From

THE SUPERINTENDENT, ARMY CLOTHING,

Madras,

To

THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT,

Fort St. George.

SIR,

I have the honor to report that Mr. G. W. M. Taylor the Head Accountant of this Office, is in my opinion no longer fit for the responsible position he holds in this Department. Mr. Taylor was transferred from the Ordnance Office to this, because he was not thought to possess the necessary technical knowledge required there, and he is apparently not up to the system of audit ~~see~~ in existence in this. The Controller of Military Accounts is aware of the state of arrears in which Mr. Taylor's branch of this Office has been kept and it is with very great difficulty that since I took charge in March last the accumulated arrears have been worked off, and the current work kept up to date. I have been obliged to place the Head Assistant Mr. Beaumont in charge of Mr. Taylor's post.

to

to enable ^{me} to get the work well in hand - I may mention that, Colonel Searle, in writing to me on the 15th September last says that, he thinks it would have been better if Mr Taylor had been pensioned instead of being transferred to this office -

This Department has such a large amount of responsible work to get through, and is so short handed also, that it is impossible to have matters in a satisfactory state, with a Head Accountant who is unable to keep his part of the Office work up to date, and in proper order. The Controller of Military Accounts will, no doubt hear me out in what I have said about the account branch of this Department -

I beg to recommend ^{that} agreeably to P. O. No 2596 of 12th September 1871 Mr Taylor be pensioned, and I herewith send the necessary papers, Service book, and Vouchers to support the periods of Service to which Mr Taylor considers he is entitled as "Service towards pension" -

I have the honor to be,
Sir,

Your most obedient servant

Wm. Colman

Total Rs 24-8-28.5

2. It will be observed that there exists a break in the above service from the 18 July 1857 to 1st January 1858; should Government be pleased to allow the service prior to that break, Mr Taylor wants 3 months and 2 days service to allow him half pension on medical certificate, otherwise he can only receive one-third pension.

By Order of the Secy to Govt
1/30/81

3.

It is noted that the Superintendent of Army Clothing considers the clerk ~~not~~ quite ⁱⁿ efficient and desires his transfer to the Pension Establishment, under Proceedings of Government, Financial Department, of 7 August 1871, N^o 309.

4.

With reference to the remarks of the Clothing Agent that this Office is aware of the arrears, which existed in his Office, there is no doubt that very heavy arrears of work did exist, but this office is not in a position to pay how far Mr Taylor ~~was~~ answerable for the same.

I have the honor to be,

Sir,

Your obedient servant

J. M. L. Colonel
Off. Contr. of allig. Acts.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

5th January 1882, No. 10, Pension.

READ—the following letters:—

From the Superintendent, Army Clothing, Madras, dated 18th November 1881, No. 103.
From the Controller of Military Accounts, dated 13th December 1881, G.

ORDER—dated 5th January 1882, No. 10, Pension.

With reference to paragraph 2 of the Military Controller's report, dated 13th instant, G, it appears that even if the break in Mr. Taylor's service be condoned he cannot under the Rules be allowed to count his service before the 19th July 1857, amounting to ten months and eighteen days, as all his previous service is stated to have been temporary. Deducting such service his net service towards half pension falls short of twenty-five years by one year, one month, and twenty-five days; but as Mr. Taylor is not yet 55 years old he cannot be compulsorily removed from his appointment unless medically certified to be unfit for further service, so that so far as the case is now before Government no pension of any description is admissible under the Code.

2. To entitle the applicant to a one-third pension, a medical certificate of unfitness for further service must be submitted, otherwise the applicant must be continued in service, though not necessarily in his present post, if he is not fit for it, till he attains his 55th year, or he may be allowed to remain in service, if possible, till he has earned a half pension.

3. The applicant's Service Book is incompletely submitted, the reason of termination in Column 11 is not filled in, and Column 12 is not signed by the Head of the Department.
