GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

20th September 1881, No. 942.

Pension.

Read the following papers :—

From W. H. COMYN, Esq., Collector of South Canara, to the Chief Secretary to Government, dated Aldangady, 21st December 1880, No. 2690.

Adverting to the instructions conveyed in G.O., 3rd September 1877, No. 479, Pension Department, I have the honor to submit the following case for the orders of Government.

2. One Shaik Madar, who first entered the Revenue Department as a Police Peon on Rs. 3-8-0 per mensem in the year 1833, continued in the service until 1860, in which year the post then held by him, viz., that of Duffadar, on Rs. 7 per mensem, on the late Kandachar Sibbendi (extra establishment of armed peons at the Huzur Cutcherry), was abolished owing to the introduction of Mr. Pelly's scheme of establishment. He was therefore allowed a gratuity of Rs. 42 for his service, amounting (exclusive of a break) to twenty-seven years, two months, and fourteen days, under the sanction conveyed in G.O., 1st May 1863, No. 128.

3. After the abolition of his post the above individual sought employment in the Public Works Department, where he appears to have been entertained as a Road Maistry, and employed in that capacity from 1862 to 1872 with occasional breaks, and paid at the rate of Rs. 17½ per mensem out of allotment provided for works.

4. Being now incapacitated for further service by old age (about sixty-six years), he applies for a pension. He states that he is willing to refund the gratuity paid to him in 1863, and requests that the service rendered by him to the Department of Public Works as Road Maistry may be added to his previous service in the Revenue Department, and a pension allowed to him for the total period.

5. The applicant's service as a Road Maistry in the Department of Public Works being temporary, and also not continuous, and a gratuity having been paid to him for his previous service in the Revenue Department, it does not appear that he is entitled to any pension under the rules. As, however, the Government have reserved to themselves the right of rejecting applications for pension, I beg to submit herewith the petition presented to me by the applicant for their orders.

No. 20.

Transferred to the Accountant-General, through whom it should have been submitted with formal application.

FORT ST. GEORGE, (Signed) LORNE A. CAMPBELL,
13th January 1881. *Under Secretary to Govt.*

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, Madras, to the Secretary to Government, Pension Department, dated Fort St. George, 7th April 1881, No. I.A.E-9.

Pension Department.

With reference to your endorsement, No. 20, dated the 13th January 1881, transferring to this office for disposal a letter from the Collector of South Canara submitting an application for pension in behalf of Shaik Madar, I have the honor to inform you that as the applicant received a gratuity (under Madras G.O., dated 1st May 1863) for his services in the Civil Department, which he did not refund when taken on in the Public Works Department, and as since the date of that order he has not served in the Civil Department, his case has been transferred to the Examiner, Public Works Accounts, for disposal.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Pension Department (through the Accountant-General), dated Madras, 22nd July 1881, No. 185-P.

I have the honor to forward, herewith, for the orders of Government, an application (with connected papers) for invalid pension submitted by the Collector of South Canara, and transferred for disposal to this office by the Accountant-General, Madras.

2. From the remarks of the Collector against entry No. 3 on the 5th page of the pension application, it will be observed that the applicant, Shaik Madar, was granted a gratuity of Rs. 42 in G.O., Pension Department, No. 128, dated 1st May 1863, in consideration of the services rendered by him up to 1860, when it appears that his services were dispensed with in consequence of reduction of establishment that was then ordered by Government.

3. I enclose, for the information of Government, copies of correspondence noted in the margin, from which it will be observed that the pay of the applicant during the period of his employment in the Public Works Department (September 1867 to November 1872) was paid from estimates of works on which he was employed, and therefore he does not appear to be entitled to any retiring allowance for this service—*vide* Section 74 (*b*) of the Civil Pension Code, 5th Edition.

Letter, No. 1044, dated 19th May 1881, with medical certificate, from Collector, South Canara.

Letter, No. 48, dated 6th June 1881, from the Executive Engineer, West Coast Division, with copies of memoranda received therewith.

No. A.D.J-194.

Submitted to Government with the remark that this office agrees with the Examiner in thinking that the applicant is not entitled to a separate gratuity for his subsequent service alone, or to an invalid pension for his combined earlier and subsequent services for reasons detailed in the Examiner's letter.

(Signed) M. HLA OUNG,
Assistant Accountant-General,

FORT ST. GEORGE,

To the Under Secretary to Government, Pension Department.

ORDER THEREON, 20th September 1881, No. 942.

It appears from the reports of the Examiner of Public Works Accounts and of the Accountant-General that Shaik Madar is not entitled to any fresh retiring allowance, and the Honorable the Governor in Council sees no reason to treat his case in an exceptional manner.

Most respectfully Sheweth.

