The Accountant General

Sir,

I have the honor to return herewith your letter N. A. D. K. dated 12th July 1882, with its 2 enclosures accompanied by the explanation received from the Superintendent of Post offices, Trichinopoly Division, which contains the required information on all points raised in connection with the services of Kallianee Sewigara, late District Post Runner, except for the latter part of No. 35 and No. 36.

As regards the latter part of No. 35, no information is forthcoming in the records of this Office as to why no detailed list of the District Establish-ment was furnished to your Office for the year 1871 though it appears that a nominal roll showing the number of Postal runners employed in each

Division of the District was submitted to your office on the 1st April 1871. No list for 1872 was furnished probably because the connection of the Revenue Department with the Postal Establishment virtually ceased in that year.

3. As regards No 36, a large portion of the applicants services had to be verified from affidavits and evidence of contemporary employers, because, beyond lists showing the number of runners employed in each Sub Division and those too not regularly maintained, no Baravands regarding this class of servants are forthcoming either in the Huzur records or in the records of the Deputy Sahibdaris office.

- 11.2. The class of records from which the applicants' services have been verified is acquaintance Rolls. This has been now inserted in the column headed "How verified" in the 2nd page of the application.
- 11.9. The delay in the submission of the pension application was owing to the difficulty of verifying the applicants' service which was partly in the Revenue Department and partly in the Postal Department. Reference had to be made to the Collector for verification of the services of the Runner prior to March 1874, and declarations of contemporary employees had to be obtained in the presence of a magistrate. The application was submitted to the Collector of Madras on the 18th March 1882.
- 11.12. The applicant being very ill was relieved of his duties on the 7th September 1882, but did not produce the medical certificate till seven days afterwards.
- 11.21. The Deputy Tahsildar of Ramnad reported that the applicants' services were verified by his office records only from the 7th July 1871 to March 1872: and it appeared from the records of the Madras Post Office that the applicant drew pay as Runner of the Attangarai stage from March 1874 to 31st August 1881. The applicants' service from 1860 to 30 June 1871 were not verifiable from any records, and consequently the affidavit of a Venkat Rao who was employed as a Postmaster on the line Ramnad to Madras, and who had frequent opportunities of meeting the applicant

on duty was obtained. The evidence is therefore satisfactory.

33. The applicant drew pay only up to the 31st August 1887. and he was then allowed leave without pay, to enable him to produce a medical certificate, which he did on the 7th September 1887.

34. Although the applicant is stated to be under 55 years he is by reason of weakness from old age unable to men with the mail, and therefore unfit for service. He is now very ill, and unable to proceed to Madras to obtain a second medical certificate.

35. The addition "Serruigaram" is a term indicating caste, and "Kaliari" is his proper name. Subsequent to 1872, the control of the Madras District Post was taken over from the Revenue authorities by the Imperial Post, and no detailed Post List was submitted to the Accountant General by this Department as it was not called for.

36. Prior to 1872, the Madras District Post appears to have been entirely under the control of the Revenue authorities, and I am therefore unable to state why the applicant's services are not verifiable from Records in the Office of the Dy. Tahsildar of Ramnad.
