GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Conservator of Forests, dated 19th September 1882, No. 1068-C.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 6th October 1882, No. A.D.J.-264.

Certified that qualifying service in superior grades has been duly proved for thirty years, ten months, and sixteen days, and that a retiring pension, not exceeding Rs. 175 per mensem, equal to half average emoluments, is admissible under Sections 107, 109 (c), and 112 of the Civil Pension Code, 5th Edition. The calculations have been duly verified. In paragraph 4 of his letter to the Conservator of Forests, No. 365, dated the 25th August last, accompanying, Mr. Yarde expresses his anxiety to remain at his post till such time as his application for pension may be finally disposed of by Government. If this request be complied with, the pension sanctioned on this report will become payable from the date on which he may be finally relieved of his appointment as Deputy Conservator of Forests, Cuddapah Division.

2. In his letter, No. 1068-C, dated the 19th September 1882, the Conservator of Forests very strongly recommends that Mr. Yarde should be granted a special pension of Rs. 200 per mensem, as a mark of appreciation of his services under Government. With reference to this recommendation, the attention of Government is respectfully drawn to Section 134 of the Civil Pension Code, from which it will be seen that the grant of a pension in excess of the amounts admissible under the rules, or involving any relaxation thereof, requires the sanction of the Secretary of State.

3. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 27th November 1882, No. 1154, Pension.

Under Sections 107, 109 (c), and 112 of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr. Henry Hugh Yarde, late Deputy Conservator of Forests, Cuddapah Division, a retiring pension of Rs. (175) one hundred and seventy-five per mensem, payable at Madras, from the date on which he is relieved of charge of the Cuddapah Forest Division, in consideration of his qualifying superior service of thirty-one years and sixteen days.

2. Mr. Yarde's application for a special pension cannot be entertained.

Mr. Gard
As it is now probable I shall
be leaving the Department im-
- mediately with little chance of re-
- turning again, I must write and
thank you for all the assistance
you have given me whilst in charge
here, you have always cheerfully
done your duty, although at times
I know you were put to great in-
- convenience. I can safely say that
I never had a more trustworthy
steady person to deal with and
one who I believe did his utmost
to please his superior officer in
the diligent performance of his du-
- ties.

I sincerely trust the Officiating
Conservator will when he is ac-
- quainted with your worth and
abilities not forget to reward
you

you by promotion, and if I am
fortunate enough to re-enter the
Forest Department, I should
be only too delighted to find
I was to have you again under
me to assist me. Rest assured
if you still pursue the good course
you have already begun, you will
in time reap the reward. Good
and steady men are scarce.

Should you at any future
period require assistance to better
your circumstances you may send
me a letter whenever I am, and
I will do my best for you.

Wishing you all happiness, and
prosperity in your future career.

Believe me always
Your Well wisher and friend

Para 4. + + + I shall however
first observe that Mr Oversee Garde
has done good service at the risk
of his health, and constitution,
he has also been put to considerable
expense in travelling from one
point to another, often exposed
to the inclemencies of the weather
and to meet with a hint decent
enough to enter into is a luxury
beyond his reach. I therefore propose
that his salary be raised from 60 to
80 Rupees a month.

Para 3. The Board will find in
the

The enclosed copies of testimonials how much Mr. Gardie's services have been appreciated by those under whom he has served. I can add to the opinions already expressed, by saying, that Mr. Gardie takes great interest in his work, and possesses great knowledge of it. He never spares himself even when bad health brought on by exposure, and fever, would justify him leaving his work for a time. The forest work in this district has been most efficiently performed by Mr. Gardie for some years, and I trust that the Board will do him the bare justice for which he asks. Mr. Gardie is also the senior of the present 3^d Class Deputies, but he does not wish to press his claims so far. The least which, I think could be done for him, in consideration of his good work and long service, would be to make him now a 3^d Class Deputy, or, if for financial reasons this is not practicable, he ought to be made the senior man in his class.

23. It is clear from copy of a statement submitted to the Board of Revenue on the 18th May 1860 that Mr. Burby was Chowkedar and Police amin, Paimban on Rs 50, — Rs 35 as Chowkedar and Rs 15 as Police amin, or Sub Magistrate, as shown in the application. The entry of Rs 35 in the annual Return referred to refers only to part of the salary he was actually drawing and is apparently a mistake.

