PENSION DEPARTMENT.

LETTER—to

THE RESIDENT IN MYSORE,

SIR,

I am directed to request that you will be good enough to bring before the notice of the Government of His Highness the Maharajah of Mysore the case of Nursiah, late Head Writer in the Amrut Mahal Establishment.

2. The appointment of this individual, who served upwards of twenty-six years, was abolished when the Amrut Mahal was transferred to the Mysore Government.

3. But for this transfer he would either have been granted a compensation pension of Rs. 30 had his appointment been abolished, or would have continued to serve for the brief period required to enable him to qualify for a retiring pension of the same amount. As, however, no permanent saving is anticipated from the transfer, no compensation pension can be granted, and this Government has reason to believe that an application to the Government of India for an extraordinary pension would probably be ineffectual.

4. In these circumstances I am to invite attention to paragraph 11 of your letter of the 2nd January 1882, No. 2300, to the address of the Secretary to Government, Military Department, and to request that, if practicable, arrangements may be made for obviating the hardship that will result to the applicant if he is discharged without any retiring allowance after a service extending over upwards of twenty-six years.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 4th August 1882, No. J.A.E.-171.

With reference to your endorsement, No. 61, dated the 13th July 1882, referring to me for report a letter from the Controller of Military Accounts, dated the 8th idem, submitting an application for a compensation pension on behalf of Nursiah, late a Clerk in the Amrut Mahal Department, I have the honor respectfully to invite the attention of Government to the circular by the Government of India, No. 1690, dated the 22nd July 1878, printed as a foot-note to Rule 6, Section 100, of the Civil Pension Code, from which it will be seen that the Supreme Government are not disposed to sanction any relaxation of the rule which requires that a saving to Government should be first effected before the question of the grant of a pension or a gratuity to a person who lost his appointment in consequence of reduction of establishment can be considered.

2. In the case under reference it would seem, from the accompanying papers, that there is no saving to Government sufficient to cover the cost of any pension that would otherwise be admissible to Nursiah for his service extending over a period of twenty-six years. His claim to a compensation pension would, therefore, seem to be untenable.

No. 72.

OFFICIAL MEMORANDUM.

With reference to paragraph 2 of the Controller of Military Accounts' letter recorded in G.O., 22nd February 1882, No. 458, Military Department, and his letter, dated the 4th August 1882, No. J.A.E.-171, the Accountant-General is directed to report after inquiry whether no saving actually occurred, a fact which cannot be gathered from the papers quoted.

22nd August 1882.

(Signed) J. D. REES,
Acting Under Secy. to Govt.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 14th October 1882, No. J.A.E.-290.

With reference to your memorandum, No. 72, dated the 22nd August 1882, directing me to report whether no saving to Government was effected in consequence of the transfer to the Mysore Government of the establishment of Amrut Mahal Department, I have the honor to submit the accompanying copy of a letter from the Controller of Military Accounts, No. 2212, dated the 28th September 1882, from which it will be seen that no permanent saving is anticipated in consequence of the transfer of the above-named establishment.

2. I observe however, from paragraph 2 of the letter of the Controller of Military Accounts, dated 19th January 1882, embodied in Government Order, Military Department, No. 456, dated 27th January 1882, that the saving from the abolition of the establishment was in the first instance Rs. 22,961 per annum, and that the Controller's statement that there will be no eventual saving rests on the assumption that the whole of this saving will be expended annually in the purchase of cattle from the Mysore Government, the amount being, the Controller observes, "as nearly as possible that which it is understood will be required." It may, therefore, perhaps be possible for Government to reduce this annual expenditure for the present by Rs. 360, which is the sum required to provide the pension of Rs. 30 per mensem to the applicant.

3. The enclosures to the memorandum under reply are herewith returned.

ENCLOSURE.

From Lieutenant-Colonel M. C. PERREAU, Officiating Controller of Military Accounts, to the Accountant-General, dated Fort St. George, 28th September 1882, No. 2212.

In returning the accompanying correspondence received with your letter, No. J.A.E.-231, dated 8th September 1882, I have the honor to invite attention to Proceedings of Government, No. 456, dated 27th January 1882, forming one of the above enclosures, from which it will be observed that no permanent saving is anticipated in consequence of the transfer of the Amrut Mahal cattle to the Mysore Government.

ORDER—dated 24th November 1882, No. 1149, Pension.

Ordered that the following letter be despatched to the Resident in Mysore.

SIR,

With reference to your Endorsement N^o 61
dated the 13th July 1882, referring to me for report,
a letter from the Controller of Military Accounts,
dated the 8th Idem, submitting an application
for a Compensation Pension on behalf of Nursiah,
late a Clerk in the Amrut Mahal Department,
I have the honor respectfully to invite the attention
of Government to the Circular by the Government
of India N^o 1690 dated the 22nd July 1878, printed
as a foot note to rule 6, section 100 of the Civil Pension
Code, from which it will be seen that the Supreme
Government are not disposed to sanction any
relaxation of the rule which requires that a
savings to Government should be first effected
before the question of the grant of a pension
or a Gratuity to a person who lost his appoint-
ment in consequence of reduction of Establishment
can be considered.

2. In the case under reference, it would
seem from the accompanying papers, that there
is

is no saving to Government sufficient to cover
the cost of any pension that would otherwise
be admissible to Nivisiah for his service
extending over a period of 26 years. His claim
to a Compensation pension would therefore
seem to be untenable.

From

ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE *A. F. Under Secretary to Government*
Pension Department.

SIR,

With reference to your memo-
randum No 72 dated the 22nd August
1882, directing me to report whether no
saving to Government was effected in
consequence of the transfer to the Mysore
Government of the Establishment of Amant
Mahal Department, I have the honor to
submit the accompanying copy of a letter from
the Controller of Military Accounts No 2212
dated the 28th September 1882, from which
it will be seen that no permanent saving
is anticipated in consequence of the transfer
of the above-named Establishment.

2. I observe, however, from para 2
of the letter of the Comptroller of Military Accounts
dated 19th January 1882, embodied in Govern-
ment Order, Military Department No 56
dated 27th January 1882, that the saving
from the abolition of the Establishment was
in the first instance Rs 22961 per annum
and that the Comptroller's statement that

there

There will be no eventual saving rests on
the assumption that the whole of this saving
will be expended annually in the purchase
of Cattle from the Mysore Government;
the amount being the Comptroller
observes "as nearly as possible that which
it is understood will be required." It may
therefore, perhaps, be possible for Government
to reduce this annual expenditure for
the present by Rs. 360 which is the sum
required to provide the pension of Rs. 30
per Mensem to the applicant:—

3. The enclosures to the Memo
randum under reply are herewith returned.

Let me see any papers relating to this.

Transferred to Mysore of the Amrut
Mahal Dept. I don't understand
the object of this. - How
can we reduce the number
of people to be maintained
from Mysore and transfer to
Mysore? - It seems
absurd. The 1st of people
to be brought must, I suppose
depend on public requirements
and are there to be made
to give way to public requirements.

The Resident in Mysore in
para 11 of his letter read in
S.O. 29th March 1882 no 1498
says

"arrangements have been
made for the retention of the
existing Amrat Mahal Establish^t
so that no hardship or difficulty
will arise on that score."

It is suggested then that
the main case might perhaps
be brought to the notice of
the Mysore Govt. as no
pension can be passed
to him.
