Read the following papers :—

From the Examiner of Public Works Accounts, dated 30th June and 13th August 1881, Nos. 268-X and 370-X.

ORDER THEREON, 20th September 1881, No. 946.

Under Sections 99, Rule 3, 102, and 109 (*a*) of the Civil Pension Code (5th Edition), the Honorable the Governor in Council is pleased to grant to Baboorouthoo Veeravenkiah, late a Sub-Overseer, Godávari District, an invalid pension of Rs. (2-1-5) two, Anna one, and Pies five per mensem, payable from 31st May 1878 at Cocanada, in consideration of his qualifying superior service of five years, five months, and one day.

2. The regular medical certificate taken in conjunction with that given before his retirement, certifying that leprosy was established in his system, has been accepted, and his pension has been made payable from the date of his retirement, as the long delay in submitting the application was not due to his own neglect. The excuse given by the Head of the Office cannot be accepted, for the delay was most reprehensible.

3. Considering the indifferent character of the applicant, the Government see no ground to recommend to the Government of India a condonation of the break in his service, which was caused by his own act of resignation.

4. In accordance with Section 83, Rule 1 of the above Code, the whole of the pension granted should be debited to General Revenues.

Reference to our No 774, dated 18th June 1880 forwarding an application a letter No 2413, dated 11th June 1880 from the Examiner of P.W. Accounts with its enclosures papers connected with gratuity application of late Sub Overseer B. Veeranna Dick I beg leave the honour to afford the following explanation on the points therein alluded to

1. As regards the Medical Certificate of unfitness for further service required by para 1 of the Examiner's letter above cited, I beg the honour to state as already explained on the 4th page of the explanation on question that the Medical

Certificate and to the correspondence
concerning this individual is to
be found amongst the records
of late District Engineer's office.

As regards the late submission
of the above gratuity application
alluded to in the latter part
of para 2 of the Examiner's

the last 3 years—

Referring to para 2 of the

No 608 A Dated 20th May 81. Certificate and Report of the Examiner C. P. Accounts.

Certified that qualifying service in Superior grades has been only proved for (5) five years, (5) five months and (1) One day and that should Government be pleased to accept the Medical Certificate bearing date 18th March 1881 of the relief under the circumstances already detailed, an invalid gratuity not exceeding Rs. (300) three hundred equal to (5) five months emolument at Rs. (60) sixty per mensem will be admissible under Section 51(a) of the Civil Pension Code.

Should Government however feel disposed to recommend a condonation with reference to Section 57(b) Civil Pension Code of the interruption in the applicants service extending from 23rd July 1870 to 5th March 1872 and also accept the Medical Certificate then with the sanction of the Government of India an invalid gratuity not exceeding Rs. (600) six hundred equal to (10) ten months emoluments at Rs. (60) sixty per mensem may be awarded for a qualifying service of (10) ten years, (7) seven months and (26) twenty six days. The orders called for have been solicited.

As the gratuities above recommended will on commutation yield a pension of more than Rs. (12) twelve per mensem, the Confidential Medical Report prescribed in Section 105 Rule 5 of the Civil Pension Code has been called for and will be forwarded immediately on receipt.

The gratuities shown as admissible if sanctioned, are debitable to Local Funds and General Revenue according to the rule of proportions viz to Local Funds for the period of his qualifying service from 9th Feb 31st December 1874, the date subsequent to which the Local Fund Petty Establishment was amalgamated with the General P. W.