32. He was allowed leave for 6 months from January to June 1863 to enable him to enter the Police Department as Inspector on probation; and he returned to his permanent appointment in the beginning of July, one Arundachalam Pillai, clerk of the Sea Custom Office, Paimban, having been appointed to act during the interval. Hence the omission of Mr. Burby's name from the Annual Return of 18th May 1863.

Para 6. The report on the whole is very satisfactory, and the good condition of both plantations and Reserves reflects credit on the care and industry of Mr. Girdle the Deputy Commissioner.

This Excellency in Council is pleased now to mark the sense of the good services of Messrs Ferguson, Yarde, and the field by granting an immediate increase of their allowances which in the case of the two latter will be similar to those of a Deputy Commissioner of the 3^d Class.

Para 2. Mr. Oyarde has well explored the whole Range and his report is a good one.

Para 14. Mr. Oyarde informs me, that he returns from the service in a few weeks next, so this will be the last inspection.

"And I have, always found him most careful and attentive and never shirking field work. The Revenue under his administration had always been a good surplus, he has lately discharged very much from public hands."

No 150 Deputy Conservator of Forests
Madras
27 May 1882
From
H. H. Vardoliquet
Deputy Conservator of Forests
Madras
Major J. Campbell Walker
Conservator of Forests
Madras

Sir
I have the honor to inform you that
I am desirous of retiring from the service
from the 1st September next, for
which purpose I am hereby respectfully
submitting my application for pension
together with the necessary papers
for submission through
the Accountant General.
In taking this step I have the full
assurance that you will do every
possible thing with your powerful influence and
support, taking into considera-
tion the knowledge you have of me
of my character, and the manner
I have conducted my duties in the
Forest

Forest Department since my connection
with it for the past twenty five years,
during which long period I have had
no leave of any description with the
exception of casual leave.

3. In 1857 I first joined the Forest De-
partment as a clerk in the Conserva-
tor's Office, from which post I was
selected by Mr. Cleghorn the then
Conservator of Forests, and promoted
to the Overseeer's grade, and gradually
rose to my present position as Deputy
Conservator. The dates of the orders
promoting me to the
several grades is given
in the margin.

4. I was appointed to
the charge of the Cudda-
pah Division in 1862.
In the same year the
North Arcot Division
was added to my charge
consisting of the Chennai
Madracherry, Vellore and
Polur Taluqs. In May
1869 the Ghosly planta-
tion in the Bellary Dis-
trict was also placed
under my control. For these extra duties
I received no additional remunera-
tion. In 1870 I was relieved of
the

the North Arcot Division, and in June
1875 the Ghosly plantation was placed
under the charge of the Collector of
Bellary.

5. I need not detail to you the man-
ner I have worked in bringing the
Cudda-pah Division to its present state
of efficiency. When I first took charge
of this Division the revenues amounted
to only Rs. 10,000 yearly, but by strict
conservancy and judicious supervision
I have been able to raise the revenue
to Rs. 80,000 or even to a lakh of Rupees.
The manner I have supervised this im-
portant division has been several times
acknowledged by Her Majesty's Secre-
tary of State for India, the Madras
Government, by yourself, your Pro-
cessor Col. Beddome, and the several
Collectors of Cudda-pah, which is a
sufficient guarantee to me that I
have discharged my duties to the
entire satisfaction of my superiors.

6. To enable me to earn a perpetual
pension in the evening of my life con-
sistent with the services I have
rendered to the State, I beg to seek
your kind support and advocacy
on my behalf, and to solicit the
favor of your kindly recommending
me

me for a pension of Rupees Two hundred per mensem as a special case, and I have not the least hesitation in stating, that if you were to lay my case before the Government with your powerful recommendation, the Government will be pleased to grant my request, as the Government are already well aware of the good services I have rendered in the Forest Department, and my present prayer is nothing more than to obtain a sufficient pension to support me for the remainder of my life.

I therefore earnestly solicit that you will grant me this support in placing my papers before Government for disposal.

I have the honor to be

Yours most Obedt. Servant

Office of Asst Secy of Forests.
No. 169. Madras. 19th Febry 1881.

From L. J. Blenkinsop Esq.
Asst Secy of Forests.
To Captain H. R. Morgan
Acting Conservator of Forests.

