Certified that I have carefully examined *Mohideen Beg*

son of *Ruzumale Beg* *Bon* in the Postal Department,
Ristia District, Karsarowpitt.

His age is by his own statement 60 years and by appearance about the same.

I consider *Mohideen Beg* to be completely

and permanently incapacitated, for further service of any kind in the Department to which he belongs

in consequence of *old age & general debility.*

This incapacity does not appear to me to have been caused by irregular and intemperate habits.

SIR,

In returning herewith the papers received with your letter of 19th Aug. the 24th August 1881, I have the honor to point out, that the information furnished by the Superintendent of Post Office Mistra D^o, relating to the claim for pension on behalf of Mohideen Beg, is so very defective, that this Office is not able to frame its report on the case. I request therefore that you will endeavour once more to procure and furnish information on the following points, which require to be considered primarily:-

(a) The cause of dismissal and the consequent non-employment from 16th July 1867 to 22nd November 1862 should be traced. If the dismissal was due to

(b) How the removal from service

support of the claim for Pension
is dated the 24 October 1879.

(c) A specific report as to the nature
of investigation made and the conclu-
sion arrived at by the Head of Office

(d) The delay in the submission of the
claim needs to be satisfactorily explain-

(e) If the removal in July 1857 was
due to abolition of appointment owing
to reduction of establishment, it
should be explained why no

CERTIFICATE and REPORT of ACCOUNTANT GENERAL.

M. A. D. 427 Certified that (subject to the remarks below recorded) qualifying service in inferior grades has been duly proved for 15 years 6 months and 22 days; and that an Invalid Gratuity not exceeding Rs. 25 is equal to 5 times the pay is admissible under Sections 103 and 117 (a) of the Civil Pension Code, 5th Edition.

The calculations have been duly verified.
The applicant having been born in 1810 as proved by the entry opposite to No. 16 on the 1st page of the application, his age at the time of retirement from the service was upwards of 60 years. Under existing rules the Head of Office was therefore competent to remove him on the ground simply of old age, without obtaining a Medical Certificate in support of his action. But he appears to have considered it best to cause the applicant to be examined by a Medical Officer, who certified him to be unfit on the 24th October 79, or nearly 16 1/2 months after the applicant's retirement. Hence the recommendation for the grant of a Gratuity has not been made subject to the approval by Govt of the Medical Certificate as is usually done.
In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to the fact that the applicant's service is not subject to the provisions of the Code.
In conclusion the attention of Government is respectfully invited to the accompanying correspondence between the office and the Head of Office from which it will be seen that before the 1st June 1878 the applicant was not in the office of the Head of Office.
