GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From the Vice-President, Local Fund Board, Anantapur Circle, dated 30th May 1882, No. 159.

Certificate and report of the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 21st September 1882, No. A.D.J.-251.

Certified that qualifying service in superior grades has been duly proved for twenty-three years, six months, and twenty-one days, and that an invalid pension, not exceeding Rs. 6 per mensem, equal to one-third average emoluments, is admissible under Sections 102 and 109 (*b*) of the Civil Pension Code, 5th Edition. The calculations have been duly verified. It will be seen, from the accompanying papers, that the applicant's service was paid partly from the General Revenues and partly from Local Funds. Rule I, Section 83, of the Civil Pension Code prescribes that any retiring allowance admissible to a person paid as above, should be debited according to the Rule of Proportions. The pension admissible to the applicant would, therefore, be debitable to "General Revenues" and "Local Funds," as shown in the margin. Government, however, in their order, No. 1719, dated the 14th September 1881, Financial Department, resolved that Medical Officers and Vaccinators, lent to Municipalities or Local Fund Boards, should count service for pension from Government without payment of the pensionary contribution. If it be decided that this order is applicable also to the case of the applicant, who retired from the service nearly eighteen-and-a-half months before the date of its issue, it would follow that the whole of his pension should be borne by the General Revenues. Ordinarily, an officer's pension is held to be governed by the rules in force at the time when he retires from the service.

	RS.	A.	P.
General Revenues	3	7	1
Local Fund Board, Anantapur Circle	2	8	11
Total ..	6	0	0

2. The above calculation of the proportionate debits of the pension is made on the principle that the pay of the Vaccine Establishments was charged to Local Funds with effect from 1st April 1871, and not from 1st April 1875 as stated by the President, Local Fund Board, Anantapur Circle, in his reply to this office reference, No. A.D.K.-45, dated the 22nd June 1882, accompanying.

3. The delay in the submission of this application is explained by the President in the reply quoted above.

4. In accordance with Rule IV, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Proceedings of the Board of Revenue, dated 14th October 1882, Mis. No. 7932.

Read—Application for Pension and Report of Accountant-General, dated 21st September 1882.

Resolution—dated 14th October 1882, Mis. No. 7932.

Submitted to Government with the Board's recommendation that the pension applied for be granted.

2. The Accountant-General observes that the charge would, under the ordinary rules of the Pension Code, be debitable proportionately to General and Local Fund Revenues, but that, if the principle of G.O., No. 1719, dated 14th September 1881, Financial Department, be applied to the case, the whole will be debitable to General Revenues. The Government Order in question was not issued till eighteen-and-a-half months after the applicant retired, but as his pension has not yet been sanctioned, the Board consider that the principle of it may well be applied, and the charge debited wholly to General Revenues.

His age is by his own statement 58 and by appearance about 60

I consider Pennacondah Meera Sahib to be completely and permanently incapacitated from further service of any kind in the Department to which he belongs in consequence of being old & worn out and suffering from General Debility and he is likely to break down at any time.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The Accountant General
Fort Saint George.

Sir.

With reference to your letter (herewith returned with its enclosures) No A.D. 16/45 dated 22nd June 1882, I have the honor to furnish the following information.

2. The services of the late Vaccinator Meera Saib were verified from the pay bills and records of the late Pennakonda Local Fund Board for the time he was in the employ of Local Fund Boards i.e. from 1st April 1875 to 29th February 1880. His services from the date of his first entertainment up to 31st March 1875 are verified as stated by the Civil Surgeon, from the "Vaccination Return Book" and "Miscellaneous Return Book" in which the pay abstract is also entered.

No 8. True copies of correspondence bearing on the applicants' suspension in November 1877 and of the Last pay certificate are herewith forwarded.

No 9. The delay is attributable to the correspondence which took place between the President, Bellary, Vice President of Penukonda Local Fund Board, Civil Surgeon Bellary, Inspector of Vaccination Madras and Deputy Inspectors of Vaccination of Bellary and Penukonda Circles for the required information in view to the preparation of the Pension application.

