(a) This period of service has been reported as non-qualifying, for though the applicant received pay at the rate of Rs. 15 a month, still only a merely of that pay was paid from law; service includes the other merely brought from the French Comigration. The French (Note Orders of the Government of India embodied in G.O. No. 846 dated 17 June 1901 Public Department) The fees of the Comigration - French having been regarded as Imperial Revenue of public pay, the applicant's entire pay was charged to Government from that date. There is no note in the Civil Service Code under which service paid as above could be admitted towards pension. In any case the exclusion or inclusion of the above period of service does not affect the amount of gratuity which the applicant would otherwise be entitled to receive.

A reference to service from 1st Jan 1902 to 15th Feb 1902
Verified from the records of the Collector's Office dated 1902 and the verification of the service has been confirmed by reference partly to the Audit Register and partly to the Manual returned on record in this office.

The reason why the applicant was retained and service up to 15th July instead of 14th days; and thus a temporary gratuity not exceeding Rs. 200 is not equal to, is admissible under Section 100 V.O. 1907. The Government has been duly verified to 30th June/82, only, as directed by Govt. in para 10 of their Order No 637 dated 11th 19th June last. Government Report is stated in the letter from the British Consular Agent to the Collector No 185 dated the 1st September/82, copy of which is appended. 150
