No. 1016

Fort Saint George,
Accountant-General's Office,

From

The Deputy
Offg Accountant-General
to the Government of Madras,

To

The Collector of
Coimbatore.

Sir,

Vide your application for Revenue Collection of Mangadu and the Pondeli, Colar Class Reserve Inspector Grade Salary, Coimbatore.

The undersigned has the honor to enquire whether any absentee allowance is to be paid to the Applicant for the period of his deputation and on what principle the allowance in the Local Service is to be calculated in the Mofussil during and if so, the rate and the total amount of such allowance, should be stated in view to the orders of Government being obtained for the recovery of the same from the arrears of any pension that may be sanctioned to him.

It is remarked that the Applicant

to the existence of the G. O according
to which no one who is still capable
of further active service should on the
mere ground of his having attained the
age of 55 years be superannuated or
in other words be compelled to take pension.
The spirit of these G Os are the contrary
to create such men hold on in the
service and thus avoid unnecessary and
increased expenditure on the State.

I would also hardly say that men
who are much older and less efficient
than myself aged about and over 60
years of age, have been retained on the
strength subject to the usual Condition of
Efficiency Report of Colonel to the Inspector
General.

I would like very exciting every
encouragement to retire on pension at
the earliest practicable moment after they
may elect.

I am also of the feeling that re-
tirement at 55 years from 1885 - both of
which have received Concurrent Sanction
from Imperial authorities that pension
is recognised after 15 years service
as that is the minimum time after the years
which Imperial Officers are entitled to pension
at 55 years of age

Collector of Coimbatore

Sir,

With reference to your endorsement No 48 of the 13th current herewith returned with Annexed Pensioners petition, I have the honor to report as follows.

Petitioner has not been superannuated as his petition has given you to understand: he is retiring of his own will (vide enclosed petition) to avoid taking up the post of Gumastah on Rupees 15 to which I reduced him for grave disobedience and incapacity or rather idleness. The order was passed during the Jamabandy of 1880 and was enforced by me on my return to the division in August he declined to take up the lower post and

asked leave to retire, and I have actually given him leave on half pay for 6 and again for 2 months to enable him to complete his service (as I understood it) so as to get him pension. He has never appealed to you from the order of reduction and it is therefore unnecessary for me to defend it but should you wish I can show abundant cause for my order. I beg that the tone of his last petition and to me may be noticed as also the incorrect statements in it.

With reference to the latter part of your docket calling for explanation as regards non-verification of his services, I believe that the above explanation viz- that he is not being forced to retire, would suffice, seeing that his services have not been dispensed with by me, but I may point out that in June 1880 a letter was sent by Mr. Stokes to the Treasury Deputy Collector requesting that petitioners services might be verified as he wished to retire, and that the Treasury Deputy Collector replied on the 14th June forwarding the Service Register with the remark that it had been duly verified

Copies of these letters are enclosed. I think it will now be clear that I have in no way disregarded your orders.

With reference to your docket No 6603, para 2 of the 22nd current, I have to reply that I am unable to account for Mr. Joseph Maddison not having drawn his pay which is disbursed from the Salary Office being entered in the pay bill of that Office. There has been no obstacle to his drawing his pay and his leave has been duly communicated to the Treasury Deputy Collector: I have however called on the Tahsildar to explain and will send his explanation on receipt.

I have &c,

Answer to Query I. No Absentee allowance was paid to the applicant for the several absences of 'Leave on private affairs' granted to him and detailed in the history of his Service - nor any 'Private affairs Leave' with allowances was ever granted irregularly, or without regard to the Rules; but it appears from the Records that what was granted frequently on several occasions was really 'Leave without allowances' misnamed as 'Leave on private affairs'.

Calling for certain information in connection with the Petition application on behalf of Arangadie Annappa Moodeliar 4th Class Rd Inspector Coimbatore

Translation of Petition to the Sub Collector of Coimbatore by Annappa Moodeliar 4th Revenue Inspector of Erode Taluk dated 8th February 1881.—

Mr. Stokes reduced me by some way or other to the post of the 4th Grade of the Bhavani Taluk on 15 Rs. for no fault of mine. On my immediately personally visiting that gentleman and representing the matter, he issued a Taluk cancelling the order of reduction. On my again resuming charge of the office it so happened that you issued an order to the effect that I would complete my 55th year within 4 months & that I should go to the Bhavani Taluk according to the former order & remain there up to that time or that I should obtain leave on half Pay the reason for which (I do not know)— Not being satisfied with this order, I applied for privilege leave to which I was entitled, but I was compulsorily granted leave first for 4 months and then for 8 days. As I received no further

orders at the expiration of the leave I was waiting on your Honor from the 3rd Instant. Yesterday you were pleased to call me & direct me to go to Shawanee as a Gornastah. I am not willing to go and serve as a Gornastah, as my services are long & as my pension will be affected by my doing so. I therefore request that your Honor will be pleased to grant me a pension according to the Rules.
