Replies

To Query

No. 1. The applicant's country name is "Uppur" a village in the Udipi Taluk, in which he appears to have been born. His father also lived in the same village.

No. 8. A true translation of the order of the Collector dated 22d September 1868 No. 405, under which the applicant was suspended for one year is herewith forwarded.

No. 10. The Acting Civil Surgeon, Mangalore, considers the age of the applicant to be "about 55 years", and thinks that his detailed opinion is dated 1st Instant No. 224 not therefore required. A copy of his reply on the subject is enclosed.

No. 11. It was through an oversight in the office of the Assistant Commissioner of Salt Revenue in charge of the Sea Customs Department under whom the applicant was employed, that he was relieved of his duties before his incapacity for service was duly certified by a medical officer. On the error being discovered in this office a medical certificate was obtained, and an application for pension submitted.

No. 12. Vide Reply to the foregoing Query and also to Query No. 27.

No. 4. The applicant being incapable of further service there was no necessity to endeavour to provide him with any other situation.

The applicant's appointment not having been abolished, as stated in the reply to Query No. 27, the information regarding the amount of saving effected to Government is not given.

No. 23. The applicant after having served in the Uppinangadi Taluk for a period of four months viz. from 1st November 1876 to 28th February 1877, was transferred to the Coir Establishment at Mangalore, one of the peons attached to the latter named Yusuf Khan having been transferred to Uppinangadi in applicant's place - the said transfer having been effected by their mutual consent. In the Pay-bill of the Mangalore Taluk for the month of March 1877 however, the name of Yusuf Khan instead of that of Gowraya is entered under the Coir Establishment. This now appears to have been the result of an oversight. The annual Return for 1877 having as usual been prepared according to the Taluk Pay Bills, the name of Yusuf Khan happened to be entered both under the establishment of Uppinangadi Taluk and that of Amindivi, and hence the omission of the applicant's name in the said Return. It is requested that the name of the applicant may be substituted for that of Yusuf Khan which is to be found under the Amindivi Establishment in the above Return. The necessary correction will be made in the office copy of the Return.

24. The Extra Establishment (Kandachar Sibbendi) on which the applicant was employed from 17th August 1846 to 30th September 1860, though nominally styled as an extra establishment was virtually a permanent one, having been all along regarded as such and actually continued to be employed till the introduction of the Police. There are several instances in which services rendered by Peons and menials on this establishment was recognized as qualifying service and hence the applicant's service was also similarly treated.

25. The appointment of Road Maistry in which the applicant acted from 7th to 21st September 1868 was not a pensionable one, being a temporary appointment paid out of funds allotted for repairs of roads. The applicant was detailed for the work by competent authority, a lien being retained for him on the permanent appointment.

26. There is nothing on the records to shew why the applicant was not recommended for any retiring allowance when he was thrown out of em-

ploy on the 30th September 1860. On a reference to the list of servants who were thrown out of employ on the revision of Establishments according to Mr. Pelly's scheme and recommended for gratuity, submitted to Government in 1863, the applicant's name does not find a place in it, having probably been omitted in consequence of his having been re-employed in 1861.

27. The entry in the Petitioner's Service Book referred to is incorrect. The petitioner was not as a matter of fact thrown out in consequence of any reduction in the particular establishment to which he was attached, though a rearrangement of the Coir and Customs establishment was necessitated by reductions made in the latter establishment in consequence of the abolition of the Inland Salt Depôt at Bantval under G. O. dated 19th November 1880, No. 1569 R.D. Certain Peons having been thrown out of employ in consequence of this reduction it was found necessary in order to provide for the thrown out hands who were still efficient for service, to remove certain inefficient and worn out men on the Amindivi Coir Establishment, and the applicant having among others been found incapable of work, he was discharged and one of the thrown-out peons transferred to his post. Through an oversight a medical certificate was not as stated above procured for him prior to relieving him of his duties. The necessary correction has been made in the Service Book of the applicant in reference to the cause of his discharge.