Sir, I have the honor to submit the following
proposition for your consideration and to hint,
in the event of its meeting with your approval,
that you will kindly place the subject before
Government, with such remarks as you may
deem my suggestions deserving of.

2. When the Salem jungles were first taken
under Conservancy, Government were pleased
in Ex. Off. No. 943 dated 9th of July 1858, to
sanction the Establishment noted in the margin.

This arrangement was again modified by Mr.
Fleghorn in his letter to Government of 7th
October 58. No. 452. Paras 5 and 6. and received
their approval, in Ex. Off. No. 1514 of 10th Nov^r
1858. Para 2. viz. the employment of additional
Peons within the sum allowed for the one of the
Overseer viz 80.

3. The terms of the above modifications I
entertained an additional 2 Peons in 6 Rs.
each. I did not however take advantage of
the licence given me, as at this time and
up to the present period, I have been

assisted by the Revenue Agents at the several
Tanna's Stations. These men aided my
Department in the collection of duties on
heavy loads of timber which had to pass
thru Tanna's and I must here confess that
I had never any faith in their honesty as they
are no proof against bribery and corruption
from the smallness of their pay a month.
They are about being removed owing to the
introduction of the Mofussil Police, from
whom I cannot expect any assistance as
their duties will be confined to prevent crime
rather than collecting Revenue.

4. Under the above circumstances I have the honor to beg sanction to the proposed scale of Establishment herewith enclosed. I shall however first observe that Mr. Cassen Gander, has done good service at the risk of his health and constitution; he has also been put to considerable expence in travelling from one point to another, often exposed to the inclemencies of the weather and to meet with a hut decent enough to enter on it is a luxury beyond his reach. I therefore propose that his salary be raised from 60 to 80 Ropas a month.

5. I need hardly recapitulate my request to be allowed to entertain a Writer, as the subject is now before Government, but with reference to this point, I would make but one remark. I was compelled to entertain the Writer in question from the 1st Sept. 1860. And have paid him 20 Rupees a Month from my own salary, which tells heavily upon me. I would therefore avail myself of this opportunity to beg that Government will in according sanction to this Entertainment give effect to retrospective

6. With reference to the number of Peons required by me to conduct the duties efficiently, I have put down 24. You may consider the number large, but I would here remark that assisted as I was by the Revenue Peons, I always found the number allotted to me, viz. 12 Peons, hardly able to do the outdoor work. I never availed myself of the privilege of attaching four peons to my office as the 8 men could not possibly go their rounds in these jungles, & I purpose stationing 2 peons on R. each at each one of them, & as of necessity all timber must pass either of these posts, the passing of timber without paying the tax, will be impossible. I have therefore divided my entire Range into three portions, the Javadies, Hurroon, and Salem. Javadies 4 Peons at Tripatoon 2 Peons at Singarepette. Hurroon range 2 Peons at Karaipilly 2 Peons at Pectamulla 2 Peons at Shumbull 2 Peons at Malla-pooram and 2 Peons at Hurroon. Salem 4 Peons.

7. I have as you will observe put down
2 Duffadars on 7 Rs. each. It will be the
duties of these men to go the round of each
of the divisions, Viz. Jawaher and Kurnool
to see that the Peons are at their several
posts & to bring in all Collections of Revenue.
Their duties will be more onerous, & as
they will have to be always on their back.
I recommend that they receive 7 Rs. each.

8. The 4 peons on 6 Rs. each will be attached

8. The 4 forms on p. 10. Each will be attached

to my office to accompany me on my tour
of inspections of the entire range.

9. As you have directed that I
should take under my charge the
Dea Kanacottah jungles, I have given
the subject my best Consideration
& arrived at the following Conclusion.
Government have ~~all~~ already in their
Proc. No 1289 of 2 August 1860. Sanctioned
the entertainment of an Overseer on Rs
60 per month: A Mr. Fuller was selected
for this charge by Mr. Cleghorn, but
was obliged to relinquish his position
owing to an attack of jungle fever.
I shall however look out for another
Overseer whose health would be better
adapted for the work & to whom I
can hold out the hopes of travelling
allowance being granted & on eventual
increase of salary were the receipts from
these jungles, as to justify a recommendation
on his behalf.

