be regarded as qualifying period for which pa Superannuation Gratuity not exceeding Rupees 180 equal to 9 months pay may be granted under sections 65 68 (a) and 70 of the Civil Pension Code.

On the 16 July 1869 the applicant was found to be inefficient for the post of Clerk and was in consequence degraded from an appointment in Superior Grade on pay of Rupees 15-0-0 to one in an Inferior Grade on pay of Rupees 7-0-0 a month. But the latter appointment was not permanently vacant as the permanent incumbent thereof, though detached on temporary duty was apparently Counting Service in it for pension. The applicant was on leave ever since his degradation, and it is not apparent on what appointment he could have returned lien during the period of his absence on leave. Under these circumstances the period of such absence viz from 16 July 1869 to 15 November 1870 has been regarded by this Office as an interruption entailing forfeiture of past services. Vide Section 7 of the Code. Should Government be pleased to concur with this view the applicant would not seem to be entitled to a pension unless the Grade is condoned by the Government of India agreeably to section 57 of the Code and in this case he may be granted a pension not exceeding Rs 10-0-0 a month for his service of 26 years 11 months and 10 days.

The grant to the applicant of Privilege Leave of absence from 1st to 15th March 1873 would seem to be a mistake as he was not entitled to it not having been on duty without interruption for 6 Calender months as required by section 46 of the Civil Leave Code. Rupees 9-10-10 being the amount of Leave allowance overdrawn should be ordered to be recovered from the amount of any retiring allowance that may be sanctioned to him by Government.

The Character and past Conduct of the applicant do not appear to have been satisfactory. It rests therefore with Government to make such reduction in the amount of any retiring allowance that may be sanctioned to him as it may deem proper.

The delay in the submission of the application is explained by the Salt Commissioner in his letter No 2589 dated 23rd March 1881 accompanying.

The services of Kamal ud deen late an Assistant Salt Superintt, Sonth Canara, amounts to 26 years 11 months and 10 days, but owing to a break in the service in 1869 caused by the applicants degradation to an acting appointment of an Inferior from which he took leave grade, he forfeits his former service prior to 1869, and becomes only entitled to a gratuity of Rs 180 equal to 9 months pay

I think the Board cannot sanction Rs 180 as Commissioner entitled this case — but certainly

I quite agree. If it is necessary. Sir Erskine doubtless it does not operate when the