No 10. The applicant was declared to be unfit by the Civil Surgeon on the 21st January 1880 but the Deputy Inspector of Vaccination of the late Penukonda Circle reported the matter to the Vice President of the Circle on the 31st January 1880 and its disposal was delayed in the late Penukonda Vice President's office from causes unknown. The matter was at last disposed of by the Circle Board at their meeting held on the 6th March 1880 and referred to the President of Bellary for orders for the removal of the applicant from service.

The President's order was received on the 26th March 1880. 9a

The Vaccinator seems to have been relieved of his duties on the 29th February 1880 in anticipation of the President's sanction.

Copies of the correspondence explaining the delay are enclosed.

No 23. The Civil Surgeon Bellary reports that the Annual Return of Vaccination for 1864 is not to be found in the records of his office vide his letter No 442 dated 23rd August 1882 copy enclosed.

No 24. No information can be had either from the records of the late Penukonda Circle or from the Deputy Inspector of Vaccination of that circle to explain the circumstances under which leave on medical certificate was granted to Meera Sahib from 1st August to 30th September 1879. But from the Pay abstracts of the Penukonda Range for August and September 1879 it will be seen that he was doing his duty

drew full salary for these months.
The entry in his service Register to the effect that leave on Medical certificate was granted him from 1st August to 30th September 1879 seems to be an erroneous one. "Leave on Medical certificate on half pay from 1st August to 30th September 1869" would agree with the pay abstracts for that year. I have therefore altered the entry in the Service Register and revised the Pension application which is herewith submitted for sanction

No 25. The applicant's pay was charged to Local Funds from 1st April 1875 and the present Anantapur Local Fund Board should bear the proportionate cost of pension debitable to Local Funds. A Memo showing the calculation of the proportionate debits is herewith forwarded as requested.

2. The delay in answering your letter was owing to the necessity for correspondence with the Deputy Inspector of Vaccination Penatrondu Rayo, the President Local Fund Board Bellary and the Civil Surgeon Bellary. The reply of the last mentioned Officer was received only on the 25th ~~instant~~ August/82

3. The Vaccinator (Meera Saib) cannot give any information regarding his Pension application and does not even remember what leave and allowances he obtained during the whole period of his service.

Sir

I beg to bring to your notice that on my inspecting the work performed by the 1st Class Vaccinator Meera Sahib No. 31 of Pennaconda Taluq for the months of August & September 1877 I found not a Case was successful and his returns exhibit the result of operations as follows

For August 1877. Males 43. females 28. total 71. successful 61 unsuccessful 5 unknown 5. and

for September 77. Male 42 female 32 total 74 successful 55 unsuccessful 7. unknown 11, thus making a total of 140 Cases in all.

He has been frequently warned, to submit his weekly reports &c punctually at the due dates, and for which he neither replied nor the statement alluded to was submitted. I have asked the Vaccinator on more than one occasion to produce his nominal register of Vaccination, yet he failed to do so. This Vaccinator accompanied me to 6 villages where he said he has Conducted the Vaccination, but I regret to state that I have not seen at least a single Case of his operation. The village authorities state that vaccinator never visited their villages in August nor in September last. My question on the subject replied by the Vaccinator was nothing but Excuse, pardon, or otherwise deaf silence; moreover I have asked him in my telegu Takeed No. 69 (a Copy of which is herewith enclosed) for your perusal and favourable Consideration) though directed therein to submit his explanation in writing besides warning him that any delay to its reply within ten days shall the whole matter be brought to your kind notice but he never replied as usual; upon which I have again on the 2d current visited him at Bookapatam where I have also asked him more than once to reply to my Takeed referred above he quite resolved not to reply me to the point I required but pleads for excuse at each time.

