From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Pension Department, dated Madras, 31st August 1881, No. 421-X.

I have the honor to acknowledge the receipt of the Proceedings of Government in the Pension Department, No. 193, dated 16th February 1881, and, with reference to paragraphs 2, 3, and 4 thereof, to resubmit, for the orders of Government, four statements as per margin.

1. Statement of individuals re-entertained under Local Fund Boards on salaries equal to, or more than, that drawn by them in Public Works Department.
2. Statement of individuals re-entertained under Local Fund Boards on salaries less than that drawn by them in Public Works Department.
3. Statement of individuals re-entertained under Local Fund Boards whose services were dispensed with in the Local Fund Boards.
4. Statement of individuals re-entertained on Works Establishments under Local Fund Boards.

2. In Statement No. 1 are given the names of subordinates who, on abolition of their appointments in the Public Works Department, were either transferred or who secured employment under Local Fund Boards on salaries equal to, or more in amount than, what they were in receipt of while attached to the Public Works Department. These subordinates do not appear entitled to any retiring allowance for the present under the ruling contained in paragraph 2 of Government Order quoted above.

3. Statement No. 2 shows the names of subordinates who, on abolition of their appointments in the Public Works Department, were either transferred or who secured employment under Local Fund Boards on reduced salaries. These subordinates appear entitled to retiring allowances shown in the several reports of this office on their applications for pension and gratuities (*vide* paragraph 3 of Government Order quoted above).

4. Statement No. 3 shows the names of two subordinates who, on abolition of their appointments in Public Works Department, were transferred for employment under Local Fund Boards, Tanjore, from 1st January 1880, but whose services were dispensed with for reasons explained in letter from the President, Local Fund Board, Tanjore, to the Auditor, Local Fund Accounts, No. 89, dated 25th June 1881 (copy attached). As, however, the discharge of these subordinates from service under Local Fund Boards was not on any account entailing forfeiture of past service, it is thought that they are entitled to compensation for their services in the Public Works Department subject to such reduction in the amount of their gratuity as may be considered necessary by Government with reference to the unfavorable remarks recorded against them by the Executive Engineer (*vide* also Section 65 of Civil Pension Code).

5. Statement No. 4 shows the names of subordinates who, on their services being dispensed with in the Public Works Department, are reported to have secured employment as maistries on Works Establishments under Local Fund Boards and their pay charged to estimates of works on which they are employed. There appears no objection to these men being granted the compensation retiring allowance reported admissible by this office in their cases.

PENSION DEPARTMENT, 21ST SEPTEMBER 1881, No. 948.

6. From paragraph 2 of letter, No. 89, dated 25th June 1881, from the President, Local Fund Board, Tanjore, to the Auditor, Local Fund Accounts (copy attached), it will be observed that Agnisawmy Pillay, who, on the abolition of his appointment in the Public Works Department, was transferred for employment under Local Fund Board, Tanjore, on the same pay which he was drawing in the Public Works Department, was dismissed for misconduct while in the service of the Local Fund Board. He does not appear entitled to any retiring allowance under Section 51 of the Civil Pension Code.

7. The pension and gratuity applications received with the Government Order quoted in paragraph 1, as also that of Tholasingam Pillay received with your memorandum, dated 21st January 1881 (excepting that of Soobramanien, which has been retained pending further information), are herewith returned.

ORDER THEREON, 21st September 1881, No. 948.

The Accountant-General will be requested to report whether the pensions and gratuities in all these cases may not now be sanctioned and paid in full as sanctioned, irrespective of the pensioners' subsequent employment under Local Fund Boards constituted by Act IV of 1871, as (1st) the Government of India appear, by their letter recorded in Public Works G.O., 3rd September 1881, No. 2183 W., communicated by Financial G.O., 10th September 1881, No. 1680, to have accepted the opinion always maintained by this Government that such service is not Government service and is therefore not governed by the Pension Code, and (2ndly) as by G.O., 20th May 1881, No. 906, this Government has decided that service under Local Fund Boards shall not be pensionable at all.