That your Honor's petitioner was a road Maistry P. W. D. for a period of 10 years (Decr/ to December /72.) on a Salary of Rs 15 at first and Rs 17½ afterwards per Month, performing his duties with integrity to the satisfaction of his employers, which post he was obliged to quit on account of infirmity, and sickness that laid him insane at bed & the same can be attested by the enclosed Service Certificate granted by the Sub Engineer Mr T. M. Fernandez under date the 20th November 1878.

2. That previous to his appointment to the above post of Maistry he had been a peon & Dalayet in the Canara Collector's Department for the space of 28 Years (May 1832 to May 1860) getting monthly sometimes Rs 5 and sometimes Rs 7 and also Rs 17½ as ag. Manigar of Amin Divi Islands for a few months all which can be certified by the Canarese Service register and order granted by the Collector of South Canara under date the 20th January and 10th July 1879 respectively and the same are herewith produced in

Original for your Honor's kind perusal and Consideration. During the above term of 28 years he had also for 2 years & 8 months seen the duties of P. W. Road Mokthesar in the Nuggur Division on a Salary of Rs 16 per mensem as will clearly appear from the inclosed Canarese Orders in original issued to him by Mr. Maltby the former Collector of Canara & Mr. Anslow the then Superintendent of Nuggur Divisions and thus Your Honors petitioner on the whole bears a Government Service of (38) thirty Eight years.

3. In the year of 1860 when the Establishment in which the Petitioner had been Delayet was discontinued, he was awarded merely a sum of Rs 42 along with some other peons. The latter in addition to similar rewards obtained subsequently pensions also. As the Petitioner had on the discontinuance of the Estt. attained a Service of 28 Years it was promised by the then Collector Mr. Frasyer that either a post or pension will be given to him (the Petitioner) but unfortunately he obtained neither and was obliged to abide idle in hope of the above promise for 2½ years from the date he lost the Delayetship to that of his appointment in the Public Works Deptt.

4. In 1837 when an insurrection was raised against the British Government at Sutter by a notorious man called Kallianappa who invaded this District from Coorg, Your Honors petitioner having been then a peon under the then Collector Mr. Wynn had at the risk of his life and disregard of food, done some beneficial services to the British Government serving diligently under the Collector and other Gentlemen that were engaged in the suppression of the insurrection. The Petitioner regrets to say that the certificates &c. of his good behaviour towards the Government, given to him by the above gentlemen have been mislaid.

5. The Petitioner humbly begs to state that he was hindered so long from applying for pension only from insanity caused by the sickness which had compelled him to quit his post of Maistry in Your Honors Department.

6. As the Petitioner had lastly held ~~a~~ post in your Honor's Department, he is as a rule required to present this application for pension to Your Honor, ~~Earnestly praying that your honor~~ in communication with the Collector if necessary, will be graciously pleased to recommend him for pension to the proper Authorities.

7. The Petitioner is an old and poor man who has no means of subsistence for himself

and his poor family consisting of a wife a son and his wife with 2 children.

8. In conclusion therefore your Honor's petitioner most respectfully prays that your honor on a kind consideration of the above circumstances and perusal of the enclosed documents will be greaciously pleased to get pension for the poor petitioner for which act of charity he and his family shall as in duty bound ever pray for your Honor's long life & prosperity.

N. B. The petitioner now learns that the sum of Rs 42 — given to him as reward should as a rule be refunded in order to calculate his Service for pension, which he is ready to refund if ordered.

Humble petition of Shaik Madar
late [illegible] of Canara Colly office
and maistry of P. W. department

Dated 9th December 1880

Most Honoured Sir,

With due deference and humble submission, I beg to represent the following for your Honour's consideration and favourable orders—

Some months ago I had presented an application to your honor for pension, which appears to have been lying as yet in Hazoor. As will be seen from my above application for pension with its enclosures in Hazoor, I have served 27 years in Revenue department during which period I had acting [illegible] for Amin [illegible] Kangany, Jailor &c. and [illegible] years in the P. W. department as road maistry of Rs 15 and afterwards Rs 9½ per mensem, the total [illegible] being 37 years. [illegible] in Hazoor that [illegible] department [illegible]

appointing me maisty does not say does not
say that the post was temporary which I
held permanently for 10 years, obtaining leave
on allowances whenever wanted. I was obliged
to enter the P.W. Department in consequence of
my having thrown out by the reductions of
the perm establishment in the Canara Collr
office at the end of 27 years' service. Also
I learn that according to Pensions Code if a
servant of permanent establishment loses his
post on account of abolition or reduction
of the establishment in which he has been
and if afterwards gets a post whether permanent
or temporary the service of the latter can be
taken together with the past service and
counted towards pension. Hence I believe
that though my service of P.W. Department
[illegible] and I [illegible] decided to have been temporary
it will not [illegible] from getting pension
[illegible] As stated in my former
[illegible] I beg to represent [illegible]
[illegible] of [illegible]

receiving pension in addition to the Inams
they received. If the Inam which is now
called the gratuity is considered to object my
pension, I am ready if ordered, to
refund the amount which I could not
draw on my entertainment in the P.W. depart
ment, as I was totally unaware of the
fact untill I presented the application
for pension nor did the Revenue or P.W. depart
ment inform me of the same.

