It will be seen from the entry in the 1st page of the application that the Collector recommends that the applicant should be granted a gratuity of Rs. 32-0-0 in lieu of Rs. 32-0-0. His recommendation is apparently based upon the calculation laid down in rule 1 section 117 of the Code, which should however in the opinion of this office be made applicable to an officer only when it will be beneficial to him. In the present case such a mode of calculation would not be beneficial to the applicant and hence it would be unfair to apply the rule to him. The gratuity of the applicant has therefore been calculated on the pay which he was receiving immediately before his retirement. This definition of the term 'Pay' in this Code.

The delay in the submission of this application is explained by the Collector in his remarks quoted above.

In accordance with Rule 16 under section 130, the attention of Government is respectfully solicited to sections 65 of the Code.

Since the receipt of reports regarding
the theft of Sovereigns &c at the

I have been published in the news
papers of the early part of this month.
Certain articles regarding the Sagar

I have received several complaints
against the said Dyala Sait. When
you were asked about his not
wearing his belt, you stated that
he never wore belt and that he
was required to work like a porter
as the Railway authorities have
not appointed sufficient number
of porters. This is very strange. This

Sir.

With reference to your letter
No 201 dated 11 Inst, I have the honor
to inform you that from my letter
No 207 dated 21st October 1881 to the

Lyaloo haik was punished more than
once for his misconduct and was
considered to be untrustworthy and
incapable of doing his work. His
re-employment in the same or similar
service is therefore undesirable and
besides there is no suitable post
vacant in my division for him.