10. There is at present a small Establish-
ment maintained by the collector, & as it
will have to be taken over by me. I
would propose a modification, not as

To, Major, J. Campbell Walker,
Conservator of Forests,

Sir,

With reference to your letter no 813,
dated the 22nd Instant, I have the honor
to inform you that the only information
that I now have in my possession relating
to my promotion from Ps 60 to Ps 90 is
the accompanying copies of papers
written to Captain Morgan, the then
Conservator of Forests by the late
Mr Blenkinsop, Assistant Conser-
vator of Forests, Salem, on my behalf

Though I was recommended for Rupees Eighty, I however drew Rupees Ninety for the period mentioned in my application for pension. The amount was drawn in full and not partly as pay and partly as house or any other allowance. I trust the papers now forwarded will assist in getting at the records relating to this portion of my service. The copy of the Receipt now forwarded has reference to the Acting allowance of Rupees Forty granted me while in Charge of the Assistant Conservator's office, Salem.

2. I beg to state that if a reference is made to the records of the Civil Paymaster who at the time of my employment, was a distinct Auditing officer, the information required will be obtained, and from the clue given in the papers now forwarded further correspondence on the subject may

be for the tracing and traces from the records of the Central Office as well as those of the Salem Divisional office.

3. I may mention that as I had to assist in the clerical duties in the Salem Assistant Conservator's office, I then made copies of the papers now sent, as they related to my promotion and character. And they are in my own handwriting and I beg to solicit that they may be returned when no longer required.

4. With reference to para 3 of your letter under reply I beg to state that I am anxious to remain at my post till such time my papers are finally disposed of by Government.

herewith returned as requested

TO THE GOVERNMENT OF MADRAS,

THE Conservator of Forests

SIR,

I am returning herewith the
Preliminary application for Pension
on behalf of Mr. Henry Hugh Esq.
Deputy Conservator of Forests, Cud-
dalore Division, together with the
papers connected therewith, received
with your letter N. 386 dated the
4th July last. I have the honor to state
that his services as detailed in the
application have been verified
from the original records partly
of the Military Department and
partly of the respective Forest
Offices in which he has served.
The verification of the service from
11 March 1857 has been confirmed by
reference partly to the Annual
Returns and partly to the Audit
Registers

Registers now passed in this Office and found to be correct with the single exception that in the above Returns Mr. Yarde is shown to have drawn Pay at R. 600 a month up to 30th June 1863. The discrepancy needs to be explained at the time of submission of the regular application. Upon reference, the Deputy Conservator of Forests Salem informs this Office that no records are forthcoming in his Office from which he could verify that portion of Mr. Yarde's services which was rendered in that District. The reason for the loss of the records has not been stated.

When submitting the regular application, I would request that the application which is now forwarded with corrections may be returned to this Office for facility of reference.

With reference to para 2 of your letter under acknowledgment, I have to draw your attention to Section 134 and the rule under it from which you will observe that the grant of pensions in excess of the amounts admissible under the rules or involving any pecuniary interest requires the sanction of the Secretary of State.

Madras, 19th September 1882.

From,

Major J. Campbell Walker
Conservator of Forests,

To,

The Secretary to Government,
Revenue Department,

(Through the Accountant General)

Sir,

I have the honor to submit an application from Mr. H. H. Yarde Deputy Conservator of Forests at present in charge of the Cuddalore Division for permission to retire from the service on a pension as soon as possible.

2. Mr. Yarde applies for a special pension of Rs 200 per mensem, and I have no hesitation in supporting his claims on the special consideration of Government in whatever shape they may deem it right to recognize them.

3. The official record of Mr. Yarde's services and the extracts which he submits from official correspondence speak for themselves and testify

to the careful and praiseworthy manner in which he has conducted his duties during a long series of years. Successive Conservators and Collectors have reported favourably of Mr. Gardie's work and I need only record my full concurrence in their verdict.

4. Whilst acting for Colonel Biddome in 1874 & 1875 I had every cause to be pleased with the manner in which Mr. Gardie performed his duties, and since my appointment as Conservator last year he has conducted the business of his Division to my entire satisfaction.

5. Mr. Gardie deserves special credit for the success of the plantation of Red Sanders (*Pterocarpus santalinus*) which is, I believe, unique and due entirely to his skill and care, and for the development of the Government revenue from and protection of the same valuable tree in its native forests where thousands of saplings are now coming on which will be of great value in a few years.

With sincere I shall leave Mr. Gardie's services with much regret and it affords me much pleasure to