I am a very poor old
having also a family depending on me &
have no means of livelihood. I fully
your honors will recommend me to Government
for pension. The application may kindly be
forwarded to Government along with your
honor's recommendation.

Further I find that there
G.O. to the effect that applications for
pension cannot be rejected without being
submitted to Government for their orders.
At any rate I must respectfully
[illegible] your honors [illegible]

...me for pension for which act of Generosity
I and my family shall ever pray
for your Honour's prosperity

No. 2690

From,
W. A. Somyn Esq.
Collector of South Canara

To,
The Hon'ble R. Davidson C.S.
Chief Secretary to Government
Pension Dept. - Fort St. George

Sir,

Adverting to the instructions conveyed in G.O. 3rd September 1877, No. 479, Pension Dept., I have the honor to submit the following case for the orders of Government.

2. One Shaik Madar who first entered the Revenue Department as a Police Peon on Rs 3. R. per mensem in the year 1833, continued in the service until 1860 in which year the post then held by him, viz that of Duffadar on Rs 7 per mensem on the late Head Dockar Talk...

(Extra Establishment of armed peons at the Hazúr Kachéri) was abolished owing to the introduction of Mr. Pelly's scheme of establishment. He was therefore allowed a gratuity of Rs 42 for his service amounting (exclusive of a break) to 27 years, 2 months and 14 days under the sanction conveyed in G.O. 1st May 1863. No. 128.

3 After the abolition of his post the above individual sought employment in the Public Works Department, where he appears to have been entertained as a Road Maistry & employed in that capacity from 1862 to 1872 with occasional breaks, and paid at the rate of Rs 17½ per mensem out of allotment provided for works.

4.

4. Being now incapacitated for further service by old age (about 66 years), he applies for a pension. He states that he is willing to refund the gratuity paid to him in 1863, and requests that the service rendered by him to the D.P.W. as Road Maistry may be added to his previous service in the Revenue Department, and a pension allowed to him for the total period.

5. The Applicant's services as a Road Maistry in the D.P.W. being temporary and also not continuous, and a gratuity having been paid to him for his previous service in the Revenue Department, it does not appear that he is entitled to any pension under the rules. As, however, the Government have reserved to themselves the right of rejecting applications for pension, I beg

I have the honor to inform you that after inspecting the work of Maistry Sheik Madar on the morning of the 25th I found that he was using one foot of metal on the road instead of 6 inches and instead of sectioning the earth dug in the centre, he leveled it and then put the metal on. I checked him at that kind of work and shewed him the proper method, using only six inches of metal. His coolies were told by me to come to Copenangady, the next day for payment- they accordingly did so which was on the 26th and the two maistries were paid up the next day at the rate of 5 per cent on the expenditure incurred under them. but to my astonishment after they had received their pay, they asked for their resignation, and poisoned the minds of the coolies which made them give up all the tools. I had to give a receipt to the Maistry for them certifying that

that they were all received by me – Maistry Sheik Madar states that he was always on a receipt of a high salary and the present system pitches him down too low for the necessaries of life.

Memo

The undersigned has been very sorry to learn from the Copunangady Talug letters No 190 & 192 of the 2nd Instant, that the whole Party of Labourers employed at Mani in metalling the road had struck the work through the instigation of their Maistries – Not much blame can however be attached to the Copunangady Talug Writer in this matter, since Mr Reardon himself has acted too imprudently first by taking the coolies off to Copunangady for the examination of their tools and payments; 2nd by stopping from the Maistries wages annas four on account of 2 baskets not produced before him at the examination, though some reliance could be placed on them for such trifles, and lastly by taking upon himself the responsibility of accepting the resignations & relieving the said Maistries of the charge of their tools

without referring the matter for the decision of the undersigned.

The arrangements said to have been made by Mr. Overseer Reardon to recommence the above work under the charge of Head cooly Ramah are approved, and the undersigned hopes that Mr. Reardon will exert himself in inducing the labourers that have already deserted to take up work again as a large amount has yet to be spent on that work within the remaining 4 months of the current official year, but as Head cooly Ramah is ignorant of writing, proper arrangements should be made by Mr. Reardon to have his coolies mustered till some other ~~till some other~~ competent person is appointed to take charge of that work, and the undersigned further hopes that with the lesson already before him Mr. Overseer Reardon will act with his labourers & subordinates with little more care and consideration hereafter, and that he will not permit anyone under his employ to strike ~~the~~ work or to resign his appointment without the matter being referred at first to the undersigned for orders.
