Copy of letter from the Examiners
of Accounts to the Accountant
General, Public Works Department No.
65 A dated 4 August 1882.

With reference to Government of India
(Finance and Commerce) Resolution No 2208
dated 7 July 1882 published in Part 1 of
the Gazette of India dated 8 July 1882, I
have the honor to request the favor of
your informing me whether it is intended
that an officer refunding the special
gratuity received by him under para-
graph 5, Section II, Clause 5 of the Resolu-
tion of the 31st July 1879 should do so
in a lump sum, or by instalments, under
the conditions prescribed in Section 176
rule 1 of the Civil Pension Code.

2. It is stated that if the officer does
not make the refund, his pension will, for
the purposes of Section 177 Civil Pension Code,
be held to be increased by an amount equal
to 5 per cent per annum on his special
gratuity. I presume it is intended by
this that in all cases in which special
gratuities are not refunded a monthly
interest at the rate of 5 per cent per

annum

amount on the amounts of such gratuities should be realized from the officers concerned. Kindly inform me whether I am correct in this presumption and if so, whether the interest should be realized in cash and how adjusted, or the amount of his pay or pension should be reduced by the amount of the interest.

Copy of the following forwarded to the Examiner of Public Works Accounts, Madras, in reply to his letter No 65 A dated 4 August 1882.

Accountant General

No 1464 G dated 30 October 1882, from the Government of India, Public Works Department, to the Accountant General, Public Works Department.

In reply to your endorsement No 669 E of 21st September 1882, submitting for orders a letter from the Examiner of Public Works Accounts, Madras, enquiring whether the special gratuity received by Public Works Department officers who retired from the Department in 1879 under the terms of the Resolution of 31st July should, on re-employment be made in a lump sum or by instalments, I am directed

to state that the refund should be made in accordance with Section 176 (1) Chapter VIII of the Civil Pension Code.

2. Referring to para 2 of the Examiner's letter I am to state that when an officer re-employed does not refund the gratuity received by him, 5 percent must be added to his pension for the purpose of the calculation under Section 177 of the Civil Pension Code. Thus if the pay of the new appointment plus his pension plus 5 percent on his gratuity exceeds the pay of his old appointment the excess must be deducted from his pension.
