SEPTEMBER.

Pensions. — No distribution between General Revenues and Local Funds of the compensation pension of Rs. 50 granted to P. Sambasiva Moodaliar, late Toll Superintendent of the Buckingham Canal, considered necessary for reasons stated.

Copy of letter from the Accountant General Madras to the Examiner P.W. accounts No. 1852/127 dated 21st June 1881.

With reference to Government order No. 528 dated the 7th June 1881 Revenue Department, sanctioning the grant of a compensation pension of Rs. 50 — a month to P. Sambasiva Moodelia late Toll Superintendent of Buckingham Canal, I have the honor to state that from the Registers of application received, Sambasiva Moodiar's services for the period prior to September 1840 appear to have been paid from the General Revenues and thereafter from the Cochrane Canal Fund &c. I request therefore that you will be good enough to inform me what portion of the pension is debitable to General Revenues and what to Provincial Funds.

The Cochrane Canal Fund was until recently considered one of the Special Funds, the charges and Receipts of which were not audited in this office.

Copy of letter from the Accountant General Madras to the Examiner P.W. accounts No. 1582 dated 9th July 1881.

With reference to your letter No. 1294 P. dated the 28th June 1881, I have the honor to state that from the books of this office it is clear that the Receipts and charges of the "Cochrane's and Sadras Canal Fund from 1865-66 have been treated as Receipts and charges under Local Funds and not under Provincial accounts. Sambavam Pudelian pension would therefore have to be apportioned to Local Funds and General Revenues in proportion to the length of Canals headed in and the Salaries paid from each of these.

I beg you will reconsider the observation contained in your letter under acknowledgment and refer the point to Government for decision if necessary.

I have

The fund would seem to have been amalgamated with Provincial Services only in 1879-80 under Government order No. 1120 M dated 10th May 1880.-

P. SAMBASIVA MUDALIAR LATE TOLL SUPT. BUCKINGHAM CANAL. REGARDING THE DISTRIBUTION OF PENSION SANCTIONED FOR ------BETWEEN LOCAL FUNDS AND GENERAL REVENUES.

Pension DEPARTMENT.

No. 1149-81

From The Examiner of C. Ys Accounts dated 21 July 1881

FOR ORDERS.

The question now to be decided is whether the Compensation pension of Rs 50 granted to P. Sambasiva Mudeliar should be distributed between Local Funds and General Revenues.

The Government in para 2 of their order of 24th January 1873 No 58 decided that Section 29 Clause I, now Section 83 Rule I of the Civil Pensions

pension Rule 5th Edition was inapplicable in the case of Goday Venkatasubbiah Naidu late Toll Superintt Cochrane Canal, and hence the distribution of charge on account of pension according to the rule of proportion was requisite - After that man's retirement on the 4th October 1871, the present applicant A Sambasiva Mudeliar was confirmed in the same post and continued in the Service till 7th July 1879. The Cochrane Canal Estt. on which he was employed was under the Superintendence of the Collector in the Revenue Department till 7th July 1879. The establishment was subsequently transferred to the Public Works Department - after a further service of 8 months at Toll System on the Buckingham Canal

the applicant was thrown out of employ by transfer of establishment - The distribution between General Revenue and Local Funds Accounts therefore necessary for the reasons given in G.O. of 24th Jany 1873 which the Secretary should say be followed rules the case.
