The
Humble representation of Mr. H. L.
Appel Kuriah Satiella
Capt Goddard. On

Most respectfully I humbly beg to lay
the following very humble petition in before
to your Lordship No 942 of 29th September
1882. from the Madras Govt for a petition
of his to your Excellency of 12th August 1882.
stating that he had received the full
amount of retiring allowance due to him
and that his present request is inadmissible.

Your humble petitioner begs
respectfully to state that he does not desire
the retiring allowance alluded to by the
Madras Govt but his humble appeal
is that the this had been given him of some
his will, yet he prays humbly that your Lord-
ship will take his very active service for
26 years 6 months into consideration & directs
that the service he has given the Honorable
Govt may entitle him to a monthly pension
which if granted, the your Lordship's humble
petitioner is quite ready to forego his 14 years
Eleven months wages that had been granted
him in lieu of a pension he had been enti-
tled to. Since his inferior service bears
the above 26 years 6 months Count to 6 years
on Rs 10 per mensem which in all comes
to 32 years active service in the B.P.W.
service which time according to the regulations

of the service & the Superior Officers he
had served under were removed from one
post to another and after the then Captain
A. J. Cotton coming to the Godavari, your
Petitioner was sent to serve under that brave
man where he had shown his abilities
and after the completion of the work there
your petitioner was sent with Colonel Alder
to the Pindia for the completion of the
Muzir & over that River where also
he had given satisfaction and returned
to the Godavari, where up to Date of
dispensing with his services, he supplied
water to 22000 Acres without any obstruction
or impediment for the farming to the Ryots
there. All this your humble Petitioner
had done on the Paltry Salary of Rs 40 per
Mensem and which at last on coming
to old age his services had been fruitless
and himself left destitute in the world
without a pension, for which he
had ever bid his God the good day, that,
his old days may be blessed with comfort.

We therefore pray that your
Lordship will give your Lordships own
decision in this matter without referring
this to the Madras Govt where your Lordships
humble Petitioner is confident, he
will meet with Justice. But if personally
called

looked into and decided your Lordships
humble Petitioner is quite confident
that his humble petition will have Justice
franted it and that he and family will
reap the fruits of his younger days services
from an honorable work he had loved
his time under.

And as in duty bound

Ever Truly

to subscribe him self

Ever a loyal servant
