who has previously served in other Departments e. g. in the old Police and as a Revenue peon, and who may be granted a pension under the above resolution, to what Fund will his pension be chargeable i. e. wholly to the General Revenue, wholly to the Police Superannuation Fund or proportionately to each, according to the periods served by the individual in the new Police and other Departments?

3. In Proceedings of the Government of India dated 7th March 1864, No. 1232 Financial Department, para 6, it is ruled that Police Superannuation Funds shall pay the pensions of all members of a Police Force who at the time of discharge may be receiving not more than Rspees 20 per mensem, although part of their service may have been rendered in appointments unconnected with the Police, but eligible to pension

4. I have the honor to enquire whether this rule will be considered applicable to the Compassionate allowances above referred to. The greater portion (at least three fourths) of the Service of men now obtaining such allowance will of necessity have been passed in other Departments of Government, and it appears doubtful whether the Police Fund can equitably be debited with the entire charge.

I have the honor to be,