I have further inspected 20 cases operated by him during the month of October/77 I am sorry to state that all were found to be unsuccessful. and I am confident that they have been vaccinated with deteriorated lymph only about 10 days previous to my last inspection

On my Enquiry I was given to understand that the Vaccinator Meera sahib was at Penukondah to observe his festival

days called "Rozu" of 30 days which in the months of August and September which induced him to falsify his returns for those months.

12a

It is sufficient to prove the fact by the Vaccinator himself for he has no other excuse than to admit the trick he has displayed in the transaction of his public duty; in the Event of your calling to appear before you for your personal Enquiry and satisfaction.

In conclusion I beg respectfully but with regret state that I observed all of his tricks ~~and~~ in all the villages of the Taluq and I have no hesitation whatever to assure you that he is in guilt for the fact above alluded to, and therefore place the whole matter before you for your favorable Consideration and to dispose the Case as you deem proper, so that it may act as a lesson to the other vaccinators of the staff and to prevent them from doing such tricks in their duty also.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in { ~~inferior~~ superior } grades has been duly proved for 23 years 6 months and 21 days; and that an Invalid { pension ~~gratuity~~ } equal to ⅓rd average emoluments not exceeding Rs. 6 " " per mensem, is admissible under Sections 102 & 109(b) of the Civil Pension Code, 5th edition. The calculations have been duly verified. ~~The { pension gratuity } is chargeable to~~ It will be seen from the accompanying papers, that the applicant's service was paid partly from the General Revenues and partly from Local Funds. Rule 1 Section 83 of the Civil Pension Code prescribes that any retiring allowance admissible to a person paid as above, should be debited according to the Rule of Proportions. The pension admissible to the applicant would therefore be debitable to "General Revenues" and "Local Funds" as shown in the margin. Government however in their Order No 1719 dated the 14th September/81 Fr. Depth, resolved that Medical Officers and Vaccinators lent to Municipalities or Local Fund Boards, should count service for pension from Government without payment of the Pensionary contribution. If it be decided that this order is applicable also to the case of the applicant who retired from the Service nearly 18½ months before the date of its issue, it would follow, that the whole ~~portion~~ of his pension should be borne by the General Revenues. Ordinarily an Officer's pension is held to be Governed by the rules in force at the time when he retired from the Se

General Revenues	Rs 3-7-1
Local Fund Board Anantapur Circle	2-8-11

The above calculation of the proportionate debits of the pension is made on the principle that the pay of the Vaccine Establishments was charged to Local Funds with effect from 1st April 1871 and not from 1st April 1875 as stated by the President Local Fund Board Anantapur Circle in his reply to this Office referenced No. AJK/45 dated the 22nd June/82 accompanying.

The delay in the submission of this application is explained by the President in the reply quoted above.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Service from 1st January /54 to 30th September /55 does not count for pension being rendered in an appointment on Inferior Grade.

Verified partly from the records of the Vaccine Depart. Read Application for Pension & Report of Accountant General dated 21st September 1882.

Resolution. — D/14 Oct. 82, Mis. No. 7932.

Submitted to Government with the Boards' recommendation that the pension applied for be granted.

2. The Accountant General observes that the charge would under the ordinary rules of the pension Code be debitable proportionately to general and Local Fund Revenues but that if the principle of G. O. No. 1719 dated 14th September 1881 Fin. D. be applied to the case the whole will be debitable to General Revenues. The G. O. in question was not issued till 18½ months after the applicant retired but as his pension has not yet been sanctioned the Board consider that

that the principle of it may well be applied and the charge debited wholly to general Revenues –

A delay of 2½ years has occurred in the submission of this application & it is not satisfactorily explained by Coll^r's letter.

II The ruling of India in × says that

× G.O. 14th Sept^r 1881. No 1719 } see 10 Civil ~~Pension~~ Code service of Medical Officers & vaccinators counts as Gov^t service for pension.

This is an interpretation of a rule before existent; hence it should apply, it is submitted, to this case though the applicant retired in 1880 before Gov^t received the letter from India.

Hence the whole pension is assigned in draft G.O. to General Revenues and no part to L.F.B. The Board hold so too.
